NOTE: Please be aware that the indicated staff recommendation shown below for each item may differ from that presented to the Planning Director during the public hearing.

If you wish to speak, please complete a “SPEAKER IDENTIFICATION FORM” and give it to the Planning Director. The purpose of the public hearing is to allow interested parties to express their concerns. Please do not repeat information already given. If you have no additional information, but wish to be on record, simply give your name and address and state that you agree with the previous speaker(s).

In compliance with the Americans with Disabilities Act, if you require reasonable accommodations, please contact Mary Stark at (951) 955-7436 or e-mail at mcstark@rctlma.org. Requests should be made 72 hours in advance or as soon as possible prior to the scheduled meeting. Alternative formats are available upon request.

   3.1 PLOT PLAN NO. 25799 – CEQA Exempt - Applicant: Verizon Wireless – Engineer Representative: Core Development Services – Owner: Artak Tovmasyan – Fifth Supervisorial District – Whitewater Zoning Area – Western Coachella Valley Area Plan – Land Use Designation: Community Development: Medium Density Residential (CD: MDR) (2–5 du/ac) – Location: southerly of Tamarack Road, westerly of Mesquite Road, northerly of Interstate 10, and easterly of Haugen-Lehman Way – Zoning: Rural Residential (R-R) - REQUEST: Permit the co-location of an existing unmanned wireless telecommunication facility that will include the installation of twelve (12) panel
antennas, one (1) microwave dish, three (3) fiber demarcation boxes, six (6) A2 module units and six (6) RRUs mounted to an existing 77 foot tall monopole. The proposed project also includes the installation of three (3) equipment cabinets, two (2) battery cabinets, one (1) stand-by generator and three (3) GPS antennas within 352 sq. ft. lease area. Project Planner: Tim Wheeler at (951) 955-6060 or email twheeler@rcrlma.org.

4.0 PUBLIC COMMENTS:
COUNTY OF RIVERSIDE PLANNING DEPARTMENT
STAFF REPORT

PROJECT DESCRIPTION AND LOCATION:
The plot plan proposed is to permit a collocation on an existing wireless telecommunication facility. This colocation will include the installation of twelve (12) panel antennas mounted at 55 feet, one (1) microwave dish mounted at 45 feet, three (3) fiber demarcation boxes, six (6) A2 module units and six (6) RRU’s mounted to an existing 77 foot tall monopole. The proposed project also includes the installation of three (3) equipment cabinets, two (2) battery cabinets, one (1) stand-by generator and three (3) GPS antennas within 352 sq. ft. lease area located at the rear of a 6.81ac parcel.

BACKGROUND:
The original monopole and equipment cabinets were permitted by right (without entitlement) in January 2001 (BXX003369, BXX003370 and BEL001182), prior to adoption of the County’s Wireless Communication Facilities ordinance. PP24083, which entitled a collocation on the monopole and reviewed the structure was approved on February 4, 2010.

ISSUES OF POTENTIAL CONCERN: No issues of concern for the project.

SUMMARY OF FINDINGS:
1. Existing General Plan Land Use: Community Development: Medium Density Residential (CD: MDR)
2. Surrounding General Plan Land Use: Community Development: Medium Density Residential (CD: MDR)
3. Existing Zoning: Rural Residential (R-R)
4. Surrounding Zoning: Rural Residential (R-R)
5. Existing Land Use: Abandoned Halfway House (PUP214R4)
6. Surrounding Land Use: Vacant land; scattered single-family homes
7. Project Data: Total Acreage: 6.81 at the SE corner of the parcel
8. Environmental Concerns: None
RECOMMENDATIONS:

**FIND** the project exempt from the California Environmental Quality Act pursuant to State CEQA Guidelines Section 15301(e)(1) (Existing Facilities) and Section 15303 (New Construction or Conversion of Small Structures), based on the findings and conclusions incorporated in the staff report; and

**APPROVE** Plot Plan No. 25799, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the staff report.

**FINDINGS:** The following findings are in addition to those incorporated in the summary of findings and in the attached environmental assessment, which is incorporated herein by reference.

1. The project site is designated Community Development: Medium Density Residential (CD: MDR) on the Western Coachella Valley Area Plan.

2. The proposed use, a wireless telecommunication facility, is consistent with the Community Development: Medium Density Residential (CD: MDR) designation.

3. The project site is surrounded by properties which are designated Community Development: Medium Density Residential (CD: MDR).

4. The zoning for the subject site is Rural Residential (R-R).

5. The proposed use, a wireless telecommunication facility, is a permitted use, subject to approval of a plot plan, in the Community Development: Medium Density Residential (CD: MDR).

6. The proposed use, a collocation on an existing wireless telecommunication facility, is consistent with the development standards set forth in the Rural Residential (R-R) zone. Collocated wireless communication facility may be located in any zone classification. Per Section 5.2(A) Development Standards - One family residence shall not exceed forty (40') feet in height. No other building or structure shall exceed fifty (50') feet in height, unless a greater height is approved pursuant to Section 18.34. of this ordinance. In no event, however, shall a building exceed seventy-five (75') feet in height or any other structures exceed one hundred five (105') feet in height, unless a variance is approved pursuant to Section 18.27. of this ordinance. This is an existing monopole permitted by right in January 2001; the collocation isn’t altering the overall height of the monopole for its collocation.

