AGENDA
RIVERSIDE COUNTY PLANNING DEPARTMENT
DIRECTOR’S HEARING
COUNTY ADMINISTRATIVE CENTER
1st Floor, Conference Room 2A
4080 Lemon Street, Riverside, CA 92501

NOTE: Please be aware that the indicated staff recommendation shown below for each item may differ from that presented to the Planning Director during the public hearing.

If you wish to speak, please complete a “SPEAKER IDENTIFICATION FORM” and give it to the Planning Director. The purpose of the public hearing is to allow interested parties to express their concerns. Please do not repeat information already given. If you have no additional information, but wish to be on record, simply give your name and address and state that you agree with the previous speaker(s).

In compliance with the Americans with Disabilities Act, if you require reasonable accommodations please contact the TLMA Commission Secretary at (951) 955-7436 or e-mail at esarabia@rivco.org. Requests should be made 72 hours in advance or as soon as possible prior to the scheduled meeting. Alternative formats are available upon request.

1.0 CONSENT CALENDAR:
NONE

2.0 PUBLIC HEARINGS: CONTINUED ITEMS: 1:30 p.m. or as soon as possible thereafter.

2.1 VARIANCE NO. 1901 – Exempt from the California Environmental Quality Act (CEQA) section 15303 (New Construction and Conversion of Small Structures) and 15311 (Accessory Structures) – Applicant: AD/S Companies – Engineer/Representative: AD/S Companies c/o Robin Bell – Second Supervisorial District – East Corona Zoning District – Temescal Canyon Area Plan: Community Development: Light Industrial (CD-LI) – Location: Southerly of Magnolia Avenue, easterly of Lincoln Street, westerly of Buchanan Street, and northerly of Harlow Avenue – 4.11 acres – Zoning: Manufacturing – Service Commercial (M-SC) – REQUEST: A variance to allow for the increased square-footage and height for a proposed on premise sign for the existing business park complex known as the Magnolia Auto Park. Continued from September 11, 2017. Project Planner: Tim Wheeler at (951) 955-6060 or email at twheeler@rivco.org.

2.2 VARIANCE NO. 1902 – Exempt from the California Environmental Quality Act (CEQA) section 15303 (New Construction and Conversion of Small Structures) and 15311 (Accessory Structures) – Applicant: AD/S Companies – Engineer/Representative: AD/S Companies c/o Robin Bell – Second Supervisorial District – East Corona Zoning District – Temescal Canyon Area Plan: Community Development: Light Industrial (CD-LI) – Location: Southerly of Magnolia Avenue, easterly of Lincoln Street, westerly of Buchanan Street, and northerly of Harlow Avenue – 3.59 acres - Zoning: Manufacturing: Service Commercial (M-SC) – REQUEST: A variance to allow for the increased square-footage and height for a proposed on premise sign for the existing commercial business known as StorQuest. Continued from September 11, 2017. Project Planner: Tim Wheeler at (951) 955-6060 or email at twheeler@rivco.org.

3.0 PUBLIC HEARINGS: NEW ITEMS: 1:30 p.m. or as soon as possible thereafter.

3.1 PLOT PLAN NO. 23327 – Exempt from the California Environmental Quality Act (CEQA), Section 15303 (New Construction or Conversion of Small Structures) – Applicant: Maria Brambila – Engineer/Representative: Ventura Engineering, LLC – First Supervisorial District – Good Hope Zoning Area – Mead Valley Area Plan: Community Development: Medium Density Residential (CD-MDR) – Mixed Use Area (MUA) – Highway 74 Perris Policy Area – Location: Northerly of Dockery Lane, southerly of 7th Street, easterly of Clayton Street, and westerly of State Highway 74 – 3.6 gross acres – Zoning: Rural Residential (R-R) – Mixed Use (MU) – REQUEST: Plot Plan No. 23327 is a request to entitle an existing feed and hay sales facility, in conjunction with an existing residence, on two (2) parcels, totaling 3.6 gross acres. Project Planner: John E. Hildebrand at (951) 955-1888 or email jhildebr@rivco.org.

4.0 PUBLIC COMMENTS:
COUNTY OF RIVERSIDE PLANNING DEPARTMENT
STAFF REPORT

PROJECT DESCRIPTION:

Variance No. 1901 ("Project") is a request to increase the height of a proposed sign from the maximum height of 45 feet to 79 feet tall. Additionally, the request is also to increase the square-footage of the sign from the maximum of 150 square-feet to 216 square-feet.

Variance No. 1901 is associated with Plot Plan No. 26133, which will be considered ministerially by the Assistant TLMA Director if Variance No. 1901 is granted. Plot Plan No. 26133 will allow the construction of an on-premises monument/pole sign for the business park complex.

PROJECT LOCATION:

Variance No. 1901 is associated with Plot Plan No. 26133, which is located south of Magnolia Avenue, east of Lincoln Street, west of Buchanan Street, and north of Harlow Avenue at 12490 Magnolia Avenue.

PROJECT BACKGROUND:

The basis of this request is the loss of visibility of the business due to the Magnolia Avenue bridge/overpass project. The Magnolia Avenue bridge/overpass project began in May of 2014. Since then and its completion, the business has been impacted by the loss of visibility and signage advertising due to this road improvement project. Based on the application's crane test, it was determined that the proposed request of an 79 foot tall, 216 square-foot sign would present the best visibility for vehicles approaching and crossing the Magnolia Avenue bridge/overpass.

SUMMARY OF FINDINGS:

1. Existing General Plan Land Use: Community Development: Light Industrial (CD: LI)
2. Surrounding General Plan Land Use: Community Development: Light Industrial (CD: LI) and Community Development: Medium Density Residential (CD: MDR), City of Riverside; and the City of Corona.
3. Existing Zoning: Manufacturing – Service Commercial (M-SC)
4. Surrounding Zoning: Manufacturing – Service Commercial (M-SC) and One-Family Dwelling (R-1), City of Riverside; and the City of Corona.
5. Existing Land Use: Existing business park complex consisting of mainly auto related business.

6. Surrounding Land Use: Existing business park complexes, self-storage business, a residential development, and a mobile home park located in the City of Riverside.

7. Project Data: Total Net Acreage: 4.11 acres
   Variance no. 1901 will allow for a sign with a Total Square-Footage of 216 sq. ft.

8. Environmental Concerns: CEQA Exemption per Section 15303 (New Construction and Conversion of Small Structures) and 15311 (Accessory Structures)

RECOMMENDATIONS:

FIND VARIANCE NO. 1901 EXEMPT from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15303 (New Construction and Conversion of Small Structures) and 15311 (Accessory Structures), based on the findings incorporated in the staff report and the conclusion that the project will not have a significant effect on the environment; and,

APPROVE VARIANCE NO. 1901, based upon the findings and conclusions incorporated in the staff report.

FINDINGS: The following findings are in addition to those incorporated in the summary of findings.

1. Pursuant to Ordinance No. 348, a Variance may be granted when, because of special circumstances applicable to a parcel of property, including size, shape, topography, location or surroundings, the strict application the development standards provided in Ordinance No. 348 deprives such property of privileges enjoyed by other property in the vicinity that is under the same zoning classification.

2. Variance No. 1901 is necessary because of the special circumstances of the parcel’s location, topography and surroundings, which deprive it of privileges enjoyed by other properties in the vicinity under the same zoning classification. The property used to directly front Magnolia Avenue; however, the construction of the Magnolia Avenue Overpass has blocked views of the subject property, reducing the onsite business’s visibility. A frontage road now accesses the property where the property previously fronted on Magnolia Avenue. Drivers on the Magnolia Avenue Overpass cannot not see the subject property at all as they traverse the overpass due to the overpass’s height and speed limit. Onsite signage allowed with a Plot Plan under Ordinance No. 348, limited to 45 feet in height and a maximum display face of 150 square feet, will not be adequate to overcome the height of the overpass, or the speeds involved on the overpass, and therefore will not be seen by drivers traveling on Magnolia Avenue. The display face of the sign would need to be increased from 150 square feet to 216 square feet to be readable.

Further, other properties on Magnolia Avenue with the same zoning classification are not impacted by the overpass, as their businesses and signage are not blocked from view by the highest peak of the overpass. Therefore, the subject property is deprived of privileges enjoyed by other properties in the vicinity that are under the same zoning classification. By allowing the height of the sign to be increased from 45 feet to 79 feet, and the display face to be increased from 150 square feet to 216 square feet via Variance No. 1901, drivers will be able to see the sign as they drive...
either direction on the Magnolia Avenue Overpass, and the subject property will be afforded the same privileges as surrounding properties with the same zoning classification.

3. The project’s associated proposed sign and pole is not located within a Criteria Cell of the Multi-Species Habitat Conservation Plan.

4. The project’s associated proposed sign and pole is within the City Sphere of Influence of the City of Corona. It is also within approx. 480 feet of the City of Riverside. As such, both the City of Corona and the City of Riverside will be notified with the public noticing regarding this variance for signage.

5. The project’s associated proposed sign and pole is not located within a CAL FIRE state responsibility area or a very high fire hazard severity zone.

6. The project’s associated proposed sign and pole is within the Stephens Kangaroo Rat Fee Area (SKR). This variance project site is currently a developed site for a self-storage business. The SKR fee is already paid for the project site and covers the location of the proposed on-site sign.

7. The project’s associated proposed sign and pole is within a high liquefaction area. The proposed on-site sign and pole will be constructed to current California Building Code (CBC) requirements so as to address potential liquefaction concerns.

8. Variance No. 1901’s associated plot plan is a ministerial action that will be processed separately from Variance No. 1901. If granted, Variance No. 1901 will allow for a 79 foot tall sign and pole with a 216 square foot sign. The proposed project has been determined to be categorically exempt from CEQA, as set forth per Section 15311 (Accessory Structures) of the State CEQA Guidelines. Section 15311 exempts the construction, or replacement of minor structures accessory to (appurtenant to) existing commercial, industrial, or institutional facilities, including but not limited to (a) on premise signs. The proposed project variance is exempt under Section 15311 because it is for the placement of a sign on the premises of an existing commercial or business park complex.

In addition, the proposed project has been determined to be categorically exempt per Section 15303 (New Construction and Conversion of Small Structures) of the State CEQA Guidelines. Section 15303 exempts the construction and location of limited numbers of new, small facilities, or structures, including accessory (appurtenant) structures such as garages, carports, patios and fences. Like a fence, the structure here, a pole sign for an existing commercial or business park complex is a small structure appurtenant to the existing main structure. Therefore, the proposed project is categorically exempt from CEQA.

Finally, the proposed project is qualified for exemption due to its location. The project is insignificant in its environmental impact in comparison to the greater impact caused by the recently completed Magnolia Avenue overpass/bridge; as the proposed project is the addition of a pole sign with minimal environmental or ground disturbance.

CONCLUSIONS:

1. Special circumstances exist due to the location and surroundings of the property; therefore, the granting of this variance is appropriate.

2. The public’s health, safety, and general welfare are protected through this variance.
3. The proposed variance is compatible with the present and future logical development of the area.

4. The proposed variance will not have a significant effect on the environment.

5. The proposed variance will not preclude reserve design for the Western Riverside County Multiple Species Habitat Conservation Plan (WRCMSHCP).

INFORMATIONAL ITEMS:

1. As of this writing, no letters, in support or opposition have been received.

2. The variance project site is not located within:
   a. A 100-year flood plain, an area drainage plan, or dam inundation area; or,
   b. A High Fire Area or Fire Responsibility Area; or,
   c. A County Service Area (CSA)

3. The variance project site is located within:
   a. The cities of Corona & Riverside sphere of influence; and,
   b. The Stephens Kangaroo Rat Fee Area or Core Reserve Area; and
   c. A high liquefaction area

4. The subject site is currently designated as Assessor’s Parcel Nos. 135-170-020 and 031.
Memorandum

Date: September 6, 2017

To: Hearing Officer for Director's Hearing dated September 11, 2017

From: Tim Wheeler, Project Planner

RE: VAR01901 (variance for increased height and size for signage for Magnolia Business Park)

To whom it may concern and the Director’s Hearing Officer,

This memo is to inform you of the need to continue Items 3.1 from today’s hearing agenda. Planning requests that VAR01901 be continued to a date certain date of October 16, 2017.

Sincerely,

Tim Wheeler, Project Planner
NOTICE OF PUBLIC HEARING

A PUBLIC HEARING has been scheduled, pursuant to Riverside County Land Use Ordinance No. 348, before the RIVERSIDE COUNTY DIRECTOR’S HEARING to consider the project shown below:

VARIANCE NO. 1901 – Exempt from the California Environmental Quality Act (CEQA) section 15303 (New Construction and Conversion of Small Structures) and 15311 (Accessory Structures) – Applicant: AD/S Companies – Engineer/Representative: AD/S Companies c/o Robin Bell – Second Supervisorial District – East Corona Zoning District – Temescal Canyon Area Plan: Community Development: Light Industrial (CD-LI) – Location: Southerly of Magnolia Avenue, easterly of Lincoln Street, westerly of Buchanan Street, and northerly of Harlow Avenue – 4.11 acres – Zoning: Manufacturing – Service Commercial (M-SC) – REQUEST: A variance to allow for the increased square-footage and height for a proposed on premise sign for the existing business park complex known as the Magnolia Auto Park.

TIME OF HEARING: 1:30 pm or as soon as possible thereafter
DATE OF HEARING: SEPTEMBER 11, 2017
PLACE OF HEARING: RIVERSIDE COUNTY ADMINISTRATIVE CENTER
1ST FLOOR, CONFERENCE ROOM 2A
4080 LEMON STREET, RIVERSIDE, CA 92501

For further information regarding this project please contact Project Planner Tim Wheeler at (951) 955-6060 or email at twheeler@rivco.org, or go to the County Planning Department’s Director’s Hearing agenda web page at http://planning.rctlma.org/PublicHearings.aspx.

The Riverside County Planning Department has determined that the above-described application is exempt from the provisions of the California Environmental Quality Act (CEQA). The Planning Director will consider the proposed application at the public hearing.

The case file for the proposed project may be viewed Monday through Friday, from 8:00 A.M. to 5:00 P.M. at the Planning Department office, located at 4080 Lemon St. 12th Floor, Riverside, CA 92501.

Any person wishing to comment on the proposed project may do so in writing between the date of this notice and the public hearing; or, may appear and be heard at the time and place noted above. All comments received prior to the public hearing will be submitted to the Planning Director, and the Planning Director will consider such comments, in addition to any oral testimony, before making a decision on the proposed project.

If this project is challenged in court, the issues may be limited to those raised at the public hearing, described in this notice, or in written correspondence delivered to the Planning Director at, or prior to, the public hearing. Be advised that as a result of public hearings and comment, the Planning Director may amend, in whole or in part, the proposed project. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the proposed project, may be changed in a way other than specifically proposed.

Please send all written correspondence to:

RE: VAR01901 (increase height for sign pole and increased square-footage size for sign for Magnolia Business Park)

City Planning Personnel,

The County of Riverside wants to inform you of a pending variance for a signage project near your city’s boarders. You will be receiving notification in the next week of the project going to a Director’s Hearing. The variance is to allow the Magnolia Business Park to erect a pole sign, larger in height and square-footage size, to allow it to be seen from the now existing Magnolia Avenue overpass/bridge. The sign pole will increase from a maximum of 45 feet to 79 feet tall. Additionally, the sign square-footage will increase from a maximum of 150 square-feet to 216 square-feet.

If you have any further questions, please feel free to contact the project planner Tim Wheeler at 951-955-6060 or email him at twheeler@rivco.org.

