7. Project Data:
   Total Acreage: 1.56
   Total Parcels: 1

8. Environmental Concerns:
   CEQA Exempt
RECOMMENDATIONS:

CONSIDER a NOTICE OF EXEMPTION from the California Environmental Quality Act pursuant to CEQA Guidelines Sections 15061(b)(2) and 15301; and,

APPROVAL of CONDITIONAL USE PERMIT NO. 3697, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the staff report.

FINDINGS: The following findings are in addition to those incorporated in the summary of findings.

1. The project site is designated Community Development: Business Park (CD:BP) on the Temescal Canyon Area Plan.

2. The Community Development: Business Park land use designation allows for a wide variety of industrial and related uses, including research and development, technology centers, corporate and support office uses, “clean” industry and supporting retail uses. The proposal, a Class IV kennel (pet hotel) with a dog day care, grooming services (spa and salon) and related sales qualify as supporting retail uses as they support the “Wildrose Business Park,” the “Wildrose Specific Plan” and the community as a whole and are therefore consistent with the Community Development: Business Park (CD:BP) designation.

3. Section 18.45(b)(5) of Riverside County Ordinance No. 348, Kennels and Catteries, indicates that a Class IV Kennel can house 41 or more dogs in the zones specified under the section.

4. The subject site is surrounded by properties which are designated Community Development: Business Park (CD:BP) (0.25-0.60 Floor Area Ratio) and Community Development: Light Industrial (CD:LI) (0.25-0.60 Floor Area Ratio).

5. The zoning for the subject site is Specific Plan. The subject site is located within Planning Area III-1 of the “Wildrose Specific Plan” (Specific Plan No. 176).

6. The proposed use, a Class IV kennel (pet hotel) with a dog day care, grooming services (spa and salon) and related sales are permitted uses, subject to approval conditional use permit, in Planning Area III-1 of the “Wildrose Specific Plan.” The base zone of Planning Area III-1 is the Riverside County Ordinance No. 348 Manufacturing-Service Commercial zone which permits the uses under the following: Sections 11.2.b.(1a) (Grain and bakery products), 11.2.b.(2) (Day care centers) and 11.2.e (Kennels).

7. The proposed use, a Class IV kennel (pet hotel) with a dog day care, grooming services (spa and salon) and related sales, is consistent with the development standards set forth in Planning Area III-1 of the “Wildrose Specific Plan” and the Manufacturing-Service Commercial zone.

8. The project site is surrounded by properties which are zoned Manufacturing- Service Commercial (M-SC), Industrial Park (IP), Residential Agricultural (R-A) and Specific Plan (SP)- Wildrose #176.

9. The applicant is currently operating the pet hotel and its associated uses within a building on the parcel directly adjacent to the east of the subject site.
10. This project is located within a Criteria Area, more specifically, Cell Group E-Cell 2827 of the Western Riverside County Multiple Species Habitat Conservation Plan. The proposed project is being proposed within an existing building; therefore, no conservation is required.

11. This project is within the boundaries of the City of Corona Sphere of Influence. As such, it is required to conform to the County's Memorandum of Understanding (MOU) with that city. This project does conform to the MOU as the project was presented before the City of Corona's Planning Department staff for review and comment. The City of Corona's Planning Department had no objections or comments on the project.

12. The proposed project is a commercial project in conformance with Specific Plan No. 176 for which an Environmental Impact Report (EIR No. 183) has been prepared and adopted, therefore pursuant to Section 15301 of the CEQA Guidelines, the proposed project is exempt from CEQA.

CONCLUSIONS:

1. The proposed project is in conformance with the Community Development: Business Park (CD:BP) Land Use Designation, and with all other elements of the Riverside County General Plan.

2. The proposed project is consistent with the adopted "Wildrose Specific Plan" zoning ordinance and the Manufacturing-Service Commercial (M-SC) zoning designation.

3. The public's health, safety, and general welfare are protected through project design.

4. The proposal is clearly compatible with the present and future logical development of the area.

5. The project is exempt from the provision of the California Environmental Quality Act.

6. The proposal will not preclude reserve design for the Western Riverside County Multiple Species Habitat Conservation Plan (WRCMSHCP).

INFORMATIONAL ITEMS:

   a. A Parks and Recreation District (or a CSA that provides for park facilities); and