7. The project site is surrounded by properties which are zoned Rural Residential (R-R).

8. Residential and commercial uses have been constructed and are operating in the project vicinity.

9. The proposed use, a collocation on an existing wireless telecommunication facility, is consistent with the development standards set forth in Ordinance No. 348 section 19.410. While Section 19.410.c. sets forth height restrictions limiting collocated facilities in residential zone classifications to a maximum of fifty feet, certain types of limitations on the height of collocated facilities has been superseded by federal law in the Spectrum Act (47 U.S.C. § 1455) and associated regulations and rules such that collocations now may be required to be approved if they do not constitute a “substantial change” in the height of the underlying wireless communications facility. Because the underlying monopole is 70 feet, and the collocation is at merely 55 feet, it will not change the height of the underlying wireless communication facility at all; much less constitute a substantial change. For this reason, the collocation is consistent with the development standards in Section 19.410.
10. This project is not located within the Western Riverside County Criteria Area of the Multi-Species Habitat Conservation Plan;

11. The project site is within the Coachella Valley Multi-Species Habitat Conservation Plan, but not with a Conservation Area.

12. This project is not within a City Sphere of Influence.

13. Fire protection and suppression services will be available for the project site through Riverside County Fire Department.

14. The proposed project is exempt from CEQA per section 15301(e)(1) of the State CEQA Guidelines. Section 15301(e)(1) (Existing Facilities) exempts the operation, repair, maintenance, permitting, leasing, licensing or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. And Section 15301(e)(1) exempts additions to the existing structures provided that the addition will not result in an increase of more than: (1) 50 percent of the floor area of the structure before the addition, or 2,500 square feet, whichever is less. The proposed project will be utilizing an existing monopole and will only be adding twelve (12) antennas which will be undistinguishable from the existing twelve (12) and six (6) antennas on the monopole. The project area will be increased by the proposed lease area which is 352 square feet, and is below 50 percent of the existing the 840 square foot lease area.

The proposed project is also exempt from CEQA under section 15303, which exempts the installation of small new equipment, including utility extensions. The proposed project is merely adding twelve antennas and other small equipment to an existing wireless facility.

15. There are not applicable exceptions to the Section 15301 or 15303 exemptions. There will be no significant cumulative impacts from successive projects of the same type in the same place, over time because the visual impact of the undisguised monopole has already occurred and the addition of additional equipment could not be distinguished from outside the project site from the existing equipment on the tower. The addition of 352 square feet of walled in lease area will also be undistinguishable from the existing condition of the approximately 840 square feet of lease area from outside of the project site. There are also no unusual circumstances that apply to the project or property in question that would result in a reasonable possibility that the activity would have a significant effect on the environment due to unusual circumstances, and the previously disturbed project site, which is already being used for wireless telecommunications purposes, does not qualify as a particularly sensitive environment. In addition, the project will not result in damage to scenic resources such as trees, historic buildings, rock outcroppings, or similar resources, within a highway officially designated as a state scenic highway because the project does not propose to disturb or block the view of scenic resources such as trees, historic buildings, rock outcroppings, or similar resources. The project site is not located on a site include on any list compiled pursuant to Section 65962.5 of the Government Code and there are no historic resources located onsite or that will be affected by the project.
CONCLUSIONS:

1. The proposed project is in conformance with the Community Development: Medium Density Residential (CD: MDR) Land Use Designation, and with all other elements of the Riverside County General Plan.

2. The proposed project is consistent with the Rural Residential (R-R) zoning classification of Ordinance No. 348, and with all other applicable provisions of Ordinance No. 348.

3. The public's health, safety, and general welfare are protected through project design.

4. The proposed project is conditionally compatible with the present and future logical development of the area.

5. The proposed project will not have a significant effect on the environment.

6. The proposed project will not preclude reserve design for the Coachella Valley Multiple Species Habitat Conservation Plan (CVMSHCP).

INFORMATIONAL ITEMS:

1. A letter was received requesting a public hearing from a surrounding neighbor. Also some other called inquiring about this site and if a public hearing was going to occur. The project planner informed them that there would be one scheduled.

2. The project site is not located within:
   a. A sphere of influence;
   b. A 100-year flood plain, an area drainage plan, or dam inundation area;
   c. The Stephens Kangaroo Rat Fee Area or Core Reserve Area; or,
   d. High Fire Area;

3. The project site is located within:
   a. An area with moderate susceptibility for liquefaction.

4. The subject site is currently designated as Assessor’s Parcel Number 517-340-008.

NOTICE OF EXEMPTION

TO: ☐ Office of Planning and Research (OPR)  FROM: Riverside County Planning Department
P. O. Box 3044 ☑ 4080 Lemon Street, 12th Floor
Sacramento, CA 95812-3044 P. O. Box 1409
☐ County of Riverside County Clerk Riverside, CA 92502-1409
☐ 77-588 El Duna Ct. Ste. H Palm Desert, CA 92211

Project Title/Case No.: PP25799

Project Location: In the unincorporated area of Riverside County, more specifically located at 55860 Haugen Lehman Way.

Project Description: This colocation will include the installation of twelve (12) panel antennas mounted at 55 feet, one (1) microwave dish mounted at 45 feet, three (3) fiber demarcation boxes, six (6) A2 module units and six (6) RRU's mounted to an existing 77 foot tall monopole. The project also includes three (3) equipment cabinets, two (2) battery cabinets, a stand-by generator, 3 GPS antennas within a 352 sq. ft. lease area.