Sincerely,

Charissa Leach, Assistant TLMA Director

INDEMNIFICATION AGREEMENT

This INDEMNIFICATION AGREEMENT ("Agreement"), made by and between the COUNTY OF RIVERSIDE, a political subdivision of the State of California ("COUNTY"), and VGT Properties, LLC, a California limited liability company, T.M. Stanford, LLC, a California limited liability company, MCA Magnolia, LLC, a California limited liability company, and T&C Development, Inc., a California corporation, ("PROPERTY OWNER"), relating to the PROPERTY OWNER'S indemnification of the COUNTY under the terms set forth herein:

WITNESSETH:

WHEREAS, the PROPERTY OWNER has a legal interest in the certain real property described as APNs 135-170-020 and 135-170-031 ("PROPERTY"); and,

WHEREAS, on November 3, 2016, PROPERTY OWNER filed an application for Plot Plan 26133 ("PROJECT"); and,

WHEREAS, judicial challenges of projects requiring discretionary approvals, including, but not limited to, California Environmental Quality Act determinations, are costly and time consuming. Additionally, project opponents often seek an award of attorneys' fees in such challenges; and,

WHEREAS, since property owners are the primary beneficiaries of such approvals, it is appropriate that such owners bear the expense of defending against any such judicial challenge, and bear the responsibility of any costs, attorneys' fees and damages which may be awarded to a successful challenger; and,

WHEREAS, in the event a judicial challenge is commenced against the PROJECT, the COUNTY has requested and the PROPERTY OWNER has agreed to defend, indemnify and hold harmless the COUNTY, its agents, officers, or employees from any claim, action or proceeding against the COUNTY, its agents, officers, or employees to attack, set aside, void or annul any approval of the COUNTY, its advisory agencies, appeal boards, or legislative body concerning the PROJECT or its associated environmental documentation ("LITIGATION"); and,

WHEREAS, this Agreement is entered into by the COUNTY and PROPERTY OWNER to establish specific terms concerning PROPERTY OWNER'S indemnification obligation for the PROJECT.

NOW, THEREFORE, it is mutually agreed between COUNTY and PROPERTY OWNER as follows:

1. Indemnification. PROPERTY OWNER, at its own expense, shall defend, indemnify and hold harmless the COUNTY, its agents, officers, and
employees from and against any claim, action or proceeding brought against the COUNTY, its agents, officers, and employees to attack, set aside, void or annul any approval of the PROJECT including any associated costs, damages, and expenses including, but not limited to, costs associated with Public Records Act requests submitted to the COUNTY related to the PROJECT and an award of attorneys’ fees and costs incurred or arising out of the above-referenced claim, action or proceeding brought against the COUNTY ("Indemnification Obligation.")

2. **Defense Cooperation.** PROPERTY OWNER and the COUNTY shall reasonably cooperate in all aspects of the LITIGATION. Nothing contained in this Agreement, however, shall be construed to limit the discretion of COUNTY, in the interest of the public welfare, to settle, defend, appeal or to decline to settle or to terminate or forego defense or appeal of the LITIGATION. It is also understood and agreed that all litigation pleadings are subject to review, revision and approval by COUNTY’s Office of County Counsel.

3. **Representation and Payment for Legal Services Rendered.** COUNTY shall have the absolute right to approve any and all counsel retained to defend COUNTY in the LITIGATION. PROPERTY OWNER shall pay the attorneys’ fees and costs of the legal firm retained by PROPERTY OWNER to represent the COUNTY in the LITIGATION. Failure by PROPERTY OWNER to pay such attorneys’ fees and costs may be treated as an abandonment of the PROJECT and as a default of PROPERTY OWNER’s obligations under this Agreement.

4. **Payment for COUNTY’s LITIGATION Costs.** Payment for COUNTY’s costs related to the LITIGATION shall be made on a deposit basis. LITIGATION costs include any associated costs, fees, damages, and expenses as further described in Section 1. herein as Indemnification Obligation. Within thirty (30) days of receipt of notice from COUNTY that LITIGATION has been initiated against the PROJECT, PROPERTY OWNER shall initially deposit with the COUNTY’s Planning Department the total amount of Twenty Thousand Dollars ($20,000). PROPERTY OWNER shall deposit with COUNTY such additional amounts as COUNTY reasonably and in good faith determines, from time to time, are necessary to cover costs and expenses incurred by the COUNTY, including but not limited to, the Office of County Counsel, Riverside County Planning Department and the Riverside County Clerk of the Board associated with the LITIGATION. Within ten (10) days of written notice from COUNTY, PROPERTY OWNER shall make such additional deposits. Collectively, the initial deposit and additional deposits shall be referred to herein as the “Deposit.”

5. **Return of Deposit.** COUNTY shall return to PROPERTY OWNER any funds remaining on deposit after ninety (90) days have passed since final adjudication of the LITIGATION.
6. **Notices.** For all purposes herein, notices shall be effective when personally delivered, delivered by commercial overnight delivery service, or sent by certified or registered mail, return receipt requested, to the appropriate address set forth below:

**COUNTY:**
Office of County Counsel  
Attn: Melissa Cushman  
3960 Orange Street, Suite 500  
Riverside, CA 92501

**PROPERTY OWNER:**
VGT Properties, LLC  
T.M. Stanford, LLC  
MCA Magnolia, LLC  
T&C Development, Inc.  
c/o MCA Realty, Inc. (Magnolia Business Park, LLC)  
Attn: Dalida Silverman  
1600 Chicago Ave., Suite R-1  
Riverside, CA 92507

7. **Default and Termination.** This Agreement is not subject to termination, except by mutual agreement or as otherwise provided herein. In the event of a default of PROPERTY OWNER’s obligations under this Agreement, COUNTY shall provide written notification to PROPERTY OWNER of such alleged default and PROPERTY OWNER shall have ten (10) days after receipt of written notification to cure any such alleged default. If PROPERTY OWNER fails to cure such alleged default within the specified time period or otherwise reach agreement with the COUNTY on a resolution of the alleged default, COUNTY may, in its sole discretion, do any of the following or combination thereof:

a. Deem PROPERTY OWNER’s default of PROPERTY OWNER’s obligations as abandonment of the PROJECT and as a breach of this Agreement;
b. Rescind any PROJECT approvals previously granted;
c. Settle the LITIGATION.

In the event of a default, PROPERTY OWNER shall remain responsible for any costs and attorney’s fees awarded by the Court or as a result of settlement and other expenses incurred by the COUNTY related to the LITIGATION or settlement.

8. **COUNTY Review of the PROJECT.** Nothing in this Agreement shall be construed to limit, direct, impede or influence the COUNTY’s review and consideration of the PROJECT.

9. **Complete Agreement/Governing Law.** This Agreement represents the complete understanding between the parties with respect to matters set forth herein. This Agreement shall be construed in accordance with the laws of the State of California.
10. **Successors and Assigns.** The obligations specific herein shall be made, and are binding on the successors in interest of the PROPERTY OWNER, whether the succession is by agreement, by operation of law or by any other means.

11. **Amendment and Waiver.** No modification, waiver, amendment or discharge of this Agreement shall be valid unless the same is in writing and signed by all parties.

12. **Severability.** If any term, provision, covenant or condition of this Agreement is held to be invalid, void or otherwise unenforceable, to any extent, by any court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby, and each term, provision, covenant or condition of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

13. **Survival of Indemnification.** The parties agree that this Agreement shall constitute a separate agreement from any PROJECT approval, and if the PROJECT, in part or in whole, is invalidated, rendered null or set aside by a court of competent jurisdiction, the parties agree to be bound by the terms of this Agreement, which shall survive such invalidation, nullification or setting aside.

14. **Interpretation.** The parties have been advised by their respective attorneys, or if not represented by an attorney, represent that they had an opportunity to be so represented in the review of this Agreement. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in interpreting this Agreement.

15. **Captions and Headings.** The captions and section headings used in this Agreement are inserted for convenience of reference only and are not intended to define, limit or affect the construction or interpretation of any term or provision hereof.

16. **Jurisdiction and Venue.** Any action at law or in equity arising under this Agreement or brought by a party hereto for the purpose of enforcing, construing or determining the validity of any provision of this Agreement shall be filed in the Courts of Riverside County, State of California, and the parties hereto waive all provisions of law providing for the filing, removal or change of venue to any other court or jurisdiction.

17. **Counterparts; Facsimile & Electronic Execution.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document. To facilitate execution of this Agreement, the parties may execute and exchange facsimile or electronic counterparts, and facsimile or electronic counterparts shall serve as originals.
18. **Joint and Several Liability.** In the event there is more than one PROPERTY OWNER, the liability of PROPERTY OWNER shall be joint and several, and PROPERTY OWNER each of them shall be jointly and severally liable for performance of all of the obligations of PROPERTY OWNER under this Agreement.

19. **Effective Date.** The effective date of this Agreement is the date the parties sign the Agreement. If the parties sign the Agreement on more than one date, then the last date the Agreement is signed by a party shall be the effective date.

(Agreement and signatures continued on next page)
IN WITNESS WHEREOF, the parties hereto have duly caused this Agreement to be executed by their authorized representatives as of the date written.

"Planning Our Future... Preserving Our Past"
APPLICATION FOR LAND USE AND DEVELOPMENT

☐ Check this box if additional persons or entities have an ownership interest in the subject property(ies) in addition to that indicated above; and attach a separate sheet that references the use permit type and number and list those names, mailing addresses, phone and fax numbers, and email addresses; and provide signatures of those persons or entities having an interest in the real property(ies) involved in this application.

AUTHORITY FOR THIS APPLICATION IS HEREBY GIVEN:

I certify that I am/we are the record owner(s) or authorized agent, and that the information filed is true and correct to the best of my knowledge, and in accordance with Govt. Code Section 66105, acknowledge that in the performance of their functions, planning agency personnel may enter upon any land and make examinations and surveys, provided that the entries, examinations, and surveys do not interfere with the use of the land by those persons lawfully entitled to the possession thereof.

(If an authorized agent signs, the agent must submit a letter signed by the owner(s) indicating authority to sign on the owner(s)’s behalf, and if this application is submitted electronically, the “wet-signed” signatures must be submitted to the Planning Department after submittal but before the use permit is ready for public hearing.)

[Signatures]

PRINTED NAME OF PROPERTY OWNER(S)  SIGNATURE OF PROPERTY OWNER(S)

PRINTED NAME OF PROPERTY OWNER(S)  SIGNATURE OF PROPERTY OWNER(S)

The Planning Department will primarily direct communications regarding this application to the person identified above as the Applicant. The Applicant may be the property owner, representative, or other assigned agent.

AUTHORIZATION FOR CONCURRENT FEE TRANSFER

The applicant authorizes the Planning Department and TLMA to expedite the refund and billing process by transferring monies among concurrent applications to cover processing costs as necessary. Fees collected in excess of the actual cost of providing specific services will be refunded. If additional funds are needed to complete the processing of this application, the applicant will be billed, and processing of the application will cease until the outstanding balance is paid and sufficient funds are available to continue the processing of the application. The applicant understands the deposit fee process as described above, and that there will be NO refund of fees which have been expended as part of the application review or other related activities or services, even if the application is withdrawn or the application is ultimately denied.

PROPERTY INFORMATION:

Assessor’s Parcel Number(s): 135170020-9 and (135170031-9)

Approximate Gross Acreage: 1.39 acres and 3.72 acres

General location (nearby or cross streets): North of Indiana, South of McKinley, East of Lincoln, West of Buchanan
APPLICATION FOR LAND USE AND DEVELOPMENT

PROJECT PROPOSAL:

Describe the proposed project.

Identify the applicable Ordinance No. 348 Section and Subsection reference(s) describing the proposed land use(s):

Number of existing lots: ___

### EXISTING Buildings/Structures: Yes ☐ No ☐

Related cases filed in conjunction with this application:

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

Are there previous development applications filed on the subject property: Yes ☐ No ☐

If yes, provide Application No(s).

__________________________________________________________________________
(e.g. Tentative Parcel Map, Zone Change, etc.)

Initial Study (EA) No. (if known) ________________ EIR No. (if applicable): ________________

Have any special studies or reports, such as a traffic study, biological report, archaeological report, geological or geotechnical reports, been prepared for the subject property? Yes ☐ No ☐

If yes, indicate the type of report(s) and provide a signed copy(ies):

__________________________________________________________________________
__________________________________________________________________________

Is the project located within 1,000 feet of a military installation, beneath a low-level flight path or within special use airspace as defined in Section 21098 of the Public Resources Code, and within an urbanized area as defined by Government Code Section 65944? Yes ☐ No ☐

Is this an application for a development permit? Yes ☐ No ☐

If the project located within either the Santa Ana River/San Jacinto Valley watershed, the Santa Margarita River watershed, or the Whitewater River watershed, check the appropriate checkbox below.

If not known, please refer to Riverside County’s Map My County website to determine if the property is located within any of these watersheds (search for the subject property's Assessor’s Parcel Number, then select the "Geographic" Map Layer → then select the "Watershed" sub-layer)

If any of the checkboxes are checked, click on the adjacent hyperlink to open the applicable Checklist Form. Complete the form and attach a copy as part of this application submittal package.

☐ Santa Ana River/San Jacinto Valley

☐ Santa Margarita River

☐ Whitewater River
If the applicable Checklist has concluded that the application requires a preliminary project-specific Water Quality Management Plan (WQMP), such a plan shall be prepared and included with the submission of this application.

HAZARDOUS WASTE AND SUBSTANCES STATEMENT

The development project and any alternatives proposed in this application are contained on the lists compiled pursuant to Section 65962.5 of the Government Code. Accordingly, the project applicant is required to submit a signed statement that contains the following information:

Name of Applicant: TLC Development, VGT Properties, Tim Stanford and Magnolia

Address: 1600 Chicago Ave Suite R-1 Riverside CA 92507

Phone number: 951-682-1200

Address of site (street name and number if available, and ZIP Code): 12490, 12520, 12570 + 12590 Magnolia Ave

Local Agency: County of Riverside

Assessor's Book Page, and Parcel Number: Panel #1 135170020-9 135170031-9

Specify any list pursuant to Section 65962.5 of the Government Code:

Regulatory Identification number:

Date of list: 7/28/16

Applicant: [Signature]

HAZARDOUS MATERIALS DISCLOSURE STATEMENT

Government Code Section 65850.2 requires the owner or authorized agent for any development project to disclose whether:

1. Compliance will be needed with the applicable requirements of Section 25505 and Article 2 (commencing with Section 25531) of Chapter 6.95 of Division 20 of the Health and Safety Code or the requirements for a permit for construction or modification from the air pollution control district or air quality management district exercising jurisdiction in the area governed by the County. Yes ☐ No ☒

2. The proposed project will have more than a threshold quantity of a regulated substance in a process or will contain a source or modified source of hazardous air emissions. Yes ☐ No ☒

I (we) certify that my (our) answers are true and correct.

Owner/Authorized Agent (1): [Signature] Date: 7/28/16

Owner/Authorized Agent (2): [Signature] Date: 7/28/16
APPLICATION FOR LAND USE AND DEVELOPMENT

This completed application form, together with all of the listed requirements provided on the Land Use and Development Application Filing Instructions Handout, are required in order to file an application with the County of Riverside Planning Department.

PROPERTY OWNERS CERTIFICATION FORM

I, ___________VINNIE NGUYEN___________ certify that on ______Aug 24, 2017_________,

The attached property owners list was prepared by ________Riverside County GIS_________.

APN (s) or case numbers ___________VAR01901_________ For

Company or Individual's Name ___________RCIT - GIS_________

Distance buffered ___________600' ___________

Pursuant to application requirements furnished by the Riverside County Planning Department. Said list is a complete and true compilation of the owners of the subject property and all other property owners within 600 feet of the property involved, or if that area yields less than 25 different owners, all property owners within a notification area expanded to yield a minimum of 25 different owners, to a maximum notification area of 2,400 feet from the project boundaries, based upon the latest equalized assessment rolls. If the project is a subdivision with identified off-site access/improvements, said list includes a complete and true compilation of the names and mailing addresses of the owners of all property that is adjacent to the proposed off-site improvement/alignment.

I further certify that the information filed is true and correct to the best of my knowledge. I understand that incorrect or incomplete information may be grounds for rejection or denial of the application.

Riverside, CA 92502-1409

Project Title/Case No.: VAR01901

Project Location: In the unincorporated area of Riverside County, more specifically located 12490 Magnolia Avenue

Project Description: A variance to allow for the increased square-footage and height for a proposed on premise sign for the existing business park complex known as the Magnolia Auto Park. The on-site sign will be 216 square-feet in size on a proposed 79 foot tall signage pole.

