Latitude: 33.710406° Longitude: -115.383304°

This image presents the **Existing View** to the northeast from **KOP 1** on eastbound I-10, approximately one mile east of the Desert Center Rice Road (SR 177) overpass. This view captures the central portion of the proposed Project in the vicinity of SR 177. The closest arrays would be approximately 2.2 miles distant from KOP 1 while the most distant arrays in this field of view would be 5 or more miles away.