Name of Public Agency Approving Project: Riverside County Planning Department

Project Applicant & Address: Verizon Wireless 15505 Sand Canyon Ave Irvine, CA 92618

Exempt Status: (Check one)
☐ Ministerial (Sec. 21080(b)(1); 15268)
☐ Declared Emergency (Sec. 21080(b)(3); 15269(a))
☐ Emergency Project (Sec. 21080(b)(4); 15269 (b)(c))
☒ Categorical Exemption (15301 e1A & 15303)
☐ Statutory Exemption ( )
☐ Other: ___________

Reasons why project is exempt: The proposed project is exempt from CEQA per section 15301(e)(1) of the State CEQA Guidelines. Section 15301(e)(1) (Existing Facilities) exempts the operation, repair, maintenance, permitting, leasing, licensing or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. And Section 15301(e)(1) exempts additions to the existing structures provided that the addition will not result in an increase of more than (1) 50 percent of the floor area of the structure before the addition, or 2,500 square feet, whichever is less. The proposed project will be utilizing an existing monopole and will only be adding twelve (12) antennas which will be undetectable from the existing twelve (12) and six (6) antennas on the monopole. The project area will be increased by the proposed lease area which is 352 square feet, and is below 50 percent of the existing the 880 square foot lease area. The proposed project is also exempt from CEQA under section 15303, which exempts the installation of small new equipment, including thirty extensions. The proposed project is merely adding twelve antennas and other small equipment to an existing wireless facility.

10. GENERAL CONDITIONS

EVERY DEPARTMENT

10. EVERY. 1 USE - PROJECT DESCRIPTION

The use hereby permitted is for the co-location of twelve (12) panel antennas at RAD center elevation of 55 feet, one (1) microwave dish at RAD center elevation of 45 feet, three (3) fiber demarcation boxes, six (6) A2 module units, and six (6) RRUs to an existing 77 foot tall monopole. The project also includes the installation of one (1) stand-by generator and three (3) GPS antennas within a new 352 square foot lease area.

RECOMMEND

10. EVERY. 2 USE - HOLD HARMLESS

The applicant/permittee or any successor-in-interest shall defend, indemnify, and hold harmless the County of Riverside or its agents, officers, and employees (COUNTY) from the following:

(a) any claim, action, or proceeding against the COUNTY to attack, set aside, void, or annul an approval of the COUNTY, its advisory agencies, appeal boards, or legislative body concerning the PLOT PLAN; and,

(b) any claim, action or proceeding against the COUNTY to attack, set aside, void or annul any other decision made by the COUNTY concerning the PLOT PLAN, including, but not limited to, decisions made in response to California Public Records Act requests.

The COUNTY shall promptly notify the applicant/permittee of any such claim, action, or proceeding and shall cooperate fully in the defense. If the COUNTY fails to promptly notify the applicant/permittee of any such claim, action, or proceeding or fails to cooperate fully in the defense, the applicant/permittee shall not, thereafter, be responsible to defend, indemnify or hold harmless the COUNTY.

The obligations imposed by this condition include, but are not limited to, the following: the applicant/permittee shall pay all legal services expenses the COUNTY incurs in connection with any such claim, action or proceeding, whether it incurs such expenses directly, whether it is ordered by a court to pay such expenses, or whether it incurs such expenses by providing legal services through its Office of County Counsel.
10. GENERAL CONDITIONS

10. EVERY. 3 USE - DEFINITIONS

The words identified in the following list that appear in all capitals in the attached conditions of Plot Plan No. 25799 shall be henceforth defined as follows:

APPROVED EXHIBIT A = Plot Plan No. 25799, Exhibit A, dated 04/10/15.

E HEALTH DEPARTMENT

10.E HEALTH. 2 USE - EMERGENCY GENERATOR

For any proposed use of emergency generators, the following shall apply:

a) A Business Emergency Plan (BEP) shall be submitted to the County of Riverside, Hazardous Materials Management Branch (HMMB).

b) A concrete berm shall be installed around all diesel backup generators, especially those designed with single-walled tanks.

c) If the fuel tank capacity is greater than or equal to 1,320 gallons, the facility shall be required to prepare a Spill Prevention Control and Countermeasure (SPCC) plan. The SPCC shall be written in compliance with Federal rules and regulations.

d) If the generator is located indoors, all entrance doors shall be labeled with an NFPA 704 sign with the appropriate NFPA ratings.

e) If the generator is located outdoors, the NFPA 704 sign shall be placed on the most visible side of the exterior surface of the generator unit, or if fenced, on the most visible side of the fence, with the appropriate NFPA ratings.

f) The location and capacity of the "day tank", if proposed, shall be clearly identified in the chemical inventory and facility map sections of the BEP.

g) The business shall address the handling of spills and leaks in the Prevention, Mitigation, and Abatement sections of the BEP.
10. GENERAL CONDITIONS

10.E HEALTH. 2 USE - EMERGENCY GENERATOR (cont.)

h) If the generator is located in a remote site, HMMB shall conduct an inspection to determine whether any exemptions can be granted.

10.E HEALTH. 3 USE - NO NOISE REPORTS

Based upon the information provided, a noise study is not required. However, the project shall be required to comply with the following:

1. Facility-related noise, as projected to any portion of any surrounding property containing a "sensitive receiver, habitable dwelling, hospital, school, library, or nursing home", must not exceed the following worst-case noise levels: 45 dB(A) - 10 minute noise equivalent level ("Leq"), between the hours of 10:00 p.m. to 7:00 a.m. (nighttime standard) and 65 dB(A) - 10 minute Leq, between 7:00 a.m. and 10:00 p.m. (daytime standard).

2. Whenever a construction site is within one-quarter (1/4) of a mile of an occupied residence or residences, no construction activities shall be undertaken between the hours of 6:00 p.m. and 6:00 a.m. during the months of June through September and between the hours of 6:00 p.m. and 7:00 a.m. during the months of October through May. Exception to these standards shall be allowed only with the written consent of the building official.