Name of Public Agency Approving Project: Riverside County Planning Department

Project Applicant & Address: AD/S Companies 1160 Railroad St, Corona, CA 92882

Exempt Status: (Check one)
☐ Ministerial (Sec. 21080(b)(1); 15268)
☐ Declared Emergency (Sec. 21080(b)(3); 15269(a))
☐ Emergency Project (Sec. 21080(b)(4): 15269(b)(c))
☒ Categorical Exemption (Section 15303-New Construction and Conversion of Small Structures and Section 15311-Accessory Structure)
☐ Statutory Exemption (____________) Other: _______________________

Reasons why project is exempt: Variance No. 1901’s associated plot plan is a ministerial action that will be processed separately from Variance No. 1901. If granted, Variance No. 1901 will allow for a 79 foot tall sign and pole with a 216 square foot sign. The proposed project has been determined to be categorically exempt from CEQA, as set forth per Section 15303 (New Construction and Conversion of Small Structures) of the State CEQA Guidelines. Section 15303 exempts the construction and location of limited numbers of new, small facilities, or structures, Accessory (appurtenant) structures including garages, carports, and gates are examples of accessory structures. A pole sign to an existing commercial or business park complex is also an accessory structure. The proposed project variance is exempt under Section 15303 because it is for the placement of a sign on the premises of an existing commercial or business park complex and would be an accessory structure to that existing business use. The variance is to allow for a sign that will be larger in total square-footage and taller by height due to the newly constructed bridge/overpass on Magnolia Avenue that is near this complex. This will allow for visibility and advertising of the existing business complex to motorists along Magnolia Avenue and the bridge.

Variance No. 1901’s associated plot plan is a ministerial action that will be processed separately from Variance No. 1901. If granted, Variance No. 1901 will allow for a 79 foot tall sign and pole with a 216 square foot sign. The proposed project has been determined to be categorically exempt from CEQA, as set forth per Section 15311 (Accessory Structures) of the State CEQA Guidelines. Section 15311 exempts the construction, or replacement of minor structures necessary to (appurtenant to) existing commercial, industrial, or institutional facilities, including but not limited to (a) on premise signs. The proposed project variance is exempt under Section 15311 because it is for the placement of a sign on the premises of an existing commercial or business park complex. The variance is to allow for a sign that will be larger in total square-footage and taller by height due to the newly constructed bridge/overpass on Magnolia Avenue that is near this complex. This will allow for visibility and advertising of the existing business complex to motorists along Magnolia Avenue and the bridge.

Variance No. 1902
CEQA Exempt
Applicant: AD/S Companies
Engineer/Representative: AD/S Companies c/o Robin Bell

Charissa Leach P.E.
Assistant TLMA Director

COUNTY OF RIVERSIDE PLANNING DEPARTMENT
STAFF REPORT

PROJECT DESCRIPTION:

Variance No. 1902 ("Project") is a request to increase the height of a proposed sign from the maximum height of 45 feet to 80 feet tall. Additionally, the request is also to increase the square-footage of the sign from the maximum of 150 square-feet to 211 square-feet.

Variance No. 1902 is associated with Plot Plan No. 26135, which will be considered ministerially by the Assistant TLMA Director if Variance No. 1902 is granted. Plot Plan No. 26135 will allow the construction of an on-premises monument/pole sign for the self-storage facility.

PROJECT LOCATION:

Plot Plan No. 26135, associated with Variance No. 1902, is located south of Magnolia Avenue, east of Lincoln Street, west of Buchanan Street, and north of Harlow Avenue at 12530 Magnolia Avenue.

PROJECT BACKGROUND:

The basis of this request is the loss of visibility of the business due to the Magnolia Avenue bridge/overpass project. The Magnolia Avenue bridge/overpass project began in May of 2014. Since then and its completion, the business has been impacted by the loss of visibility and signage advertising due to this road improvement project. Based on the application's crane test, it was determined that the proposed request of an 80 foot tall, 211 square-foot sign would present the best visibility for vehicles approaching and crossing the Magnolia Avenue bridge/overpass.

SUMMARY OF FINDINGS:

1. Existing General Plan Land Use: Community Development: Light Industrial (CD: LI)
2. Surrounding General Plan Land Use: Community Development: Light Industrial (CD: LI) and Community Development: Medium Density Residential (CD: MDR). Near the Cities of Corona and Riverside.
3. Existing Zoning: Manufacturing – Service Commercial (M-SC)
4. Surrounding Zoning: Manufacturing – Service Commercial (M-SC) and One-Family Dwelling (R-1). Near the Cities of Corona and Riverside.

5. Existing Land Use: Existing self-storage facility.

7. Project Data: Total Net Acreage: 3.59 acres. Variance no. 1902 will allow for a sign with a Total Square-Footage of 211 sq. ft.

8. Environmental Concerns: CEQA Exemption per Section 15303 (New Construction and Conversion of Small Structures) and 15311 (Accessory Structures)

RECOMMENDATIONS:

FIND VARIANCE NO. 1902 EXEMPT from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15303 (New Construction and Conversion of Small Structures) and 15311 (Accessory Structures), based on the findings incorporated in the staff report and the conclusion that the project will not have a significant effect on the environment; and,

APPROVE VARIANCE NO. 1902, based upon the findings and conclusions incorporated in the staff report.

FINDINGS: The following findings are in addition to those incorporated in the summary of findings.

1. Pursuant to Ordinance No. 348, a Variance may be granted when, because of special circumstances applicable to a parcel of property, including size, shape, topography, location or surroundings, the strict application the development standards provided in Ordinance No. 348 deprives such property of privileges enjoyed by other property in the vicinity that is under the same zoning classification.

2. Variance No. 1902 is necessary because of the special circumstances of the parcel’s location, topography and surroundings, which deprive it of privileges enjoyed by other properties in the vicinity under the same zoning classification. The property used to directly front Magnolia Avenue; however, the construction of Magnolia Avenue Overpass has blocked views of the subject property, reducing the onsite business’s visibility. A frontage road now accesses the property where the property previously fronted on Magnolia Avenue. Drivers on Magnolia Avenue Overpass cannot see the subject property at all as they traverse the overpass due to the overpass’s height and speed limit. On-site signage allowed with a Plot Plan pursuant to Ordinance No. 348, limited to 45 feet in height and a maximum display face of 150 square feet, will not be adequate to overcome the height of the overpass, or the speeds involved on the overpass, and therefore will not be seen by drivers traveling on Magnolia Avenue. The display face of the sign would need to be increased from 150 square feet to 211 square feet to be readable.

Further, other properties with the same zoning classification are not impacted by the overpass, as their businesses and signage are not blocked from view by the highest peak of the overpass. Therefore the subject property is deprived of privileges enjoyed by other properties in the vicinity that are under the same zoning classification. By allowing the height of the sign to be increased
from 45 to 80 feet, drivers will be able to see the sign as they drive either direction on the Magnolia Avenue Overpass, and the subject property will be afforded the same privileges as surrounding properties with the same zoning classification.

3. The project's associated proposed sign and pole is not located within a Criteria Cell of the Multi-Species Habitat Conservation Plan.

4. The project's associated proposed sign and pole is within the City Sphere of Influence of the City of Corona. It is also within approx. 480 feet of the City of Riverside. As such, both the City of Corona and the City of Riverside will be notified with the public noticing regarding this variance for signage.

5. The project's associated proposed sign and pole is not located within a CAL FIRE state responsibility area or a very high fire hazard severity zone.

6. The project's associated proposed sign and pole is within the Stephens Kangaroo Rat Fee Area (SKR). This variance project site is currently a developed site for a self-storage business. The SKR fee is already paid for the project site and covers the location of the proposed on-site sign.

7. The project's associated proposed sign and pole is within a high liquefaction area. The proposed on-site sign and pole will be constructed to current California Building Code (CBC) requirements so as to address potential liquefaction concerns.

Variance No. 1902's associated plot plan is a ministerial action that will be processed separately from Variance No. 1902. If granted, Variance No. 1902 will allow for an 80 foot tall sign and pole with a 211 square foot sign. The proposed project has been determined to be categorically exempt from CEQA, as set forth per Section 15311 (Accessory Structures) of the State CEQA Guidelines. Section 15311 exempts the construction, or replacement of minor structures accessory to (appurtenant to) existing commercial, industrial, or institutional facilities, including but not limited to (a) on premise signs. The proposed project is exempt under Section 15311 because it is for the placement of a sign on the premises of an existing commercial or business park complex.

In addition, the proposed project has been determined to be categorically exempt per Section 15303 (New Construction and Conversion of Small Structures) of the State CEQA Guidelines. Section 15303 exempts the construction and location of limited numbers of new, small facilities, or structures, including accessory (appurtenant) structures such as garages, carports, patios and fences. Like a fence, the structure here, a pole sign for an existing commercial or business park complex is a small structure appurtenant to the existing main structure. Therefore, the proposed project is categorically exempt from CEQA.

Finally, the proposed project is qualified for exemption due to its location. The project is insignificant in its environmental impact in comparison to the greater impact caused by the recently completed Magnolia Avenue overpass/bridge; as the proposed project is the addition of a pole sign with minimal environmental or ground disturbance.

CONCLUSIONS:

1. Special circumstances exist due to the location and surroundings of the property; therefore, the granting of this variance is appropriate.
2. The public's health, safety, and general welfare are protected through this variance.

3. The proposed variance is compatible with the present and future logical development of the area.

4. The proposed variance will not have a significant effect on the environment.

5. The proposed variance will not preclude reserve design for the Western Riverside County Multiple Species Habitat Conservation Plan (WRCMSHCP).

INFORMATIONAL ITEMS:

1. As of this writing, no letters, in support or opposition have been received.

2. The variance project site is not located within:
   a. A 100-year flood plain, an area drainage plan, or dam inundation area; or,
   b. A High Fire Area or Fire Responsibility Area; or,
   c. A County Service Area (CSA)

3. The variance project site is located within:
   a. The cities of Corona & Riverside sphere of influence; and,
   b. The Stephens Kangaroo Rat Fee Area or Core Reserve Area; and
   c. A high liquefaction area

4. The subject site is currently designated as Assessor’s Parcel Nos. 135-170-030.
Memorandum

Date: September 6, 2017

To: Hearing Officer for Director's Hearing dated September 11, 2017

From: Tim Wheeler, Project Planner

RE: VAR01902 (variance for increased height and size for signage for StorQuest self-storage)

To whom it may concern and the Director's Hearing Officer,

This memo is to inform you of the need to continue Items 3.2 from today's hearing agenda. Planning requests that VAR01902 be continued to a date certain date of October 16, 2017.

Sincerely,

Tim Wheeler, Project Planner
NOTICE OF PUBLIC HEARING

A PUBLIC HEARING has been scheduled, pursuant to Riverside County Land Use Ordinance No. 348, before the RIVERSIDE COUNTY DIRECTOR’S HEARING to consider the project shown below:

VARIANCE NO. 1902 – Exempt from the California Environmental Quality Act (CEQA) section 15303 (New Construction and Conversion of Small Structures) and 15311 (Accessory Structures) – Applicant: AD/S Companies – Engineer/Representative: AD/S Companies c/o Robin Bell – Second Supervisorial District – East Corona Zoning District – Temescal Canyon Area Plan: Community Development: Light Industrial (CD-LI) – Location: Southerly of Magnolia Avenue, easterly of Lincoln Street, westerly of Buchanan Street, and northerly of Harlow Avenue – 3.59 acres - Zoning: Manufacturing: Service Commercial (M-SC) – REQUEST: A variance to allow for the increased square-footage and height for a proposed on premise sign for the existing commercial business known as StorQuest.

TIME OF HEARING: 1:30 pm or as soon as possible thereafter
DATE OF HEARING: SEPTEMBER 11, 2017
PLACE OF HEARING: RIVERSIDE COUNTY ADMINISTRATIVE CENTER
1ST FLOOR, CONFERENCE ROOM 2A
4080 LEMON STREET, RIVERSIDE, CA 92501

For further information regarding this project please contact Project Planner: Tim Wheeler at (951) 955-6060 or email at twheeler@rivco.org, or go to the County Planning Department’s Director’s Hearing agenda web page at http://planning.rclma.org/Public-Hearings.aspx.

The Riverside County Planning Department has determined that the above-described application is exempt from the provisions of the California Environmental Quality Act (CEQA). The Planning Director will consider the proposed application at the public hearing.

The case file for the proposed project may be viewed Monday through Friday, from 8:00 A.M. to 5:00 P.M. at the Planning Department office, located at 4080 Lemon St. 12th Floor, Riverside, CA 92501.

Any person wishing to comment on the proposed project may do so in writing between the date of this notice and the public hearing; or, may appear and be heard at the time and place noted above. All comments received prior to the public hearing will be submitted to the Planning Director, and the Planning Director will consider such comments, in addition to any oral testimony, before making a decision on the proposed project.

If this project is challenged in court, the issues may be limited to those raised at the public hearing, described in this notice, or in written correspondence delivered to the Planning Director at, or prior to, the public hearing. Be advised that as a result of public hearings and comment, the Planning Director may amend, in whole or in part, the proposed project. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the proposed project, may be changed in a way other than specifically proposed.

Please send all written correspondence to:

INDEMNIFICATION AGREEMENT

This INDEMNIFICATION AGREEMENT ("Agreement"), made by and between the COUNTY OF RIVERSIDE, a political subdivision of the State of California ("COUNTY"), and Riordan Corona SP, LLC, a Delaware Limited Liability Company and Milner Corona SP, LLC, a Delaware Limited Liability Company ("PROPERTY OWNER"), relating to the PROPERTY OWNER’s indemnification of the COUNTY under the terms set forth herein:

WITNESSETH:

WHEREAS, the PROPERTY OWNER has a legal interest in the certain real property described as APN 135-170-030 ("PROPERTY"); and,

WHEREAS, on November 3, 2016, PROPERTY OWNER filed an application for Plot Plan No. 26135 ("PROJECT"); and,

WHEREAS, judicial challenges of projects requiring discretionary approvals, including, but not limited to, California Environmental Quality Act determinations, are costly and time consuming. Additionally, project opponents often seek an award of attorneys’ fees in such challenges; and,

WHEREAS, since property owners are the primary beneficiaries of such approvals, it is appropriate that such owners bear the expense of defending against any such judicial challenge, and bear the responsibility of any costs, attorneys’ fees and damages which may be awarded to a successful challenger; and,

WHEREAS, in the event a judicial challenge is commenced against the PROJECT, the COUNTY has requested and the PROPERTY OWNER has agreed to defend, indemnify and hold harmless the COUNTY, its agents, officers, or employees from any claim, action or proceeding against the COUNTY, its agents, officers, or employees to attack, set aside, void or annul any approval of the COUNTY, its advisory agencies, appeal boards, or legislative body concerning the PROJECT or its associated environmental documentation ("LITIGATION"); and,

WHEREAS, this Agreement is entered into by the COUNTY and PROPERTY OWNER to establish specific terms concerning PROPERTY OWNER’S indemnification obligation for the PROJECT.

NOW, THEREFORE, it is mutually agreed between COUNTY and PROPERTY OWNER as follows:

1. Indemnification. PROPERTY OWNER, at its own expense, shall defend, indemnify and hold harmless the COUNTY, its agents, officers, and employees from and against any claim, action or proceeding brought against the
COUNTY, its agents, officers, and employees to attack, set aside, void or annul any approval of the PROJECT including any associated costs, damages, and expenses including, but not limited to, costs associated with Public Records Act requests submitted to the COUNTY related to the PROJECT and an award of attorneys’ fees and costs incurred or arising out of the above-referenced claim, action or proceeding brought against the COUNTY ("Indemnification Obligation.")

2. **Defense Cooperation.** PROPERTY OWNER and the COUNTY shall reasonably cooperate in all aspects of the LITIGATION. Nothing contained in this Agreement, however, shall be construed to limit the discretion of COUNTY, in the interest of the public welfare, to settle, defend, appeal or to decline to settle or to terminate or forego defense or appeal of the LITIGATION. It is also understood and agreed that all litigation pleadings are subject to review, revision and approval by COUNTY’s Office of County Counsel.

