RE: Willow Hole - Edom Hill Reserve Fee Mitigation Area - District 4

The Coachella Valley Fringe-toed Lizard Habitat Conservation Plan states on Page VI-17 that mitigation fees collected in District 4 shall be used to purchase land for the Willow Hole - Edom Hill Reserve. Therefore, whenever a fee is collected in District 4, County staff will need to specifically identify the fee as coming from District 4 when sending it to the Nature Conservancy.

Attached is a listing of all Assessor's Parcel numbers found in District 4 to aid you in identifying those fees collected in that area.

If you have any questions, please feel free to call me or Kim Jarrell at ext 2956.