For any questions, please contact the Department of Environmental Health, Office of Industrial Hygiene at (951) 955-8982.

FIRE DEPARTMENT

10.FIRE. 1 USE- #89-KNOX BOX

KNOX BOX - key storage shall be installed on the outside of the wall. Applicant may pick up application for a Knox Box at Riverside County Fire Department Office of the Fire Marshal.

10.FIRE. 2 USE- 704 PLACARD

4. Placard- Need 704 placard on the outside of the wall, visible from the street.
10. GENERAL CONDITIONS

10.FIRE. 3 USE- EXTINGUISHER

1. Extinguishers (Light Hazard)- Install a portable fire extinguisher, with a minimum rating of 4A-40BC, for every 3,000 sq. ft. and/or 75 feet of travel distance. Fire extinguishers shall be mounted no higher than 5 ft. above finished floor, as measured to the top of the extinguisher. Where not readily visible, signs shall be posted above all extinguishers to indicate their locations. Extinguishers must have current CSFM service tags affixed; or within one year of from the date of month and year of manufacture. (NOTE: If only a year of manufacture is indicated, maintenance shall be due January 1st of the year following.)

10.FIRE. 4 USE-ADDRESS

A 12 inch number address needs to be on the wall facing the addressed street.

10.FIRE. 5 USE* - FIRE ACCESS

Fire Apparatus access road shall be in compliance with the Riverside County Fire Department Standard number 06-05 (located at www.rvcfire.org). Access lanes will not have an up, or downgrade of more than 15%. Access lanes will be designed to withstand the weight of 80 thousand pounds over 2 axles. Access will have a turning radius capable of accommodating fire apparatus. Access lane shall be constructed with a surface so as to provide all weather driving capabilities.

Any turn-around requires a minimum 38-foot turning radius. All structures shall be accessible from an approved roadway to within 150 feet of all portions of the exterior of the first floor.

The minimum dimensions for access roads and gates is 12 feet clear and unobstructed width and a minimum vertical clearance of 13 feet 6 inches in height. (WIRELESS CELL SITES ONLY).

PLANNING DEPARTMENT

10.PLANNING. 1 USE - IF HUMAN REMAINS FOUND

The developer/permit holder or any successor in interest shall comply with the following for the life of this
10. GENERAL CONDITIONS

10. PLANNING. 1 USE - IF HUMAN REMAINS FOUND (cont.)

project:
Human remains require special handling, and must be treated with appropriate dignity. Pursuant to State Health and Safety Code Section 7050.5, if human remains are encountered, no further disturbance shall occur until the County Coroner has made the necessary findings as to origin. Specific actions must take place pursuant to CEQA Guidelines "15064.5e, State Health and Safety Code Section 7050.5 and Public Resource Code (PRC) "5097.98. In the event of the accidental discovery or recognition of any human remains in any location other than a dedicated cemetery, the following procedures shall be followed:

a) There shall be no further excavation or disturbance of the site or any nearby area reasonably suspected to overlie adjacent human remains until:
   i) A County Official is contacted.
   ii) The County Coroner is contacted to determine that no investigation of the cause of death is required, and if the Coroner determines the remains are Native American:
   iii) The Coroner shall contact the Native American Heritage Commission within 24 hours.

b) The Commission shall identify the person or persons it believes to be the most likely descended from the deceased Native American.

c) The Most Likely Descendent (MLD) may make recommendations to the landowner or the person responsible for the excavation work, for the treatment of human remains and any associated grave goods as provided in PRC "5097.98.

d) Under the following conditions, the landowner or his authorized representative shall rebury the Native American human remains and associated grave goods on the property in a location not subject to further disturbance:
   i) The Commission is unable to identify a MLD or the MLD failed to make a recommendation within 24 hours after being notified by the commission.
   (1) The MLD identified fails to make a recommendation; or
   (2) The landowner or his authorized representative rejects the recommendation of the MLD, and the mediation.

10. PLANNING. 2 USE - UNANTICIPATED RESOURCES

The developer/permit holder or any successor in interest shall comply with the following for the life of this project:

1) If during ground disturbance activities, cultural resources are discovered that were not assessed by the
10. GENERAL CONDITIONS

10.PLANNING. 2 USE - UNANTICIPATED RESOURCES (cont.) RECOMMEND
archaeological reports and/or environmental assessment conducted prior to project approval, the following procedures shall be followed. A cultural resources site is defined, for this condition, as being three or more artifacts in close association with each other, but may include fewer artifacts if the area of the find is determined to be of significance due to it sacred or cultural importance.

a) All ground disturbance activities within 100 feet of the discovered cultural resource shall be halted until a meeting is convened between the developer, the project archaeologist, the Native American tribal representative (or other appropriate ethnic/cultural group representative), and the Planning Director to discuss the significance of the find.

b) At the meeting, the significance of the discoveries shall be discussed and after consultation with the Native American tribal (or other appropriate ethnic/cultural group representative) and the archaeologist, a decision is made, with the concurrence of the Planning Director, as to the appropriate mitigation (documentation, recovery, avoidance, etc) for the cultural resource.

c) Further ground disturbance shall not resume within the area of the discovery until an agreement has been reached by all parties as to the appropriate preservation or mitigation measures.

10.PLANNING. 3 USE - COMPLY WITH ORD./CODES RECOMMEND

The development of these premises shall comply with the standards of Ordinance No. 348 and all other applicable Riverside County ordinances and State and Federal codes.

The development of the premises shall conform substantially with that as shown on APPROVED EXHIBIT A, unless otherwise amended by these conditions of approval.