3. **Representation and Payment for Legal Services Rendered.** COUNTY shall have the absolute right to approve any and all counsel retained to defend COUNTY in the LITIGATION. PROPERTY OWNER shall pay the attorneys’ fees and costs of the legal firm retained by PROPERTY OWNER to represent the COUNTY in the LITIGATION. Failure by PROPERTY OWNER to pay such attorneys’ fees and costs may be treated as an abandonment of the PROJECT and as a default of PROPERTY OWNER’s obligations under this Agreement.

4. **Payment for COUNTY’s LITIGATION Costs.** Payment for COUNTY’s costs related to the LITIGATION shall be made on a deposit basis. LITIGATION costs include any associated costs, fees, damages, and expenses as further described in Section 1. herein as Indemnification Obligation. Within thirty (30) days of receipt of notice from COUNTY that LITIGATION has been initiated against the PROJECT, PROPERTY OWNER shall initially deposit with the COUNTY’s Planning Department the total amount of Twenty Thousand Dollars ($20,000). PROPERTY OWNER shall deposit with COUNTY such additional amounts as COUNTY reasonably and in good faith determines, from time to time, are necessary to cover costs and expenses incurred by the COUNTY, including but not limited to, the Office of County Counsel, Riverside County Planning Department and the Riverside County Clerk of the Board associated with the LITIGATION. Within ten (10) days of written notice from COUNTY, PROPERTY OWNER shall make such additional deposits. Collectively, the initial deposit and additional deposits shall be referred to herein as the “Deposit.”

5. **Return of Deposit.** COUNTY shall return to PROPERTY OWNER any funds remaining on deposit after ninety (90) days have passed since final adjudication of the LITIGATION.
6. **Notices.** For all purposes herein, notices shall be effective when personally delivered, delivered by commercial overnight delivery service, or sent by certified or registered mail, return receipt requested, to the appropriate address set forth below:

**COUNTY:**
Office of County Counsel  
Attn: Melissa Cushman  
3960 Orange Street, Suite 500  
Riverside, CA 92501

**PROPERTY OWNER:**
Milner Corona SP, LLC and  
Riordan Corona SP, LLC  
Attn: James Yang  
959 South Coast Dr., Ste. 200  
Costa Mesa, CA 92626

7. **Default and Termination.** This Agreement is not subject to termination, except by mutual agreement or as otherwise provided herein. In the event of a default of PROPERTY OWNER’s obligations under this Agreement, COUNTY shall provide written notification to PROPERTY OWNER of such alleged default and PROPERTY OWNER shall have ten (10) days after receipt of written notification to cure any such alleged default. If PROPERTY OWNER fails to cure such alleged default within the specified time period or otherwise reach agreement with the COUNTY on a resolution of the alleged default, COUNTY may, in its sole discretion, do any of the following or combination thereof:

a. Deem PROPERTY OWNER’s default of PROPERTY OWNER’s obligations as abandonment of the PROJECT and as a breach of this Agreement;

b. Rescind any PROJECT approvals previously granted;

c. Settle the LITIGATION.

In the event of a default, PROPERTY OWNER shall remain responsible for any costs and attorney’s fees awarded by the Court or as a result of settlement and other expenses incurred by the COUNTY related to the LITIGATION or settlement.

8. **COUNTY Review of the PROJECT.** Nothing in this Agreement shall be construed to limit, direct, impede or influence the COUNTY’s review and consideration of the PROJECT.

9. **Complete Agreement/Governing Law.** This Agreement represents the complete understanding between the parties with respect to matters set forth herein. This Agreement shall be construed in accordance with the laws of the State of California.

10. **Successors and Assigns.** The obligations specific herein shall be made, and are binding on the successors in interest of the PROPERTY OWNER, whether the succession is by agreement, by operation of law or by any other means.
11. **Amendment and Waiver.** No modification, waiver, amendment or
discharge of this Agreement shall be valid unless the same is in writing and signed
by all parties.

12. **Severability.** If any term, provision, covenant or condition of this
Agreement is held to be invalid, void or otherwise unenforceable, to any extent, by
any court of competent jurisdiction, the remainder of this Agreement shall not be
affected thereby, and each term, provision, covenant or condition of this Agreement
shall be valid and enforceable to the fullest extent permitted by law.

13. **Survival of Indemnification.** The parties agree that this Agreement
shall constitute a separate agreement from any PROJECT approval, and if the
PROJECT, in part or in whole, is invalidated, rendered null or set aside by a court of
competent jurisdiction, the parties agree to be bound by the terms of this
Agreement, which shall survive such invalidation, nullification or setting aside.

14. **Interpretation.** The parties have been advised by their respective
attorneys, or if not represented by an attorney, represent that they had an
opportunity to be so represented in the review of this Agreement. Any rule of
construction to the effect that ambiguities are to be resolved against the drafting
party shall not be applied in interpreting this Agreement.

15. **Captions and Headings.** The captions and section headings used in
this Agreement are inserted for convenience of reference only and are not intended
to define, limit or affect the construction or interpretation of any term or provision
hereof.

16. **Jurisdiction and Venue.** Any action at law or in equity arising
under this Agreement or brought by a party hereto for the purpose of enforcing,
construing or determining the validity of any provision of this Agreement shall be
filed in the Courts of Riverside County, State of California, and the parties hereto
waive all provisions of law providing for the filing, removal or change of venue to
any other court or jurisdiction.

17. **Counterparts; Facsimile & Electronic Execution.** This Agreement
may be executed in one or more counterparts, each of which shall be deemed an
original, but all of which together shall constitute one and the same document. To
facilitate execution of this Agreement, the parties may execute and exchange
facsimile or electronic counterparts, and facsimile or electronic counterparts shall
serve as originals.
18. **Joint and Several Liability.** In the event there is more than one PROPERTY OWNER, the liability of PROPERTY OWNER shall be joint and several, and PROPERTY OWNER each of them shall be jointly and severally liable for performance of all of the obligations of PROPERTY OWNER under this Agreement.

19. **Effective Date.** The effective date of this Agreement is the date the parties sign the Agreement. If the parties sign the Agreement on more than one date, then the last date the Agreement is signed by a party shall be the effective date.

**IN WITNESS WHEREOF,** the parties hereto have duly caused this Agreement to be executed by their authorized representatives as of the date written.

RE: VAR01902 (increase height for sign pole and increased square-footage size for sign for StorQuest self-storage facility)

City Planning Personnel,

The County of Riverside wants to inform you of a pending variance for a signage project near your city’s boarders. You will be receiving notification in the next week of the project going to a Director’s Hearing. The variance is to allow the StorQuest self-storage facility to erect a pole sign, larger in height and square-footage size, to allow it to be seen from the now existing Magnolia Avenue overpass/bridge. The sign pole will increase from a maximum of 45 feet to 80 feet tall. Additionally, the sign square-footage will increase from a maximum of 150 square-feet to 211 square-feet.

If you have any further questions, please feel free to contact the project planner Tim Wheeler at 951-955-6060 or email him at twheeler@rivco.org.

Sincerely,

Charissa Leach, Assistant TLMA Director

Tim Wheeler, Urban Regional Planner III

“Planning Our Future… Preserving Our Past”
APPLICATION FOR LAND USE AND DEVELOPMENT

☐ Check this box if additional persons or entities have an ownership interest in the subject property(ies) in addition to that indicated above; and attach a separate sheet that references the use permit type and number and list those names, mailing addresses, phone and fax numbers, and email addresses; and provide signatures of those persons or entities having an interest in the real property(ies) involved in this application.

AUTHORITY FOR THIS APPLICATION IS HEREBY GIVEN:

I certify that I am/we are the record owner(s) or authorized agent, and that the information filed is true and correct to the best of my knowledge, and in accordance with Govt. Code Section 65105, acknowledge that in the performance of their functions, planning agency personnel may enter upon any land and make examinations and surveys, provided that the entries, examinations, and surveys do not interfere with the use of the land by those persons lawfully entitled to the possession thereof.

(If an authorized agent signs, the agent must submit a letter signed by the owner(s) indicating authority to sign on the owner(s)'s behalf, and if this application is submitted electronically, the "wet-signed" signatures must be submitted to the Planning Department after submittal but before the use permit is ready for public hearing.)

William Warren Group - Clark Parker

PRINTED NAME OF PROPERTY OWNER(S)                      SIGNATURE OF PROPERTY OWNER(S)

PRINTED NAME OF PROPERTY OWNER(S)                      SIGNATURE OF PROPERTY OWNER(S)

The Planning Department will primarily direct communications regarding this application to the person identified above as the Applicant. The Applicant may be the property owner, representative, or other assigned agent.

AUTHORIZATION FOR CONCURRENT FEE TRANSFER

The applicant authorizes the Planning Department and TLMA to expedite the refund and billing process by transferring monies among concurrent applications to cover processing costs as necessary. Fees collected in excess of the actual cost of providing specific services will be refunded. If additional funds are needed to complete the processing of this application, the applicant will be billed, and processing of the application will cease until the outstanding balance is paid and sufficient funds are available to continue the processing of the application. The applicant understands the deposit fee process as described above, and that there will be NO refund of fees which have been expended as part of the application review or other related activities or services, even if the application is withdrawn or the application is ultimately denied.

PROPERTY INFORMATION:

Assessor's Parcel Number(s): 135-170-030

Approximate Gross Acreage: 3.59

General location (nearby or cross streets): North of Harlow, South of Sampson, East of Buchanan, West of Lincoln.
APPLICATION FOR LAND USE AND DEVELOPMENT

PROJECT PROPOSAL:

Describe the proposed project.

Identify the applicable Ordinance No. 348 Section and Subsection reference(s) describing the proposed land use(s): 

Number of existing lots:

Check this box if additional buildings/structures exist or are proposed, and attach additional page(s) to identify them.

Related cases filed in conjunction with this application:

Are there previous development applications filed on the subject property? Yes □ No □

If yes, provide Application No(s).

Initial Study (EA) No. (if known) ___________ EIR No. (if applicable): ______

Have any special studies or reports, such as a traffic study, biological report, archaeological report, geological or geotechnical reports, been prepared for the subject property? Yes □ No □

If yes, indicate the type of report(s) and provide a signed copy(ies):

Is the project located within 1,000 feet of a military installation, beneath a low-level flight path or within special use airspace as defined in Section 21098 of the Public Resources Code, and within an urbanized area as defined by Government Code Section 65944? Yes □ No □

Is this an application for a development permit? Yes □ No □

If the project located within either the Santa Ana River/San Jacinto Valley watershed, the Santa Margarita River watershed, or the Whitewater River watershed, check the appropriate checkbox below.

If not known, please refer to Riverside County’s Map My County website to determine if the property is located within any of these watersheds (search for the subject property’s Assessor's Parcel Number, then select the “Geographic” Map Layer – then select the “Watershed” sub-layer)

If any of the checkboxes are checked, click on the adjacent hyperlink to open the applicable Checklist Form. Complete the form and attach a copy as part of this application submittal package.

□ Santa Ana River/San Jacinto Valley

□ Santa Margarita River

□ Whitewater River
If the applicable Checklist has concluded that the application requires a preliminary project-specific Water Quality Management Plan (WQMP), such a plan shall be prepared and included with the submittal of this application.

**HAZARDOUS WASTE AND SUBSTANCES STATEMENT**

The development project and any alternatives proposed in this application are contained on the lists compiled pursuant to Section 65962.5 of the Government Code. Accordingly, the project applicant is required to submit a signed statement that contains the following information:

<table>
<thead>
<tr>
<th>Name of Applicant:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Address:</td>
</tr>
<tr>
<td>Phone number:</td>
</tr>
<tr>
<td>Address of site (street name and number if available, and ZIP Code):</td>
</tr>
<tr>
<td>Local Agency: County of Riverside</td>
</tr>
<tr>
<td>Assessor's Book Page, and Parcel Number:</td>
</tr>
</tbody>
</table>

Specify any list pursuant to Section 65962.5 of the Government Code:

<table>
<thead>
<tr>
<th>Regulatory Identification number:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Date of list:</td>
</tr>
<tr>
<td>Applicant:</td>
</tr>
</tbody>
</table>

**HAZARDOUS MATERIALS DISCLOSURE STATEMENT**

Government Code Section 65850.2 requires the owner or authorized agent for any development project to disclose whether:

1. Compliance will be needed with the applicable requirements of Section 25505 and Article 2 (commencing with Section 25531) of Chapter 6.95 of Division 20 of the Health and Safety Code or the requirements for a permit for construction or modification from the air pollution control district or air quality management district exercising jurisdiction in the area governed by the County. Yes ☐ No ☑

2. The proposed project will have more than a threshold quantity of a regulated substance in a process or will contain a source or modified source of hazardous air emissions. Yes ☐ No ☑

I (we) certify that my (our) answers are true and correct.

PROPERTY OWNERS CERTIFICATION FORM

I, ___________ Vinnie Nguyen _________ certify that on __ Aug 24, 2017 ________.

The attached property owners list was prepared by __________ Riverside County GIS ________.

APN (s) or case numbers ___________ VAR01902 ___________ For

Company or Individual's Name ___________ RCIT - GIS ___________.

Distance buffered ___________ 600’ ___________.

Pursuant to application requirements furnished by the Riverside County Planning Department. Said list is a complete and true compilation of the owners of the subject property and all other property owners within 600 feet of the property involved, or if that area yields less than 25 different owners, all property owners within a notification area expanded to yield a minimum of 25 different owners, to a maximum notification area of 2,400 feet from the project boundaries, based upon the latest equalized assessment rolls. If the project is a subdivision with identified off-site access/improvements, said list includes a complete and true compilation of the names and mailing addresses of the owners of all property that is adjacent to the proposed off-site improvement/alignment.

I further certify that the information filed is true and correct to the best of my knowledge. I understand that incorrect or incomplete information may be grounds for rejection or denial of the application.

NOTICE OF EXEMPTION

TO: □ Office of Planning and Research (OPR)
    P.O. Box 3044
    Sacramento, CA 95812-3044
□ County of Riverside County Clerk

FROM: Riverside County Planning Department
        4080 Lemon Street, 12th Floor
        P. O. Box 1409
        Palm Desert, CA 92263
□ 36666 El Cerrito Road

Project Title/Case No.: VAR01902

Project Location: In the unincorporated area of Riverside County, more specifically located 12530 Magnolia Avenue.

Project Description: A variance to allow for the increase square footage and height for a proposed on premise sign for the existing self-storage business known as StorQuest. The on-site sign will be 211 square-feet in size on a proposed 80 foot tall signage pole.

Name of Public Agency Approving Project: Riverside County Planning Department

Project Applicant & Address: AD/S Companies 1160 Railroad St. Corona, CA 92882

Exempt Status: (Check one)
□ Ministerial (Sec. 21080(b)(1); 15268)
□ Declared Emergency (Sec. 21080(b)(3); 15268(a))
□ Emergency Project (Sec. 21080(b)(4); 15268 (b)(c))
□ Categorical Exemption (Section 15303-New Construction and Conversion of Small Structures and Section 15311-Accessory Structure)
□ Statutory Exemption (__________)
□ Other: ______________________

Reasons why project is exempt: Variance No. 1602’s associated plot plan is a ministerial action that will be processed separately from Variance No. 1602. If granted, Variance No. 1602 will allow for an 80 foot tall sign and pole with a 211 square foot sign. The proposed project has been determined to be categorically exempt from CEQA, as set forth per Section 15303 (New Construction and Conversion of Small Structures) of the State CEQA Guidelines. Section 15303 exempts the construction and location of limited numbers of new, small facilities, or structures. Accessory (appurtenant) structures including canopies, carports, and patios are examples of accessory structures. A pole sign to an existing commercial or business (self-storage) facility is also an accessory structure. The proposed project variance is exempt under Section 15303 because it is for the placement of a sign on the premises of an existing commercial or business and would be an accessory structure to that existing business use. The variance is to allow for a sign that will be larger in total square footage and taller by height due to the newly constructed bridge/overpass on Magnolia Avenue that is near this facility. This will allow for visibility and advertising of the existing self-storage business to motorists along Magnolia Avenue and the bridge. Variance No. 1602’s associated plot plan is a ministerial action that will be processed separately from Variance No. 1602. If granted, Variance No. 1602 will allow for an 80 foot tall sign and pole with a 211 square foot sign. The proposed project has been determined to be categorically exempt from CEQA, as set forth per Section 15311 (Accessory Structures) of the State CEQA Guidelines. Section 15311 exempts the construction, or replacement of minor structures accessory to (appurtenant to) existing commercial, industrial, or institutional facilities, including but not limited to (a) on premise signs. The proposed project variance is exempt under Section 15311 because it is for the placement of a sign on the premises of an existing commercial or business (self-storage) facility. The variance is to allow for a sign that will be larger in total square footage and taller by height due to the newly constructed bridge/overpass on Magnolia Avenue that is near this facility. This will allow for visibility and advertising of the existing self-storage business to motorists along Magnolia Avenue and the bridge.

