2019 Update to County's 2016 Climate Action Plan to meet greenhouse gas reduction targets for 2030 and 2050.

Project Description
This is to advise that the Riverside County Board of Supervisors, as the lead agency, has approved the above-referenced project on December 17, 2019, and has made the following California Environmental Quality Act determinations regarding that project:

1. Accepted the findings of Addendum No. 1 to EIR No. 521 that no further environmental documentation is required because only minor changes or additions are necessary because none of the conditions described in State CEQA Guidelines Section 15162 calling for the preparation of a subsequent of supplemental EIR have occurred.
2. Reviewed and considered Addendum No. 1 to EIR No. 521 for the 2019 Climate Action Plan Update and concluded that Addendum No. 1 to EIR No. 521 is an accurate and objective statement that complies with CEQA reflecting the County's Independent Judgment and was thereby approved.
3. Considered Addendum No. 1 to EIR No. 521 based on findings in the addendum and approved the 2019 Climate Action Plan Update, as proposed, in compliance with state law and related executive orders.

This is to certify that Addendum No. 1 to EIR No. 521, with record of project approval is available to the general public at: Riverside County Planning Department, 4080 Lemon Street, 12th Floor, Riverside, CA 92501.