10.PLANNING. 4 USE - FEES FOR REVIEW RECOMMEND

Any subsequent submittals required by these conditions of approval, including but not limited to grading plan, building plan or mitigation monitoring review, shall be reviewed on an hourly basis (research fee), or other such review fee as may be in effect at the time of submittal, as required by Ordinance No. 671. Each submittal shall be accompanied with a letter clearly indicating which
10. GENERAL CONDITIONS

10.PLANNING. 4  USE - FEES FOR REVIEW (cont.)  RECOMMEND

condition or conditions the submittal is intended to comply with.

10.PLANNING. 5  USE - LIGHTING HOODED/DIRECTED  RECOMMEND

Any outside lighting shall be hooded and directed so as not to shine directly upon adjoining property or public rights-of-way.

10.PLANNING. 6  USE - CEASED OPERATIONS  RECOMMEND

In the event the use hereby permitted ceases operation for a period of one (1) year or more, this approval shall become null and void.

10.PLANNING. 7  USE - MAX HEIGHT  RECOMMEND

The monopole/antenna array located within the property shall not exceed a height of 77 feet.

10.PLANNING. 9  USE - FUTURE INTERFERENCE  RECOMMEND

If the operation of the facilities authorized by this approved Plot Plan generates electronic interference with or otherwise impairs the operation of Riverside County communication facilities, the applicant shall consult with Riverside County Information Technology staff and implement mitigation measures acceptable to the Riverside County Department of Information Technology.

10.PLANNING. 12  USE - NO USE PROPOSED LIMIT CT  RECOMMEND

The balance of the subject property, APN 517-340-008 (excluding the lease area and access easement), shall hereby be designated as "NO USE PROPOSED", and shall require approval of an appropriate land use application prior to utilization of any additional land uses subject to the requirements of County Ordinance No. 348.

10.PLANNING. 13  USE - EQUIPMENT/BLDG COLOR CT  RECOMMEND

The equipment cabinet color shall be grey or in earthtones, which will blend with the surrounding setting.

The color of the monopole/antenna array shall be either galvanized steel grey, light grey, or light tan in order
10. GENERAL CONDITIONS

10.PLANNING. 13 USE - EQUIPMENT/BLDG COLOR CT (cont.) RECOMMEND

to minimize visual impacts.

Changes in the above listed colors shall be reviewed and approved by the Planning Department prior to installation of the structures, or prior to repainting of the structures.

10.PLANNING. 14 USE - SITE MAINTENANCE CT RECOMMEND

The project site shall be kept in good repair. Graffiti shall be removed from any structures within one week of observation and/or notification. The project site and a minimum area of 10 feet around the project site shall be kept free of weeds and other obtrusive vegetation for fire prevention purposes.

10.PLANNING. 15 USE - BUSINESS LICENSING RECOMMEND

Every person conducting a business within the unincorporated area of Riverside County, as defined in Riverside County Ordinance No. 857, shall obtain a business license. For more information regarding business registration, contact the Business Registration and License Program Office of the Building and Safety Department at www.rctlma.org/buslic.

10.PLANNING. 16 USE - CAUSES FOR REVOCATION RECOMMEND

In the event the use hereby permitted under this permit, a) is found to be in violation of the terms and conditions of this permit, b) is found to have been obtained by fraud or perjured testimony, or c) is found to be detrimental to the public health, safety or general welfare, or is a public nuisance, this permit shall be subject to the revocation procedures.

10.PLANNING. 19 USE - NOISE REDUCTION RECOMMEND

In accordance with Section 19.410.g. of Ordinance No. 348, and for the life of the project, all noise produced by the wireless communication facility shall in no case produce noise which exceeds 45 dB inside the nearest dwelling and 60 dB at the project site's property line.
20. PRIOR TO A CERTAIN DATE

PLANNING DEPARTMENT

20.PLANNING. 2 USE - LIFE OF PERMIT

The collocation facility shall cease operation at the time the wireless communications facility/base station expires and/or is no longer permitted to operate.

80. PRIOR TO BLDG PRMT ISSUANCE

PLANNING DEPARTMENT

80.PLANNING. 1 USE - ELEVATIONS & MATERIALS

Building and structure elevations shall be in substantial conformance with that shown on the APPROVED EXHIBIT A, dated 4/10/2015.

TRANS DEPARTMENT

80.TRANS. 2 USE - UTILITY PLAN CELL TOWER

Proposed electrical power lines below 33.6 KV within public right-of-way for this cell tower site shall be designed to be placed underground in accordance with Ordinance 460 and 461, or as approved by the Transportation Department. The applicant is responsible for coordinating the work with the serving utility company. A disposition note describing the above shall be reflected on the site plan. A written proof for initiating the design and/or application of the relocation issued by the utility company shall be submitted to the Transportation Department for verification purposes.

90. PRIOR TO BLDG FINAL INSPECTION

E HEALTH DEPARTMENT

90.E HEALTH. 1 USE - HAZMAT BUS PLAN

The facility will require a business emergency plan for the storage of hazardous materials greater than 55 gallons, 200 cubic feet or 500 pounds, or any acutely hazardous materials or extremely hazardous substances.

90.E HEALTH. 2 USE - HAZMAT REVIEW

If further review of the site indicates additional environmental health issues, the Hazardous Materials
90. PRIOR TO BLDG FINAL INSPECTION

Management Division reserves the right to regulate the business in accordance with applicable County Ordinances.

90.E HEALTH. 3  USE - HAZMAT CONTACT

Contact a Hazardous Materials Specialist, Hazardous Materials Management Division, at (951) 358-5055 for any additional requirements.