PROPOSED PROJECT

Case Number(s): PP23327
CEQA Exempt: Section 15303
Area Plan: Mead Valley
Zoning Area/District: Good Hope Area
Supervisorial District: First District
Project Planner: John Earle Hildebrand III
Project APN(s): 326-240-022 and 326-240-077
Continued From: N/A

Applicant(s): Maria Brambila
Representative(s): Ventura Engineering, LLC

Charissa Leach, P.E.
Assistant TLMA Director

PROJECT DESCRIPTION AND LOCATION

Plot Plan No. 23327 is a request to entitle an existing feed and hay sales facility, in conjunction with an existing residence. The project site is generally located north of Dockery Lane, south of 7th Street, east of Clayton Street, west of State Highway 74, and is located within the Mead Valley Area Plan.

PROJECT RECOMMENDATION

STAFF RECOMMENDATIONS:

FIND PLOT PLAN NO. 23327 exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines section 15303 (New Construction or Conversion of Small Structures), based on the findings and conclusions incorporated in the staff report; and,

APPROVE PLOT PLAN NO. 23327, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the staff report.

PROJECT LOCATION MAP

Figure 1: Project Location Map

PROJECT BACKGROUND AND ANALYSIS

Background:

The project scope includes the entitlement of an existing feed and hay business, which has been in operation for approximately 15 years. The site includes two separate parcels, whereby the parcel to the north has a Rural Residential (R-R) Zoning Classification and the parcel to the south has a Mixed Use (MU) Zoning Classification. Residential uses are permitted in both the R-R and MU Zones. Feed and hay sales uses are permitted in the R-R Zone and pet supply stores are permitted in the MU Zone, provided Plot Plan approval is obtained. A feed and hay sales use is substantially the same in character and intensity as the specifically listed use of a pet supply store and may be permitted with an approved plot plan, pursuant to the findings listed below in the OTHER FINDINGS section of this report.

The business includes limited structures, and consists of a hay shed, which is open on three sides and has a solid roof cover, and there are also two feed silos. There are no other structures associated with the business, nor does this Plot Plan propose any additional new structures. Given the limited number of on-site structures and low intensity business, the use meets all development standards pertaining to both the Rural Residential and Mixed Use Zones. The business is in operation Monday - Saturday, 7am to 5pm, includes one employee, and is estimated to serve approximately 25 customers per day.

Good Hope Community

Approximately 2.55-acres of the project site is within Neighborhood 1 of the Good Hope Community of the Mead Valley Area Plan. This community and the policies that guide its development was created specifically to accommodate a portion of the County's forecasted 5th Cycle Housing Element Regional
Housing Needs Assessment (RHNA) allocation. Thus, at buildout approximately 30% of this Neighborhood shall accommodate Highest Density Residential (HHDR) Development. While the remaining 70% may include other housing types and neighborhood servicing commercial uses. Neighborhood 1 of approximately 99 net acres is entirely designated as MUA. The project encompasses approximately 3% of the MUA leaving a large portion of Neighborhood 1 to accommodate HHDR development and other commercial uses. The proposed use is consistent with MVAP 5.23 in that it provides a “supportive retail commercial use” for the surrounding rural neighborhood.

Highway 74 Perris Policy Area
The project is consistent with the Highway 74 Perris Policy Area. The single provision under the policy area provides for the re-establishment of businesses along the Highway 74 corridor, which may be affected by the highway's widening. This project site has not been affected nor is the business required to relocate. As a result, this policy does not specifically apply.

Sphere of Influence
The project site is located within the City of Perris sphere of influence area and was submitted to the City for review. Currently, the City has no plans for annexation of the project site, nor its immediate surroundings. County staff received no comments from the City of Perris regarding this project.

Airport Influence Area (“AIA”)
The project site is located within the March Air Reserve Base and Perris Valley Airport Influence Area boundaries. As a result, this project is required to be reviewed by the Airport Land Use Commission (“ALUC”). File No. ZAP1013PV17 was submitted to the ALUC for review in August 2017. The project site is specifically located within Airport Compatibility Zone “E” of both the March Air Reserve Base and Perris Valley Airport Influence Areas. ALUC made a determination that based upon the criteria for Zone “E”, and the project site’s relative distance to the airport, that the proposed use is consistent with both airport plans. Furthermore, ALUC did not recommend any restrictions upon the site or the site’s exiting use as both residential and a feed and hay sales facility.

ENVIRONMENTAL REVIEW FINDINGS

This proposed project is exempt from the California Environmental Quality Act (CEQA) review pursuant to State CEQA Guidelines Article 19 – Categorical Exemptions, Section 15303 (New Construction or Conversion of Small Structures). A project is exempt pursuant to Section 15303 if it consists of: construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; or the conversion of existing small structures from one use to another, where only minor modifications are made in the exterior of the structure. The numbers of structures described in this section are the maximum allowable on any legal parcel. Examples of this exemption include but are not limited to: (c) in urbanized areas, four commercial buildings not exceeding 10,000 square feet in floor area on sites zoned for such use if not involving the use of significant amounts of hazardous substances where all necessary public services and facilities are available and the surrounding area is not environmentally sensitive.

a. This project includes the entitlement of an existing feed and hay sales business within an existing improved lot in an areas zoned for the proposed use. There is no new construction associated with this project, other than some minor frontage improvements, which includes the
installation of new landscaping and the repair and widening of the front access point. The site contains four existing buildings, totaling approximately 3,505 square-feet, is located within an urbanized area as it's adjacent to the City of Perris, and there is no use of significant amounts of hazardous materials. Furthermore, the area is served by all necessary public utilities and there are no significant environmental constraints on the property, which would preclude the use from being established. Because of the low intensity use and small amount of structures, this proposed use meets each of the exemption criteria pursuant to Section 15303 (New Construction or Conversion of Small Structures).

b. Because all aspects of the project are exempt under Section 15303, the project is exempt from CEQA and no further environmental review is required. In addition, there are no successive projects of the same type in the same place expected over time, there are no unusual circumstances such as scenic resources, historic buildings, trees, or rock outcroppings that will be affected by the project, and it is not on a hazardous waste site. Accordingly, no exception to Section 15303 exemption applies.

OTHER FINDINGS

In order for the County to approve a proposed project, the following findings are required to be made:

Plot Plan Findings
1. The proposed use conforms to all the requirements of the General Plan and with all applicable requirements of State law and the ordinances of Riverside County. The project which includes the entitlement of an existing feed and hay sales business is consistent the County of Riverside's General Plan, as well as all applicable County ordinances. Specifically, the use meets the requirements of Ordinance No. 348 (Land Use Ordinance), pursuant to the provisions within the Rural Residential (R-R) and Mixed Use (MU) Zoning Classifications. The MU Zone contains multiple development standards, which are intended to be applied to a large-scale mixed use development project. Due to the small-scale nature of this existing use, many of the standards do not apply and are addressed here:

a. Buildings over 30,000 square-feet shall include a public amenity, such as a park or plaza. The project site includes approximately 1,920 square-feet of building area associated with the business, which includes the hay storage structure and feed silos, along with 1,585 square-feet of building area for the residence and garage, totaling 3,505 square-feet. As a result, this standard does not apply.

b. No more than 50% of the ground floor mixed use buildings may be residential dwellings. The mixed use zoned portion of the project site contains structures associated with the feed and hay sales business. No residential units are located in these buildings and as a result, this standard has been met.

c. The retail portion of any commercial building that has a street facing wall with customer access shall have at least fifty percent (50%) of the total wall area transparent with clear windows. There is no building that specifically faces the street, as part of this project design. As a result, this standard does not apply.
d. Commercial and mixed use buildings shall be oriented so functional pedestrian entrances face the street, and parking areas are located mostly underground or to the rear or side of the building. This project does not include any new structures, so this standard does not apply. However, the existing structures are oriented such that the functional entrance to the facility faces the street. Onsite parking is available in multiple locations, including towards the sides and back. As a result, this standard has been met.

e. Buildings shall have an entrance door facing the public sidewalk. There is no public sidewalk near the proposed project. As a result, this standard does not apply.

f. Pedestrian paths shall be provided to connect commercial building entries with adjacent streets, uses and parcels. There is no public sidewalk near the proposed project. However, pedestrian access within the site, between each of the existing structures is available. As a result, this standard does not apply.

g. Building facades shall be varied and articulated to provide visual interest and include architectural projections. This project proposes no new structures. However the existing hay storage structure includes a pitched roof which projects beyond the exterior face of the sides, which meets this standard.

h. The street system shall be in a grid pattern or modified grid pattern emphasizing interconnected streets and the ability to reach local destinations without crossing major streets or primary arterials. The small-scale nature of the project site and existing use, does not include any road networks nor is there a need to construct any new circulation system. As a result, this standard does not apply.

i. All roof mounted equipment shall be screened from public review. There is no roof mounted equipment installed on top of the existing structures and therefore no visual impact from the ground elevation to the minimum sight distance of 660 feet. As a result, this standard does not apply.

j. The trash collection area is located towards the back of the property, and is therefore not readily visible to the general public nor visible from a public street. As, a result, this standard has been met.

k. No yard encroachment shall be permitted in the front, side or rear yard. The project site includes two small structures for the purpose of storing and dispensing feed and hay material. As a result, there are no yard encroachments into the front, side, or rear, and this standard has been met.

l. All lighting fixtures, including spot lights, electrical reflectors and other means of illumination for signs, buildings, landscaping, parking, loading, unloading and similar areas, shall be focused, directed and arranged to prevent glare or direct illumination on residential uses. No new lighting is proposed in conjunction with this project. All existing lighting associated with the mobile home and the feed and hay sales use meet this requirement and do not create a glare or direct illumination, that spills onto adjacent properties.
2. The overall development of the land shall be designed for the protection of the public health, safety, and general welfare. The design of the site and access to the property will not negatively impact the public health or safety. Furthermore, the use of the property, which includes an existing residence and a feed and hay sales facility are both low impact uses and no additional new structures are associated with this project. Improvements to the site include the addition of landscaping along property frontage and repair of the front access point. Vehicles can easily enter and exit the site and all operations are conducted onsite, a sufficient distance from State Highway 74, preventing any offsite vehicle stacking.

3. The proposed use conforms to the logical development of the land and is compatible with the present and future logical development of the surrounding property. The project site spans two parcels, whereby the southern parcel is currently being used as a feed and hay sales facility and the northern parcel is being used as residential. This mixture of uses is consistent with the other types of uses in the area, which is primarily residential, but also includes other low impact, small businesses. The business has been in continuous operation for approximately 15-years and is compatible with the surrounding area as it provides a support service for animal keeping properties in the area.

4. The plan for the proposed use shall consider the location and need for dedication and improvement of necessary streets and sidewalks, including the avoidance of traffic congestion; and shall take into account topographical and drainage conditions, including the need for dedication and improvements of necessary structures as a part thereof. The project’s impacts to the surrounding circulation system were considered during the project review phase. Although there is no new construction associated with this project, right of way dedication is required and frontage improvements along State Highway 74 will be implemented. These improvements, which include the installation of new landscaping, along with the repair and widening of the primary access point, will result in reducing potential congestion into the site.

Similar in use and intensity Finding

5. Feed and hay sales is not a specifically listed use allowed within the Mixed Use Zone. However a pet supply store is permitted within the Mixed Use zone, subject to Plot Plan Approval. Pursuant to Section 9.86.D, SAME CHARACTER AND INTENSITY of Ordinance No. 348, “Any use that is not specifically listed in subsections B. or C. may be considered a permitted or conditionally permitted use provided that the Planning Director finds that the proposed use is substantially the same in character and intensity as those listed in the designated subsections. Such a use is subject to the permit process which governs the category in which it falls.” A feed and hay sales use is similar to a pet supply store for the following reasons:

a. Both uses allow for direct sales and customer pickup. The proposed use is limited to just the sale of feed and hay, while a pet supply store can include a wide range of pet supply products, as well as feed and hay. A pet supply store offering a full range of products, would generally be a more intensive use, having more daily vehicle trips than the proposed use, which offers just two products.

b. Both uses generally serve a nearby community’s needs for sustaining pets and farm animals. The area surrounding the project site is a mixture of small and large lot residential properties, whereby animal keeping is permitted. A feed and hay sales facility provides a needed product, much in the same way a pet supply store would also provide.
c. Accordingly, for these reasons, the Assistant TLMA Director has determined that a feed and hay sales use is the same in character and intensity as a pet supply store and is a permitted use within the Mixed Use zone, subject to the Plot Plan approval.

Other Findings

6. The project site located within Neighborhood 1 of the Good Hope Community of the Mead Valley Area Plan. Pursuant to the Housing Element requirements, approximately 30% of this Neighborhood 1 area shall accommodate Highest Density Residential (HHDR) Development. This project includes a 2.55-acre parcel within the Neighborhood 1 area, representing just 3% of the total land area available. As such, there is a sufficiently large portion of the Neighborhood 1 Mixed Use Area designation still available to accommodate HHDR development and other commercial uses. Furthermore, the proposed use is consistent with MVAP 5.23 in that it provides a “supportive retail commercial use” for the surrounding rural neighborhood.

7. The project site is located within Mount Palomar Observatory Lighting Zone “B”. As such, all lighting is required to conform to the lighting standards as set forth in Ordinance No. 655 (Regulating Light Pollution). No new lighting is proposed under this project. Existing lighting is utilized in conjunction with the mobile home and certain activities associated with the feed and hay sales operations. Generally, operations of the business cease at 5:00pm and therefore, any lighting associated with the business would not create an impact.

8. The project site is located within the City of Perris Sphere of Influence. This project was transmitted to the City of Perris for their review, and as of the date of this staff report, County staff has received no comments from the City of Perris regarding this project.

9. The project site is located within the March Air Reserve Base and Perris Valley Airport Influence Area boundaries. The project was submitted to the Riverside County Airport Land Use Commission (“ALUC”) in August 2017 (File No. ZAP1013PV17) for analysis. ALUC determined that the proposed use is in conformance with both airport plans.

PUBLIC HEARING NOTIFICATION AND OUTREACH

Public hearing notices were mailed to all property owners located within 800 feet of the proposed project site. As of the writing of this report, Planning Staff have received no written or verbal communication from the general public either in support or opposition of the proposed project.

APPEAL INFORMATION

Actions taken at the Director’s Hearing may be appealed to the Planning Commission and are required to be submitted within 10 calendar days after the Notice of Decision has been made available.
"IMPORTANT" Maps and data are to be used for reference purposes only. Map features are approximate, and are not necessarily accurate to surveying or engineering standards. The County of Riverside makes no warranty or guarantee as to the content (the source is often third party), accuracy, timeliness, or completeness of any of the data provided, and assumes no legal responsibility for the information contained on this map. Any use of this product with respect to accuracy and precision shall be the sole responsibility of the user.
10. GENERAL CONDITIONS

10.BS GRADE. 1 USE - GENERAL INTRODUCTION

Improvements such as grading, filling, over excavation and recompaction, and base or paving which require a grading permit are subject to the included Building and Safety Department Grading Division conditions of approval.

