

UPDATE TO THE PROJECT DESCRIPTION

At the conclusion of preparing the Draft EIR, it was determined that it was no longer necessary to have both a new land use ordinance, Ordinance No. 944, and the County's current land use ordinance, Ordinance No. 348. As a result, the current Ordinance No. 348 will now be amended in its entirety to include the proposed language set forth in Ordinance No. 944; Ordinance No. 944 will no longer be processed as part of this Project. Although organizational changes may have occurred, no substantive changes have been made to the Project's proposed language. The proposed language will now appear exclusively in Ordinance No. 348, and not Ordinance No. 944. This change only represents an administrative change to the Project Description; the EIR's analysis, alternatives, and impact determinations remain exactly the same as evaluated in the Draft EIR.