PLANNING DEPARTMENT

90.PLANNING. 2  USE - WALL & FENCE LOCATIONS

Wall and/or fence locations shall be in conformance with APPROVED EXHIBIT A.

90.PLANNING. 6  USE - SIGNAGE REQUIREMENT

Prior to final inspection of any building permit, the permit holder, developer or successor-in-interest shall install a sign no smaller than 12 inches by 12 inches upon an exterior wall or fence that surrounds the lease area that provides the following contact information:

- Address of wireless communications facility and any internal site identification number or code;
- Name(s) of company who operates the wireless communications facility;
- Full company address, including mailing address and division name that will address problems;
- Telephone number of wireless communications facility company.

If a co-located facility (addition antennas and/or equipment shelters or cabinets) are added to an existing facility, an additional sign, including the above described information, shall be installed on said shelter or cabinet stating the name of the company who operates the primary wireless communications facility and the name of the company that operates the co-located facility.

90.PLANNING. 8  USE - ORD NO. 659 (DIF)

Prior to the issuance of either a certificate of occupancy or prior to building permit final inspection, the applicant shall comply with the provisions of Riverside County
90. PRIOR TO BLDG FINAL INSPECTION

90.PLANNING. 8 USE - ORD NO. 659 (DIF) (cont.)

Ordinance No. 659, which requires the payment of the appropriate fee set forth in the Ordinance. Riverside County Ordinance No. 659 has been established to set forth policies, regulations and fees related to the funding and installation of facilities and the acquisition of open space and habitat necessary to address the direct and cumulative environmental effects generated by new development project described and defined in this Ordinance, and it establishes the authorized uses of the fees collected.

The amount of the fee for commercial or industrial development shall be calculated on the basis of the "Project Area," as defined in the Ordinance, which shall mean the net area, measured in acres, from the adjacent road right-of-way to the limits of the project development. The Project Area for Plot Plan No. 25799 has been calculated to be 0.01 net acres.

In the event Riverside County Ordinance No. 659 is rescinded, this condition will no longer be applicable. However, should Riverside County Ordinance No. 659 be rescinded and superseded by a subsequent mitigation fee ordinance, payment of the appropriate fee set forth in that ordinance shall be required.

90.PLANNING. 9 USE - ORD 875 CVMSHCP FEE

Prior to a certificate of occupancy or upon building permit final inspection, whichever comes first, the permit holder shall comply with the provisions of Riverside County Ordinance No. 875, which requires the payment of the appropriate fee set forth in the ordinance. The amount of the fee will be based on the "Project Area" as defined in the ordinance and the aforementioned condition of approval. The Project Area for Plot Plan No. 25799 is calculated to be 0.01 acres. In the event Riverside County Ordinance No. 875 is rescinded, this condition will no longer be applicable, However, in the event Riverside County Ordinance No. 875 is rescinded and superseded by a subsequent mitigation fee ordinance, payment of the appropriate fee set forth in that ordinance shall be required.
90. PRIOR TO BLDG FINAL INSPECTION

TRANS DEPARTMENT

90.TRANS. 1 USE-UTILITY INSTALL CELL TOWER RECOMMEND

Proposed electrical power lines below 33.6 KV within public right-of-way for this cell tower site shall be underground in accordance with Ordinance 460 and 461, or as approved by the Transportation Department.

A certificate should be obtained from the pertinent utility company and submitted to the Department of Transportation as proof of completion.
LAND DEVELOPMENT COMMITTEE
INITIAL CASE TRANSMITTAL
RIVERSIDE COUNTY PLANNING DEPARTMENT - PALM DESERT

REQUEST: Permit the co-location of an existing unmanned wireless telecommunication facility that will include the installation of twelve (12) panel antennas, one (1) microwave dish, three (3) fiber demarcation boxes, six (6) A2 module units and six (6) RRUs mounted to an existing 77 foot tall monopole. The proposed project also includes the installation of three (3) equipment cabinets, two (2) battery cabinets, one (1) stand-by generator and three (3) GPS antennas within 352 sq. ft. lease area. – APN: 517-340-008

Please review the attached map(s) and/or exhibit(s) for the above-described project. This case is scheduled for a LDC comment on May 28, 2015. All LDC Members please have draft conditions in the Land Management System on or before the above date. If it is determined that the attached map(s) and/or exhibit(s) are not acceptable, please have corrections in the system and DENY the routing on or before the above date. Once the route is complete, and the approval screen is approved with or without corrections, the case can be scheduled for a public hearing. All other transmitted entities, please have your comments, questions and recommendations to the Planning Department on or before the above date. Your comments/recommendations/conditions are requested so that they may be incorporated in the staff report for this particular case.

Should you have any questions regarding this project, please do not hesitate to contact Mark Corcoran, Contract Planner, at (951) 955-3025 or email at mcrcora@rctlma.org / MAILSTOP# 1070.

"Planning Our Future... Preserving Our Past"
APPLICATION FOR LAND USE PROJECT

If the property is owned by more than one person, attach a separate page that references the application case number and lists the names, mailing addresses, and phone numbers of all persons having an interest in the real property or properties involved in this application.

The Planning Department will primarily direct communications regarding this application to the person identified above as the Applicant. The Applicant may be the property owner, representative, or other assigned agent.

AUTHORIZATION FOR CONCURRENT FEE TRANSFER

The signature below authorizes the Planning Department and TLMA to expedite the refund and billing process by transferring monies among concurrent applications to cover processing costs as necessary. Fees collected in excess of the actual cost of providing specific services will be refunded. If additional funds are needed to complete the processing of your application, you will be billed, and processing of the application will cease until the outstanding balance is paid and sufficient funds are available to continue the processing of the application. The applicant understands the deposit fee process as described above, and that there will be NO refund of fees which have been expended as part of the application review or other related activities or services, even if the application is withdrawn or the application is ultimately denied.