10.BS GRADE. 3 USE - OBEY ALL GDG REGS

All grading shall conform to the California Building Code, Ordinance 457, and all other relevant laws, rules, and regulations governing grading in Riverside County and prior to commencing any grading which includes 50 or more cubic yards, the applicant shall obtain a grading permit from the Building and Safety Department.

10.BS GRADE. 4 USE - DISTURBS NEED G/PMT

Ordinance 457 requires a grading permit prior to clearing, grubbing, or any top soil disturbances related to construction grading.

10.BS GRADE. 6 USE - NPDES INSPECTIONS

Construction activities including clearing, stockpiling, grading or excavation of land which disturbs less than 1 acre and requires a grading permit or construction Building permit shall provide for effective control of erosion, sediment and all other pollutants year-round. The permit holder shall be responsible for the installation and monitoring of effective erosion and sediment controls. Such controls will be evaluated by the Department of Building and Safety periodically and prior to permit Final to verify compliance with industry recognized erosion control measures.

Construction activities including but not limited to clearing, stockpiling, grading or excavation of land, which disturbs 1 acre or more or on-sites which are part of a larger common plan of development which disturbs less than 1 acre are required to obtain coverage under the construction general permit with the State Water Resources Control Board. You are required to provide proof of WDID# and keep a current copy of the storm water pollution prevention plan (SWPPP) on the construction site and shall be made available to the Department of Building and Safety.
10. GENERAL CONDITIONS

10.BS GRADE. 6  USE - NPDES INSPECTIONS (cont.)  RECOMMEND

upon request.

Year-round, Best Management Practices (BMP's) shall be maintained and be in place for all areas that have been graded or disturbed and for all material, equipment and/or operations that need protection. Stabilized Construction Entrances and project perimeter linear barriers are required year round. Removal BMP's (those BMP's which must be temporarily removed during construction activities) shall be in place at the end of each working day.

Monitoring for erosion and sediment control is required and shall be performed by the QSD or QSP as required by the Construction General Permit. Stormwater samples are required for all discharge locations and projects may not exceed limits set forth by the Construction General Permit Numeric Action Levels and/or Numeric Effluent Levels. A Rain Event Action Plan is required when there is a 50% or greater forecast of rain within the 48 hours, by the National Weather Service or whenever rain is imminent. The QSD or QSP must print and save records of the precipitation forecast for the project location area from (http://www.srh.noaa.gov/forecast) and must accompany monitoring reports and sampling test data. A Rain gauge is required on site. The Department of Building and Safety will conduct periodic NPDES inspections of the site throughout the recognized storm season to verify compliance with the Construction General Permit and Stormwater ordinances and regulations.

10.BS GRADE. 7  USE - EROSION CNTRL PROTECT  RECOMMEND

Graded but undeveloped land shall provide, in addition to erosion control planting, any drainage facility deemed necessary to control or prevent erosion. Additional erosion protection may be required during the rainy season from October 1, to May 31.

10.BS GRADE. 8  USE - DUST CONTROL  RECOMMEND

All necessary measures to control dust shall be implemented by the developer during grading. A PM10 plan may be required at the time a grading permit is issued.
10. GENERAL CONDITIONS

10.BS GRADE. 11 USE - MINIMUM DRNAGE GRADE

Minimum drainage grade shall be 1% except on portland cement concrete where .35% shall be the minimum.

10.BS GRADE. 18 USE - OFFST. PAVED PKG

All offstreet parking areas which are conditioned to be paved shall conform to Ordinance 457 base and paving design and inspection requirements.

10.BS GRADE. 24 USE - FINISH GRADE

Finish grade shall be sloped to provide proper drainage away from all exterior foundation walls in accordance with the California Building Code and Ordinance 457.

BS PLNCK DEPARTMENT

10.BS PLNCK. 1 USE - BLDG DEPT PERMITS

PERMIT ISSUANCE:
Per section 105.1 (2013 California Building Code, CBC):
Where any owner or authorized agent intends to construct, enlarge, alter, repair, move, demolish or change the occupancy of a building or structure, or to erect, install, enlarge, alter, repair, remove, convert, or replace any electrical, gas, mechanical, or plumbing system, the regulation of which is governed by this code, or to cause any such work to be done, shall first make application to the building official and obtain the required permit.
The applicant shall obtain the required building permit(s) from the building department prior to any construction or placement of any building, structure or equipment on the property.
The applicant shall obtain an approved final building inspection and certificate of occupancy from the building department prior to any use or occupancy of the building, or structure.
At no time shall the approval of the planning case exhibit allow for the construction or use of any building, structure, or equipment. In residential applications, each separate structure will require a separate building permit.
10. GENERAL CONDITIONS

EVERY DEPARTMENT

10.EVERY. 1 USE - PROJECT DESCRIPTION DRAFT

The use hereby permitted under Plot Plan No. PP23327 is for a feed and hay sales facility in conjunction with an existing residence. This is an existing use and approval of this Plot Plan will result in entitling an unpermitted business.

10.EVERY. 2 USE - HOLD HARMLESS DRAFT

The applicant/permittee or any successor-in-interest shall defend, indemnify, and hold harmless the County of Riverside or its agents, officers, and employees (COUNTY) from the following:

(a) any claim, action, or proceeding against the COUNTY to attack, set aside, void, or annul an approval of the COUNTY, its advisory agencies, appeal boards, or legislative body concerning the Plot Plan; and,

(b) any claim, action or proceeding against the COUNTY to attack, set aside, void, or annul any other decision made by the COUNTY concerning the Plot Plan, including, but not limited to, decisions made in response to California Public Records Act requests.

The COUNTY shall promptly notify the applicant/permittee of any such claim, action, or proceeding and shall cooperate fully in the defense. If the COUNTY fails to promptly notify the applicant/permittee of any such claim, action, or proceeding or fails to cooperate fully in the defense, the applicant/permittee shall not, thereafter, be responsible to defend, indemnify or hold harmless the COUNTY.

The obligations imposed by this condition include, but are not limited to the following: the applicant/permittee shall pay all legal services expenses the COUNTY incurs in connection with any such claim, action or proceeding, whether it incurs such expenses directly, whether it is ordered by a court to pay such expenses, or whether it incurs such expenses by providing legal services through its Office of County Counsel.
10. GENERAL CONDITIONS

10.EVERY. 3 USE - DEFINITIONS

The words identified in the following list that appear in all capitals in the attached conditions of Plot Plan No. 23327 shall be henceforth defined as follows:

APPROVED EXHIBIT A = Exhibit A, dated June 24, 2016

10.EVERY. 4 USE - PARCEL MERGER

The existing use of a feed and hay sales facility operates across two separate parcels and it appears that some structures may be located on or very near a parcel line. As such, a parcel merger of the two subject site properties is required to be completed.

10.EVERY. 5 USE - 90 DAYS TO PROTEST

The project developer has 90 days from the date of approval of these conditions to protest, in accordance with the procedures set forth in Government Code Section 66020, the imposition of any and all fees, dedications, reservations and/or other exactions imposed on this project as a result of this approval or conditional approval of this project.

10.FIRE. 1 USE-#50-BLUE DOT REFLECTOR

Blue retroreflective pavement markers shall be mounted on private street, public streets and driveways to indicate location of fire hydrants. Prior to installation, placement of markers must be approved by the Riverside County Fire Department.

10.FIRE. 2 USE-#23-MIN REQ FIRE FLOW

Minimum required fire flow shall be 1500 GPM for a 2 hour duration at 20 PSI residual operating pressure.

10.FIRE. 4 USE-#84-TANK PERMITS

Applicant or Developer shall be responsible for obtaining under/aboveground fuel, chemical and mixed liquid storage tank permits, from the Riverside County Fire Department and Environmental Health Departments. Plans must be submitted for approval prior to installation. Aboveground fuel/mixed liquid tanks(s) shall meet the following standard: Tank
10. GENERAL CONDITIONS

10.FIRE. 4 USE-#84-TANK PERMITS (cont.) RECOMMEND

must be tested and labeled w/UL2085 Protected Tank Standard or SwRI 93-01. The test must include the Projectile Penetration Test and the Heavy Vehicle Impact Test. A sample copy of the tank's label from an independent test laboratory must be included with your plans.

10.FIRE. 5 USE-#25-GATE ENTRANCES RECOMMEND

Any gate providing access from a road to a driveway shall be located at least 35 feet from the roadway and shall open to allow a vehicle to stop without obstructing traffic on the road. Where a one-way road with a single traffic lane provides access to a gate entrance, a 38 foot turning radius shall be used.

10.FIRE. 6 USE-#88A-AUTO/MAN GATES RECOMMEND

Gate(s) shall be

- automatic operated, minimum 20 feet in width, with a setback of 35 feet from face of curb/flow line. Gate access shall be equipped with a rapid entry system. Plans shall be submitted to the Fire Department for approval prior to installation. Automatic/manual gate pins shall be rated with shear pin force, not to exceed 30 foot pounds. Automatic gates shall be equipped with emergency backup power. Gates activated by the rapid entry system shall remain open until closed by the rapid entry system.

PLANNING DEPARTMENT

10.PLANNING. 1 MAP - IF HUMAN REMAINS FOUND RECOMMEND

If human remains are encountered, State Health and Safety Code Section 7050.5 states that no further disturbance shall occur until the Riverside County Coroner has made the necessary findings as to origin. Further, pursuant to Public Resource Code Section 5097.98(b) remains shall be left in place and free from disturbance until a final decision as to the treatment and disposition has been made. If the Riverside County Coroner determines the remains to be Native American, the Native American Heritage Commission shall be contacted within a reasonable timeframe. Subsequently, the Native American Heritage Commission shall identify the "most likely descendant." The most likely descendant shall then
10. GENERAL CONDITIONS

10.PLANNING. 1  
MAP - IF HUMAN REMAINS FOUND (cont.)  
RECOMMEND

make recommendations and engage in consultation concerning the treatment of the remains as provided in Public Resources Code Section 5097.98.

10.PLANNING. 2  
MAP - INADVERTENT ARCHAEO FIND  
RECOMMEND

If during ground disturbance activities, unique cultural resources are discovered that were not assessed by the archaeological report(s) and/or environmental assessment conducted prior to project approval, the following procedures shall be followed. Unique cultural resources are defined, for this condition, as being multiple artifacts in close association with each other, but may include fewer artifacts if the area of the find is determined to be of significance due to its sacred or cultural importance.

1. All ground disturbance activities within 100 feet of the discovered cultural resources shall be halted until a meeting is convened between the developer, the archaeologist, the Native American tribal representative and the Planning Director to discuss the significance of the find.

2. At the meeting, the significance of the discoveries shall be discussed and after consultation with the Native American tribal representative and the archaeologist, a decision shall be made, with the concurrence of the Planning Director, as to the appropriate mitigation (documentation, recovery, avoidance, etc.) for the cultural resources.

3. Grading of further ground disturbance shall not resume within the area of the discovery until an agreement has been reached by all parties as to the appropriate mitigation.

10.PLANNING. 3  
USE - LOW PALEO  
RECOMMEND

According to the County's General Plan, this site has been mapped as having a "Low Potential" for paleontological resources. This category encompasses lands for which previous field surveys and documentation demonstrates a low potential for containing significant paleontological resources subject to adverse impacts. As such, this project is not anticipated to require any direct mitigation for paleontological resources. However, should fossil
remains be encountered during site development:

1. All site earthmoving shall be ceased in the area of where the fossil remains are encountered. Earthmoving activities may be diverted to other areas of the site.

2. The applicant shall retain a qualified paleontologist approved by the County of Riverside.

3. The paleontologist shall determine the significance of the encountered fossil remains.

4. Paleontological monitoring of earthmoving activities will continue thereafter on an as-needed basis by the paleontologist during all earthmoving activities that may expose sensitive strata. Earthmoving activities in areas of the project area where previously undisturbed strata will be buried but not otherwise disturbed will not be monitored. The supervising paleontologist will have the authority to reduce monitoring once he/she determines the probability of encountering any additional fossils has dropped below an acceptable level.

5. If fossil remains are encountered by earthmoving activities when the paleontologist is not onsite, these activities will be diverted around the fossil site and the paleontologist called to the site immediately to recover the remains.

6. Any recovered fossil remains will be prepared to the point of identification and identified to the lowest taxonomic level possible by knowledgeable paleontologists. The remains then will be curated (assigned and labeled with museum* repository fossil specimen numbers and corresponding fossil site numbers, as appropriate; places in specimen trays and, if necessary, vials with completed specimen data cards) and catalogued, an associated specimen data and corresponding geologic and geographic site data will be archived (specimen and site numbers and corresponding data entered into appropriate museum repository catalogs and computerized data bases) at the museum repository by a laboratory technician. The remains will then be accessioned into the museum* repository fossil collection, where they will be permanently stored, maintained, and, along with associated specimen and site data, made available for future study by qualified
10. GENERAL CONDITIONS

10.PLANNING. 3 USE - LOW PALEO (cont.) (cont.)

scienitific investigators. * The County of Riverside must be consulted on the repository/museum to receive the fossil material prior to being curated.

10.PLANNING. 4 USE - COMPLY WITH ORD./CODES

The development of these premises shall comply with the standards of Ordinance No. 348 and all other applicable Riverside County ordinances and State and Federal codes.

The development of the premises shall conform substantially with that as shown on APPROVED EXHIBIT A, unless otherwise amended by these conditions of approval.

10.PLANNING. 5 USE - NOISE

All operations associated with PP23327 shall be subject to Noise Ordinance No. 847 and shall not exceed any standards as set forth by the Ordinance.

10.PLANNING. 6 USE - CAUSES FOR REVOCATION

In the event the use is hereby permitted under this permit, a) is found to be in violation of the terms of this permit, b) is found to have been obtained by fraud or perjured testimony, or c) is found to be detrimental to the public health, safety, or general welfare, or is a public nuisance, this permit shall be subject to the revocation procedures.

10.PLANNING. 7 USE - CEASED OPERATIONS

In the event the use hereby permitted ceases operation for a period of one (1) year or more, this approval shall become null and void.

10.PLANNING. 999 USE - HOURS OF OPERATION

The feed and hay sales business hours of operation shall be restricted to Monday - Saturday, 7am - 5pm.
10. GENERAL CONDITIONS

10.PLANNING.999 USE - PARKING SPACES DRAFT

Parking spaces shall be maintained at a ratio of 1 space per 1,000 square-feet of net leasable area, pursuant to Ordinance No. 348 General Retail parking standards. The feed and hay sales use includes 1,920 square-feet of building space, which requires a minimum of 2 parking spaces to be maintained.

TRANS DEPARTMENT

10.TRAN. 1 USE - TS/EXEMPT RECOMMND

The Transportation Department has not required a traffic study for the subject project. The Transportation Department has determined that the project is exempt from traffic study requirements.

60. PRIOR TO GRADING PRMT ISSUANCE

BS GRADE DEPARTMENT

60.BS GRADE. 1 USE - NPDES/SWPPP RECOMMND

Prior to issuance of any grading or construction permits - whichever comes first - the applicant shall provide the Building and Safety Department evidence of compliance with the following: "Effective March 10, 2003 owner operators of grading or construction projects are required to comply with the N.P.D.E.S. (National Pollutant Discharge Elimination System) requirement to obtain a construction permit from the State Water Resource Control Board (SWRCB). The permit requirement applies to grading and construction sites of "ONE" acre or larger. The owner operator can comply by submitting a "Notice of Intent" (NOI), develop and implement a STORM WATER POLLUTION PREVENTION PLAN (SWPPP) and a monitoring program and reporting plan for the construction site. For additional information and to obtain a copy of the NPDES State Construction Permit contact the SWRCB at www.swrcb.ca.gov.

Additionally, at the time the county adopts, as part of any ordinance, regulations specific to the N.P.D.E.S., this project (or subdivision) shall comply with them.
60. PRIOR TO GRADING PRMT ISSUANCE

60.BS GRADE. 2 USE - GRADING SECURITY RECOMMEND

Grading in excess of 199 cubic yards will require a performance security to be posted with the Building and Safety Department.