All signatures must be originals ("wet-signed"). Photocopies of signatures are not acceptable.

ELAINE YANG on behalf of Verizon Wireless

AUTHORITY FOR THIS APPLICATION IS HEREBY GIVEN:

I certify that I am/we are the record owner(s) or authorized agent and that the information filed is true and correct to the best of my knowledge. An authorized agent must submit a letter from the owner(s) indicating authority to sign the application on the owner's behalf.

All signatures must be originals ("wet-signed"). Photocopies of signatures are not acceptable.

See attached "Letter of Authorization"

Form 295-1010 (09/01/13)
APPLICATION FOR LAND USE PROJECT

Approximate Gross Acreage: 6.81 AC

General location (nearby or cross streets): North of ____________, South of ____________. East of ____________, West of Mesquite Rd. Place: 724 Grid:F2

Project Description: (describe the proposed project in detail)
A proposed colocation onto an existing 77' monopole. This will include (12) panel antennas, (12) RRU's, (1) parabolic antenna, and (3) GPS antennas. All associated equipment will be placed at grade within a proposed equipment enclosure.

Related cases filed in conjunction with this application:
N/A

Is there a previous application filed on the same site: Yes [x] No [ ]

If yes, provide Case No(s): PP24083, PP25216 (Parcel Map, Zone Change, etc.)

E.A. No. (if known) ___________________________ E.I.R. No. (if applicable): _______________________

Have any special studies or reports, such as a traffic study, biological report, archaeological report, geological or geotechnical reports, been prepared for the subject property? Yes [x] No [ ]

If yes, indicate the type of report(s) and provide a copy: _____________________________

Is water service available at the project site: Yes [x] No [ ]

If "No," how far must the water line(s) be extended to provide service? (No. of feet/miles) _______

Will the project eventually require landscaping either on-site or as part of a road improvement or other common area improvements? Yes [ ] No [x]

Is sewer service available at the site? Yes [x] No [ ]

If "No," how far must the sewer line(s) be extended to provide service? (No. of feet/miles) _______

Will the project result in cut or fill slopes steeper than 2:1 or higher than 10 feet? Yes [ ] No [x]

How much grading is proposed for the project site?
Estimated amount of cut = cubic yards: N/A

Form 245-1010 (09/01/13)
APPLICATION FOR LAND USE PROJECT

Estimated amount of fill = cubic yards  N/A

Does the project need to import or export dirt? Yes ☐ No ☑

Import ___________________________ Export ___________________________ Neither ___________________________

What is the anticipated source/destination of the import/export? N/A

What is the anticipated route of travel for transport of the soil material? N/A

How many anticipated truckloads? N/A ___________________________ truck loads.

What is the square footage of usable pad area? (area excluding all slopes) 352 sq. ft.

Is the project located within 8½ miles of March Air Reserve Base? Yes ☐ No ☑

If yes, will any structure exceed fifty-feet (50’) in height (above ground level)? Yes ☐ No ☑

Is the project located within 1000 feet of a military installation, beneath a low-level flight path or within special use airspace as defined in Section 21098 of the Public Resources Code, and within an urbanized area as defined by Section 65944 of the Government Code? (See California Office of Planning and Research website: http://cmluca.projects.atlas.ca.gov/) Yes ☐ No ☑

Is the project located within the boundaries of an Airport Land Use Compatibility Plan adopted by the Riverside County Airport Land Use Commission? Yes ☐ No ☑

Does the project area exceed one acre in area? Yes ☐ No ☑

Is the project located within any of the following watersheds (refer to Riverside County Land Information System (RCLIS) (http://www3.timacounty.ca.gov/landinfo/index.html) for watershed location)?

☐ Santa Ana River    ☐ Santa Margarita River    ☑ Whitewater River

Please note: If your project is within the San Jacinto River as shown on the RCLIS, please check Santa Ana River above and use the Santa Ana River worksheet, "Checklist for Identifying Projects Requiring a Project-Specific Water Quality Management Plan (WQMP) within the Santa Ana River Region" on the following pages.
HAZARDOUS WASTE AND SUBSTANCES STATEMENT

Government Code Section 65962.5 requires the applicant for any development project to consult specified state-prepared lists of hazardous waste sites and submit a signed statement to the local agency indicating whether the project and any alternatives are located on an identified site and shall specify any lists. Under the statute, no application shall be accepted as complete without this signed statement.

I (We) certify that I (we) have investigated our project and any alternatives with respect to its location on an identified hazardous waste site contained on all lists compiled pursuant to Government Code Section 65962.5 and that my (our) answers are true and correct. My (Our) investigation has shown that:

☑ The development project and any alternatives proposed in this application are not contained on the lists compiled pursuant to Section 65962.5 of the Government Code.

☐ The development project and any alternatives proposed in this application are contained on the lists compiled pursuant to Section 65962.5 of the Government Code. Accordingly, the following information is provided and incorporated herein. Attach a separate sheet setting forth the following information with respect to each list.