60.BS GRADE. 3 USE - IMPORT / EXPORT RECOMMEND

In instances where a grading plan involves import or export, prior to obtaining a grading permit, the applicant shall have obtained approval for the import/export location from the Building and Safety Department.

A separate stockpile permit is required for the import site. It shall be authorized in conjunction with an approved construction project and shall comply with the requirements of Ordinance 457.

If an Environmental Assessment, prior to issuing a grading permit, did not previously approve either location, a Grading Environmental Assessment shall be submitted to the Planning Director for review and comment and to the Building and Safety Department Director for approval.

Additionally, if the movement of import / export occurs using county roads, review and approval of the haul routes by the Transportation Department may be required.

60.BS GRADE. 4 USE - GEOTECH/SOILS RPTS RECOMMEND

Geotechnical soils reports, required in order to obtain a grading permit, shall be submitted to the Building and Safety Department for review and approval prior to issuance of a grading permit. All grading shall be in conformance with the recommendations of the geotechnical/soils reports as approved by Riverside County.* The geotechnical/soils, compaction and inspection reports will be reviewed in accordance with the RIVERSIDE COUNTY GEOTECHNICAL GUIDELINES FOR REVIEW OF GEOTECHNICAL AND GEOLOGIC REPORTS.

60.BS GRADE. 6 USE - DRAINAGE DESIGN Q100 RECOMMEND

All drainage facilities shall be designed in accordance with the Riverside County Flood Control & Water District's or Coachella Valley Water District's conditions of approval regarding this application. If not specifically addressed in their conditions, drainage shall be designed to accommodate 100 year storm flows.
60. PRIOR TO GRADING PRMT ISSUANCE

60.BS GRADE. 11 USE. - APPROVED WQMP

Prior to the issuance of a grading permit, the owner/applicant shall submit to the Building & Safety Department Engineering Division evidence that the project-specific Water Quality Management Plan (WQMP) has been approved by the Riverside County Flood Control District or Riverside County Transportation Department and that all approved water quality treatment control BMPs have been included on the grading plan.

60.BS GRADE. 12 USE - PRE-CONSTRUCTION MTG

Upon receiving grading plan approval and prior to the issuance of a grading permit, the applicant is required to schedule a pre-construction meeting with the Building and Safety Department Environmental Compliance Division.

60.BS GRADE. 13 USE- BMP CONST NPDES PERMIT

Prior to the issuance of a grading permit, the owner/applicant shall obtain a BMP (Best Management Practices) Permit for the monitoring of the erosion and sediment control BMPs for the site. The Department of Building and Safety will conduct NPDES (National Pollutant Discharge Elimination System) inspections of the site based on Risk Level to verify compliance with the Construction General Permit, Stormwater ordinances and regulations until completion of the construction activities, permanent stabilization of the site and permit final.

60.BS GRADE. 14 USE - SWPPP REVIEW

Grading and construction sites of "ONE" acre or larger required to develop a STORM WATER POLLUTION PREVENTION PLAN (SWPPP) - the owner/applicant shall submit the SWPPP to the Building and Safety Department Environmental Compliance Division for review and approval prior to issuance of a grading permit.

80. PRIOR TO BLDG PRMT ISSUANCE

BS GRADE DEPARTMENT

80.BS GRADE. 1 USE - NO B/PMT W/O G/PMT

Prior to the issuance of any building permit, the property owner shall obtain a grading permit and/or approval to
80. PRIOR TO BLDG PRMT ISSUANCE

80.BS GRADE. 1  USE - NO B/PRMT W/O G/PRMT (cont.)  RECOMMND

construct from the Building and Safety Department.

80.BS GRADE. 2  USE - ROUGH GRADE APPROVAL  RECOMMND

Prior to the issuance of any building permit, the applicant shall obtain rough grade approval and/or approval to construct from the Building and Safety Department. The Building and Safety Department must approve the completed grading of your project before a building permit can be issued. Rough Grade approval can be accomplished by complying with the following:

1. Submitting a "Wet Signed" copy of the Soils Compaction Report containing substantiating data from the Soils Engineer (registered geologist or certified geologist, civil engineer or geotechnical engineer as appropriate) for his/her certification of the project.

2. Submitting a "Wet Signed" copy of the Rough Grade certification from a Registered Civil Engineer certifying that the grading was completed in conformance with the approved grading plan.

3. Requesting a Rough Grade Inspection and obtaining rough grade approval from a Riverside County inspector.

4. Rough Grade Only Permits: In addition to obtaining all required inspections and approval of all final reports, all sites permitted for rough grade only shall provide 100 percent vegetative coverage to stabilize the site prior to receiving a rough grade permit final.

Prior to release for building permit, the applicant shall have met all rough grade requirements to obtain Building and Safety Department clearance.

90. PRIOR TO BLDG FINAL INSPECTION

BS GRADE DEPARTMENT

90.BS GRADE. 1  USE - WQMP BMP INSPECTION  RECOMMND

Prior to final building inspection, the applicant shall obtain inspection of all treatment control BMPs and/or clearance from the Building and Safety Department. All structural BMPs described in the project - specific WQMP
90. PRIOR TO BLDG FINAL INSPECTION

90.BS GRADE. 1 USE - WQMP BMP INSPECTION (cont.)
and indicated on the approved grading plan shall be
constructed and installed in conformance with the approved
plans and specifications. The Building and Safety
Department must inspect and approve the completed WQMP
treatment control BMPs for your project before a building
final can be obtained.

90.BS GRADE. 2 USE - WQMP BMP CERT REQ'D

Prior to final building inspection, the applicant/owner
shall submit a "Wet Signed" copy of the Water Quality
Management Plan (WQMP) Certification from a Registered
Civil Engineer certifying that the project - specific WQMP
treatment control BMPs have been installed in accordance
with the approved WQMP.

90.BS GRADE. 3 USE - BMP GPS COORDINATES

Prior to final building inspection, the applicant/owner
shall provide the Department of Building Safety with GPS
coordinates for the location of the project - specific WQMP
treatment control BMPs.

90.BS GRADE. 4 USE - BMP REGISTRATION

Prior to final building inspection, the applicant/owner
shall register the project - specific WQMP treatment
control BMPs with the Department of Building Safety
Business Registration Division. Any person or entity that
owns or operates a commercial and/or industrial facility
shall register such facility for annual inspections.

90.BS GRADE. 5 USE - WQMP ANNUAL INSPI FEE

Prior to final building inspection, the applicant shall
make payment to the Building and Safety Department for the

90.BS GRADE. 6 USE - REQ'D GRADING INSPI'S

The developer / applicant shall be responsible for
obtaining the following inspections required by Ordinance
457.

1. Sub-grade inspection prior to base placement.
90. PRIOR TO BLDG FINAL INSPECTION

90.BS GRDGE. 6 USE - REQ'D GRADING INSPI'S (cont.) RECOMMND

2. Base inspection prior to paving.

3. Precise grade inspection of entire permit area.
   a. Inspection of Final Paving
   b. Precise Grade Inspection
   c. Inspection of completed onsite storm drain facilities
   d. Inspection of the WQMP treatment control BMPs

90.BS GRDGE. 7 USE - PRECISE GRDING APPROVAL RECOMMND

Prior to final building inspection, the applicant shall obtain precise grade approval and/or clearance from the Building and Safety Department. The Building and Safety Department must approve the precise grading of your project before a building final can be obtained. Precise Grade approval can be accomplished by complying with the following:

1. Requesting and obtaining approval of all required grading inspections.

2. Submitting a "Wet Signed" copy of the Soils Compaction Report from the Soils Engineer (registered geologist or certified geologist, civil engineer or geotechnical engineer as appropriate) for the sub-grade and base of all paved areas.

3. Submitting a "Wet Signed" copy of the Sub-grade (rough) Certification from a Registered Civil Engineer certifying that the sub-grade was completed in conformance with the approved grading plan.

4. Submitting a "Wet Signed" copy of the Precise (Final) Grade Certification for the entire site from a Registered Civil Engineer certifying that the precise grading was completed in conformance with the approved grading plan.

5. Submitting a "Wet Signed" copy of the Certification certifying the installation of any onsite storm drain systems not inspected by Riverside County Flood Control District or the Riverside County Transportation Department.

6. Submitting a "Wet Signed" copy of the Water Quality Management Plan (WQMP) Certification from a Registered Civil Engineer certifying that the Water Quality Management

RE: AIRPORT LAND USE COMMISSION (ALUC) DEVELOPMENT REVIEW – DIRECTOR’S DETERMINATION

File No.: ZAP1013PV17
Related File No.: PP23327 (Plot Plan)
APNs: 326-240-077, 326-240-022

Dear Mr. Hildebrand:

Under the delegation of the Riverside County Airport Land Use Commission (ALUC) pursuant to Policy 1.5.2(d) of the Countywide Policies of the 2004 Riverside County Airport Land Use Compatibility Plan, staff reviewed County of Riverside Case No. PP23327 (Plot Plan), a proposal to legalize the use of a 3.65-acre site located on the westerly side of State Highway Route 74, southerly of its intersection with 7th Street in the unincorporated community of Good Hope, for the sale of feed and grain (an existing use established without past plot plan approval). The existing structures and features of the site include a 1,028 square foot mobile home, an 864 square foot garage, a 30-foot-high grain feed silo, two hay sheds, a feeder, and a sales kiosk.

The site is located within Airport Compatibility Zone E of the Perris Valley Airport Influence Area and also within the March Air Reserve Base/Inland Port Airport Influence Area. Within Compatibility Zone E of these Airport Influence Areas (AIAs), neither residential density nor nonresidential intensity is restricted.

The nearest runway to the site is Runway 15-33 at Perris Valley Airport. The northerly terminus of this runway is located approximately 7,940 feet southeast of the project site. At this distance, given the runway elevation of 1,417 feet above mean sea level (AMSL), Federal Aviation Administration (FAA) review would be required for any new structures with top of roof exceeding 1,496 feet AMSL. The site has an existing maximum elevation of approximately 1,611 feet above mean sea level, and has an existing maximum structure height of 30 feet for the grain feed silo, which results in a top point elevation of 1,641 feet AMSL. This would normally require Federal Aviation Administration (FAA) obstruction evaluation review for new height/elevation reasons; however, since the buildings and structures are already existing, FAA review is not required, unless a new building or structure is proposed.

As ALUC Director, I hereby find the above-referenced project CONSISTENT with the 2014 March Air Reserve Base/Inland Port Airport Land Use Compatibility Plan and the 2010/2011 Perris Valley Airport Land Use Compatibility Plan, provided that the County of Riverside applies the following recommended conditions:
AIRPORT LAND USE COMMISSION

CONDITIONS:

1. Any new outdoor lighting that is installed shall be hooded or shielded so as to prevent either the spillage of lumens or reflection into the sky. Outdoor lighting shall be downward facing.

2. The review of this Plot Plan is based on existing uses and activities noted in the project description. The following uses/activities are not included in the proposed project and shall be prohibited at this site, in accordance with Note 1 on Table 4 of the Mead Valley Area Plan:

   (a) Any use which would direct a steady light or flashing light of red, white, green, or amber colors associated with airport operations toward an aircraft engaged in an initial straight climb following takeoff or toward an aircraft engaged in a straight final approach toward a landing at an airport, other than an FAA-approved navigational signal light or visual approach slope indicator.

   (b) Any use which would cause sunlight to be reflected towards an aircraft engaged in an initial straight climb following takeoff or towards an aircraft engaged in a straight final approach towards a landing at an airport.

   (c) Any use which would generate smoke or water vapor or which would attract large concentrations of birds, or which may otherwise affect safe air navigation within the area.

   (d) Any use which would generate electrical interference that may be detrimental to the operation of aircraft and/or aircraft instrumentation.

3. The following uses/activities are specifically prohibited: wastewater management facilities; trash transfer stations that are open on one or more sides; recycling centers containing putrescible wastes; incinerators.

4. The attached notice shall be provided to all potential purchasers of the property and to tenants (if any) of the home thereon.

5. No detention basins are depicted on the site plan. Any new aboveground detention or water quality basins on the site shall be designed so as to provide for a maximum 48-hour detention period following the conclusion of the storm event for the design storm (may be less, but not more), and to remain totally dry between rainfalls. Vegetation in and around the detention/water quality basin(s) that would provide food or cover for bird species that would be incompatible with airport operations shall not be utilized in project landscaping.

5. Prior to issuance of building permits for any new structure exceeding twelve (12) feet in height, the permittee shall provide to the Riverside County Department of Building and Safety a “Determination of No Hazard to Air Navigation” letter from the Federal Aviation Administration Obstruction Evaluation Service.
If you have any questions, please contact Paul Rull, ALUC Urban Regional Planner IV, at (951) 955-6893 or John Guerin, ALUC Principal Planner, at (951) 955-0982.

Sincerely,
RIVERSIDE COUNTY AIRPORT LAND USE COMMISSION

Simon A. Housman, ALUC Director

NOTICE OF AIRPORT IN VICINITY

This property is presently located in the vicinity of an airport, within what is known as an airport influence area. For that reason, the property may be subject to some of the annoyances or inconveniences associated with proximity to airport operations (for example: noise, vibration, or odors). Individual sensitivities to those annoyances [can vary from person to person. You may wish to consider what airport annoyances], if any, are associated with the property before you complete your purchase and determine whether they are acceptable to you. Business & Professions Code Section 11010 (b) (13)(A)
"IMPORTANT" Maps and data are to be used for reference purposes only. Map features are approximate, and are not necessarily accurate to surveying or engineering standards. The County of Riverside makes no warranty or guarantee as to the content (the source is often third party), accuracy, timeliness, or completeness of any of the data provided, and assumes no legal responsibility for the information contained on this map. Any use of this product with respect to accuracy and precision shall be the sole responsibility of the user.

If the property is owned by more than one person, attach a separate page that references the application case number and lists the names, mailing addresses, and phone numbers of all persons having an interest in the real property or properties involved in this application.

The Planning Department will primarily direct communications regarding this application to the person identified above as the Applicant. The Applicant may be the property owner, representative, or other assigned agent.
APPLICATION FOR LAND USE AND DEVELOPMENT

AUTHORIZATION FOR CONCURRENT FEE TRANSFER

The signature below authorizes the Planning Department and TLMA to expedite the refund and billing process by transferring monies among concurrent applications to cover processing costs as necessary. Fees collected in excess of the actual cost of providing specific services will be refunded. If additional funds are needed to complete the processing of your application, you will be billed, and processing of the application will cease until the outstanding balance is paid and sufficient funds are available to continue the processing of the application. The applicant understands the deposit fee process as described above, and that there will be NO refund of fees which have been expended as part of the application review or other related activities or services, even if the application is withdrawn or the application is ultimately denied.

All signatures must be originals ("wet-signed"). Photocopies of signatures are not acceptable.

Maria de Jesus Brambila                                             SIGNATURE OF APPLICANT

AUTHORITY FOR THIS APPLICATION IS HEREBY GIVEN:

I certify that I am/we are the record owner(s) or authorized agent and that the information filed is true and correct to the best of my knowledge. An authorized agent must submit a letter from the owner(s) indicating authority to sign the application on the owner's behalf.

All signatures must be originals ("wet-signed"). Photocopies of signatures are not acceptable.

Maria de Jesus Brambila                                             SIGNATURE OF PROPERTY OWNER(S)

Roel Brambila                                                      PRINTED NAME OF PROPERTY OWNER(S)

If the property is owned by more than one person, attach a separate sheet that references the application case number and lists the printed names and signatures of all persons having an interest in the property.

☐ See attached sheet(s) for other property owners signatures.

Plot Plan for Sales Feed Hay

Related cases filed in conjunction with this request:

None

Is there a previous development application filed on the same site: Yes □ No □

If yes, provide Case No(s). NA (Parcel Map, Zone Change, etc.)

E.A. No. (if known) NA E.I.R. No. (if applicable) NA

Have any special studies or reports, such as a traffic study, biological report, archaeological report, geological or geotechnical reports, been prepared for the subject property? Yes □ No □

If yes, indicate the type of report(s) and provide a copy: None

Is water service available at the project site: Yes □ No □

If "No," how far must the water line(s) be extended to provide service? (No. of feet/miles) NA

Is sewer service available at the site? Yes □ No □

If "No," how far must the sewer line(s) be extended to provide service? (No. of feet/miles) 1 mile

Will the proposal result in cut or fill slopes steeper than 2:1 or higher than 10 feet? Yes □ No □

How much grading is proposed for the project site?

Estimated amount of cut = cubic yards: 0

Estimated amount of fill = cubic yards 0

Does the project need to import or export dirt? Yes □ No □

Import 0 Export 0 Neither

What is the anticipated source/destination of the import/export? None
APPLICATION FOR LAND USE AND DEVELOPMENT

What is the anticipated route of travel for transport of the soil material? N/A

How many anticipated truckloads? N/A __________________________ truck loads.

What is the square footage of usable pad area? (area excluding all slopes) 40,000 sq. ft.

Is the development proposal located within 8½ miles of March Air Reserve Base? Yes ☐ No ☐

If yes, will any structure exceed fifty-feet (50') in height (above ground level)? Yes ☐ No ☐

Does the development project area exceed more than one acre in area? Yes ☐ No ☐

If yes, in which one of the following watersheds is it located (refer to Riverside County GIS for watershed location)?

Check answer:
☐ Santa Ana River ☐ Santa Margarita River ☐ San Jacinto River ☐ Colorado River

HAZARDOUS WASTE SITE DISCLOSURE STATEMENT

Government Code Section 65962.5 requires the applicant for any development project to consult specified state-prepared lists of hazardous waste sites and submit a signed statement to the local agency indicating whether the project is located on or near an identified site. Under the statute, no application shall be accepted as complete without this signed statement.

I (we) certify that I (we) have investigated our project with respect to its location on or near an identified hazardous waste site and that my (our) answers are true and correct to the best of my (our) knowledge. My (Our) investigation has shown that:

☐ The project is not located on or near an identified hazardous waste site.

☐ The project is located on or near an identified hazardous waste site. Please list the location of the hazardous waste site(s) on an attached sheet.

INDEMNIFICATION AGREEMENT

This INDEMNIFICATION AGREEMENT ("Agreement"), made by and between the COUNTY OF RIVERSIDE, a political subdivision of the State of California ("COUNTY"), and Noel Brambila and Maria De Jesus Brambila, husband and wife, ("PROPERTY OWNER"), relating to the PROPERTY OWNER’S indemnification of the COUNTY under the terms set forth herein:

WITNESSETH:

WHEREAS, the PROPERTY OWNER has a legal interest in the certain real property described as APNS 326-240-022 and 326-240-077 ("PROPERTY"); and,

WHEREAS, on March 5, 2008, PROPERTY OWNER filed an application for Plot Plan 23327 ("PROJECT"); and,

WHEREAS, judicial challenges of projects requiring discretionary approvals, including, but not limited to, California Environmental Quality Act determinations, are costly and time consuming. Additionally, project opponents often seek an award of attorneys’ fees in such challenges; and,

WHEREAS, since property owners are the primary beneficiaries of such approvals, it is appropriate that such owners bear the expense of defending against any such judicial challenge, and bear the responsibility of any costs, attorneys’ fees and damages which may be awarded to a successful challenger; and,

WHEREAS, in the event a judicial challenge is commenced against the PROJECT, the COUNTY has requested and the PROPERTY OWNER has agreed to defend, indemnify and hold harmless the COUNTY, its agents, officers, or employees from any claim, action or proceeding against the COUNTY, its agents, officers, or employees to attack, set aside, void or annul any approval of the COUNTY, its advisory agencies, appeal boards, or legislative body concerning the PROJECT or its associated environmental documentation ("LITIGATION"); and,

WHEREAS, this Agreement is entered into by the COUNTY and PROPERTY OWNER to establish specific terms concerning PROPERTY OWNER’S indemnification obligation for the PROJECT.

NOW, THEREFORE, it is mutually agreed between COUNTY and PROPERTY OWNER as follows:

1. Indemnification. PROPERTY OWNER, at its own expense, shall defend, indemnify and hold harmless the COUNTY, its agents, officers, and employees from and against any claim, action or proceeding brought against the COUNTY, its agents, officers, and employees to attack, set aside, void or annul any
approval of the PROJECT including any associated costs, damages, and expenses including, but not limited to, costs associated with Public Records Act requests submitted to the COUNTY related to the PROJECT and an award of attorneys' fees and costs incurred or arising out of the above-referenced claim, action or proceeding brought against the COUNTY ("Indemnification Obligation.")

2. **Defense Cooperation.** PROPERTY OWNER and the COUNTY shall reasonably cooperate in all aspects of the LITIGATION. Nothing contained in this Agreement, however, shall be construed to limit the discretion of COUNTY, in the interest of the public welfare, to settle, defend, appeal or to decline to settle or to terminate or forego defense or appeal of the LITIGATION. It is also understood and agreed that all litigation pleadings are subject to review, revision and approval by COUNTY's Office of County Counsel.

3. **Representation and Payment for Legal Services Rendered.** COUNTY shall have the absolute right to approve any and all counsel retained to defend COUNTY in the LITIGATION. PROPERTY OWNER shall pay the attorneys' fees and costs of the legal firm retained by PROPERTY OWNER to represent the COUNTY in the LITIGATION. Failure by PROPERTY OWNER to pay such attorneys' fees and costs may be treated as an abandonment of the PROJECT and as a default of PROPERTY OWNER's obligations under this Agreement.

4. **Payment for COUNTY's LITIGATION Costs.** Payment for COUNTY's costs related to the LITIGATION shall be made on a deposit basis. LITIGATION costs include any associated costs, fees, damages, and expenses as further described in Section 1. herein as Indemnification Obligation. Within thirty (30) days of receipt of notice from COUNTY that LITIGATION has been initiated against the PROJECT, PROPERTY OWNER shall initially deposit with the COUNTY's Planning Department the total amount of Twenty Thousand Dollars ($20,000). PROPERTY OWNER shall deposit with COUNTY such additional amounts as COUNTY reasonably and in good faith determines, from time to time, are necessary to cover costs and expenses incurred by the COUNTY, including but not limited to, the Office of County Counsel, Riverside County Planning Department and the Riverside County Clerk of the Board associated with the LITIGATION. Within ten (10) days of written notice from COUNTY, PROPERTY OWNER shall make such additional deposits. Collectively, the initial deposit and additional deposits shall be referred to herein as the "Deposit."

5. **Return of Deposit.** COUNTY shall return to PROPERTY OWNER any funds remaining on deposit after ninety (90) days have passed since final adjudication of the LITIGATION.

6. **Notices.** For all purposes herein, notices shall be effective when personally delivered, delivered by commercial overnight delivery service, or sent by
7. **Default and Termination.** This Agreement is not subject to termination, except by mutual agreement or as otherwise provided herein. In the event of a default of PROPERTY OWNER’s obligations under this Agreement, COUNTY shall provide written notification to PROPERTY OWNER of such alleged default and PROPERTY OWNER shall have ten (10) days after receipt of written notification to cure any such alleged default. If PROPERTY OWNER fails to cure such alleged default within the specified time period or otherwise reach agreement with the COUNTY on a resolution of the alleged default, COUNTY may, in its sole discretion, do any of the following or combination thereof:

   a. Deem PROPERTY OWNER’s default of PROPERTY OWNER’s obligations as abandonment of the PROJECT and as a breach of this Agreement;
   
   b. Rescind any PROJECT approvals previously granted;
   
   c. Settle the LITIGATION.

In the event of a default, PROPERTY OWNER shall remain responsible for any costs and attorney’s fees awarded by the Court or as a result of settlement and other expenses incurred by the COUNTY related to the LITIGATION or settlement.

8. **COUNTY Review of the PROJECT.** Nothing in this Agreement shall be construed to limit, direct, impede or influence the COUNTY’s review and consideration of the PROJECT.

9. **Complete Agreement/Governing Law.** This Agreement represents the complete understanding between the parties with respect to matters set forth herein. This Agreement shall be construed in accordance with the laws of the State of California.

10. **Successors and Assigns.** The obligations specific herein shall be made, and are binding on the successors in interest of the PROPERTY OWNER, whether the succession is by agreement, by operation of law or by any other means.
11. **Amendment and Waiver.** No modification, waiver, amendment or discharge of this Agreement shall be valid unless the same is in writing and signed by all parties.

12. **Severability.** If any term, provision, covenant or condition of this Agreement is held to be invalid, void or otherwise unenforceable, to any extent, by any court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby, and each term, provision, covenant or condition of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

13. **Survival of Indemnification.** The parties agree that this Agreement shall constitute a separate agreement from any PROJECT approval, and if the PROJECT, in part or in whole, is invalidated, rendered null or set aside by a court of competent jurisdiction, the parties agree to be bound by the terms of this Agreement, which shall survive such invalidation, nullification or setting aside.

14. **Interpretation.** The parties have been advised by their respective attorneys, or if not represented by an attorney, represent that they had an opportunity to be so represented in the review of this Agreement. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in interpreting this Agreement.

15. **Captions and Headings.** The captions and section headings used in this Agreement are inserted for convenience of reference only and are not intended to define, limit or affect the construction or interpretation of any term or provision hereof.

16. **Jurisdiction and Venue.** Any action at law or in equity arising under this Agreement or brought by a party hereto for the purpose of enforcing, construing or determining the validity of any provision of this Agreement shall be filed in the Courts of Riverside County, State of California, and the parties hereto waive all provisions of law providing for the filing, removal or change of venue to any other court or jurisdiction.

17. **Counterparts; Facsimile & Electronic Execution.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document. To facilitate execution of this Agreement, the parties may execute and exchange facsimile or electronic counterparts, and facsimile or electronic counterparts shall serve as originals.
18. **Joint and Several Liability.** In the event there is more than one PROPERTY OWNER, the liability of PROPERTY OWNER shall be joint and several, and PROPERTY OWNER each of them shall be jointly and severally liable for performance of all of the obligations of PROPERTY OWNER under this Agreement.

19. **Effective Date.** The effective date of this Agreement is the date the parties sign the Agreement. If the parties sign the Agreement on more than one date, then the last date the Agreement is signed by a party shall be the effective date.

**IN WITNESS WHEREOF,** the parties hereto have duly caused this Agreement to be executed by their authorized representatives as of the date written.

Fee Balance: $0, as of 09/01/2017.

CFG Case #: CFG05246 - Fee Balance: $50.00

Estimated amount of time needed for Public Hearing: 10 Minutes (Min 5 minutes)

Controversial: YES ☐ NO ☒

Provide a very brief explanation of controversy (1 short sentence)
NOTICE OF PUBLIC HEARING

A PUBLIC HEARING has been scheduled, pursuant to Riverside County Land Use Ordinance No. 348, before the RIVERSIDE COUNTY DIRECTOR’S HEARING to consider the project shown below:

PLOT PLAN NO. 23327 – Exempt from the California Environmental Quality Act (CEQA), Section 15303 (New Construction or Conversion of Small Structures) – Applicant: Maria Brambila – Engineer/Representative: Ventura Engineering, LLC – First Supervisorial District – Good Hope Zoning Area – Mead Valley Area Plan: Community Development: Medium Density Residential (CD-MDR) – Mixed Use Area (MUA) – Highway 74 Perris Policy Area – Location: Northerly of Dockery Lane, southerly of 7th Street, easterly of Clayton Street, and westerly of State Highway 74 – 3.6 gross acres – Zoning: Rural Residential (R-R) – Mixed Use (MU) – REQUEST: Plot Plan No. 23327 is a request to entitle an existing feed and hay sales facility, in conjunction with an existing residence, on two (2) parcels, totaling 3.6 gross acres.

TIME OF HEARING: 1:30 pm or as soon as possible thereafter
DATE OF HEARING: OCTOBER 16, 2017
PLACE OF HEARING: RIVERSIDE COUNTY ADMINISTRATIVE CENTER
1ST FLOOR, CONFERENCE ROOM 2A
4080 LEMON STREET, RIVERSIDE, CA 92501

For further information regarding this project please contact Project Planner: John E. Hildebrand at (951) 955-1888 or email jhildebr@rivco.org, or go to the County Planning Department’s Director’s Hearing agenda web page at http://planning.rctlma.org/PublicHearings.aspx.

The Riverside County Planning Department has determined that the above-described application is exempt from the provisions of the California Environmental Quality Act (CEQA). The Planning Director will consider the proposed application at the public hearing.

The case file for the proposed project may be viewed Monday through Friday, from 8:00 A.M. to 5:00 P.M. at the Planning Department office, located at 4080 Lemon St. 12th Floor, Riverside, CA 92501.

Any person wishing to comment on the proposed project may do so in writing between the date of this notice and the public hearing; or, may appear and be heard at the time and place noted above. All comments received prior to the public hearing will be submitted to the Planning Director, and the Planning Director will consider such comments, in addition to any oral testimony, before making a decision on the proposed project.

If this project is challenged in court, the issues may be limited to those raised at the public hearing, described in this notice, or in written correspondence delivered to the Planning Director at, or prior to, the public hearing. Be advised that as a result of public hearings and comment, the Planning Director may amend, in whole or in part, the proposed project. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the proposed project, may be changed in a way other than specifically proposed.

Please send all written correspondence to:
RIVERSIDE COUNTY PLANNING DEPARTMENT
Attn: John Hildebrand
P.O. Box 1409, Riverside, CA 92502-1409
PROPERTY OWNERS CERTIFICATION FORM

I, ___________ VINNIE NGUYEN ___________ certify that on ___________ April 26, 2017 ___________,

The attached property owners list was prepared by ___________ Riverside County GIS ___________.

APN (s) or case numbers ___________ PP23327 ___________ For

Company or Individual’s Name ___________ RCIT - GIS ___________.

Distance buffered ___________ 600’ ___________.

Pursuant to application requirements furnished by the Riverside County Planning Department.

Said list is a complete and true compilation of the owners of the subject property and all other
property owners within 600 feet of the property involved, or if that area yields less than 25
different owners, all property owners within a notification area expanded to yield a minimum of
25 different owners, to a maximum notification area of 2,400 feet from the project boundaries,
based upon the latest equalized assessment rolls. If the project is a subdivision with identified
off-site access/improvements, said list includes a complete and true compilation of the names and
mailing addresses of the owners of all property that is adjacent to the proposed off-site
improvement/alignment.

I further certify that the information filed is true and correct to the best of my knowledge. I
understand that incorrect or incomplete information may be grounds for rejection or denial of the
application.

TITLE ___________ GIS Analyst ___________.

NOTICE OF EXEMPTION

TO:  □ Office of Planning and Research (OPR)  FROM:  Riverside County Planning Department
      P.O. Box 3044  □ 4080 Lemon Street, 12th Floor
      Sacramento, CA 95812-3044  P. O. Box 1409
      □ County of Riverside County Clerk  Riverside, CA 92502-1409

Project Title/Case No.:  PP23327
Project Location:  In the unincorporated area of Riverside County, more specifically located north of Dockery Lane, south of 7th Street, east of Clayton Street, west of State Highway 74, and is located within the Mead Valley Area Plan.
Project Description:  A Plot Plan to establish an existing feed and hay sales facility, on two parcels totaling 3.6 gross acres.

Name of Public Agency Approving Project:  Riverside County Planning Department
Project Applicant & Address:  Maria Brambia, 10457 54th Street, Mira Loma, CA 91752

Exempt Status:  (Check one)
□ Ministerial (Sec. 21080(b)(1); 15268)  □ Categorical Exemption (Section 15303)
□ Declared Emergency (Sec. 21080(b)(3); 15269(a))  □ Statutory Exemption (__________)  □ Emergency Project (Sec. 21080(b)(4); 15269 (b)(c))
□ Other:  ____________

Reasons why project is exempt:  This project has been determined to be categorically exempt from CEQA, as set forth per Section 15303 (New Construction or Conversion of Small Structures). This Plot Plan includes the entitlement of an existing feed and hay sales facility. No new construction or grading is associated with this project. In addition, there are no unusual circumstances such as scenic resources, historic buildings, trees, or rock outcroppings that will be affected by the project, and it is not on a hazardous waste site.