Name of Applicant: VERIZON Wireless
Address: 15005 Sand Canyon Ave, Bldg D1
Phone number: 714.309.0354
Address of site (street name and number if available, and ZIP Code): 55860 Haugen Lehman Wy
Local Agency: County of Riverside
Assessor's Book Page, and Parcel Number:
Specify any list pursuant to Section 65962.5 of the Government Code:
Regulatory Identification number:
Date of list:
Applicant (1) ELAINE YANG Date 2.26.15
Applicant (2) _________________________________________________________________________ Date

HAZARDOUS MATERIALS DISCLOSURE STATEMENT

Government Code Section 65850.2 requires the owner or authorized agent for any development project to disclose whether:

1. Compliance will be needed with the applicable requirements of Section 25505 and Article 2 (commencing with Section 25531) of Chapter 6.95 of Division 20 of the Health and Safety Code or the requirements for a permit for construction or modification from the air pollution control district or air quality management district exercising jurisdiction in the area governed by the County.

Yes ☐ No ☑
2. The proposed project will have more than a threshold quantity of a regulated substance in a process or will contain a source or modified source of hazardous air emissions.
Yes ☐ No ☑

I (we) certify that my (our) answers are true and correct.

**Proposed Project Consists of New Construction on a Previously Disturbed and Undisturbed Parcel includes:**

- Single-family hillside residences that create 10,000 square feet, or more, of impervious area where the natural slope is 25% or greater.  
- Single-family hillside residences that create 10,000 square feet of impervious area where the natural slope is 10% or greater where erosive soil conditions are known.  
- Commercial and Industrial developments of 100,000 square feet or more.  
- Retail gasoline outlets disturbing greater than 5,000 square feet.  
- Restaurants disturbing greater than 5,000 square feet. (Standard Industrial Classification (SIC) Code 5812: Establishments primarily engaged in the retail sale of prepared food and drinks for on-premise or immediate consumption, including, but not limited to: Automats (eating places), Beaneries, Box lunch stands, Buffets (eating places), Cafes, Cafeterias, Carry-out restaurants, Caterers, Coffee shops, Commisary restaurants, Concession stands, prepared food (e.g., in airports and sports arenas), Contract feeding, Dairy bars, Diners (eating places), Dining rooms, Dinner theaters, Drive-in restaurants, Fast food restaurants, Food bars, Food service (institutional), Frozen custard stands, Grills (eating places), Hamburger stands, Hot dog (frankfurter) stands, Ice cream stands, Industrial feeding, Lunch bars, Lunch counters, Luncheonettes, Lunchrooms, Oyster bars, Pizza parlors, Pizzerias, Refreshment stands, Restaurants, Sandwich bars or shops, Snack shops, Soda fountains, Soft drink stands, Submarine sandwich shops, and Tea rooms.)  
- Home subdivisions with 10 or more housing units.  
- Parking lots of 5,000 square feet or more, or with 25 or more parking spaces, and potentially exposed to Urban Runoff.

**DETERMINATION:** Circle appropriate determination.

If **any** question answered “YES” Project requires a project-specific WQMP.

If **all** questions answered “NO” Project requires incorporation of Site Design Best Management Practices (BMPs) and Source Control BMPs imposed through Conditions of Approval or permit conditions.
NOTICE OF PUBLIC HEARING

A PUBLIC HEARING has been scheduled, pursuant to Riverside County Land Use Ordinance No. 348, before the RIVERSIDE COUNTY DIRECTOR’S HEARING to consider the project shown below:

PLOT PLAN NO. 25799 – CEQA Exempt - Applicant: Verizon Wireless – Engineer Representative: Core Development Services – Owner: Artak Tovmasyan – Fifth Supervisorial District – Whitewater Zoning Area – Western Coachella Valley Area Plan – Land Use Designation: Community Development: Medium Density Residential (CD: MDR) (2–5 du/ac) – Location: southerly of Tamarack Road, westerly of Mesquite Road, northerly of Interstate 10, and easterly of Haugen-Lehman Way – Zoning: Rural Residential (R-R) - REQUEST: Permit the co-location of an existing unmanned wireless telecommunication facility that will include the installation of twelve (12) panel antennas, one (1) microwave dish, three (3) fiber demarcation boxes, six (6) A2 module units and six (6) RRUs mounted to an existing 77 foot tall monopole. The proposed project also includes the installation of three (3) equipment cabinets, two (2) battery cabinets, one (1) stand-by generator and three (3) GPS antennas within 352 sq. ft. lease area.

TIME OF HEARING: 1:30 pm or as soon as possible thereafter
DATE OF HEARING: JUNE 13, 2016
PLACE OF HEARING: RIVERSIDE COUNTY PERMIT CENTER
77-588 EL DUNA COURT, SUITE H
PALM DESERT, CA 92211

For further information regarding this project, please contact Tim Wheeler, Project Planner at 951-955-6060 or e-mail twheeler@rcfma.org, or go to the County Planning Department’s Director’s Hearing agenda web page at http://planning.rcfma.org/PublicHearings.aspx.

The Riverside County Planning Department has determined that the above-described application is exempt from the provisions of the California Environmental Quality Act (CEQA). The Planning Director will consider the proposed application at the public hearing.

The case file for the proposed project may be viewed Monday through Friday, from 8:00 A.M. to 5:00 P.M. at the Planning Department office, located at 4080 Lemon St. 12th Floor, Riverside, CA 92501.

Any person wishing to comment on the proposed project may do so in writing between the date of this notice and the public hearing; or, may appear and be heard at the time and place noted above. All comments received prior to the public hearing will be submitted to the Planning Director, and the Planning Director will consider such comments, in addition to any oral testimony, before making a decision on the proposed project.

If this project is challenged in court, the issues may be limited to those raised at the public hearing, described in this notice, or in written correspondence delivered to the Planning Director at, or prior to, the public hearing. Be advised that as a result of public hearings and comment, the Planning Director may amend, in whole or in part, the proposed project. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the proposed project, may be changed in a way other than specifically proposed.

Please send all written correspondence to:
