PROJECT BACKGROUND AND ANALYSIS

Background:

This Conditional Use Permit (Project) is exclusively for the sale of beer and wine for consumption off the premises where sold. The plot plan was originally approved under PP26096 by the Riverside County Planning Department on June 19, 2017 for a Dollar General Store without alcohol sales. Hours of operation were approved to be 8:00 a.m. to 10:00 p.m. The original property consisted of two parcels, whereby the Plot Plan conditioned for the parcels to merge with a certificate of parcel merger. The property also included a Setback Adjustment (SBA No. 6097) that was approved on June 7, 2017 by the Assistant TLMA Director. The Setback Adjustment was to increase the street side yard setback from a maximum of 15 feet in the Mixed Use (MU) zone (Section 9.87 (A.13a) of Ordinance No. 348) to approximately 45 feet along the westerly street boundary of North Fern Street to accommodate the building. The setback was supported with findings due to the irregular shape of the two parcels, the location of the property adjacent to the freeway exit and the proposed building design.

The Mixed Use (MU) and Rubidoux-Village Commercial (R-VC) zones allow the sale of alcohol for off-site consumption provided a conditional use permit is approved, pursuant to Subsection B.1. of Section 18.48 of Ordinance No. 348. However, Section 18.48 does not list either the MU or R-VC zone. Ordinance No. 348.4896 correct that inconsistency by including those zones within the language of Section 18.48.

This Conditional Use Permit is in addition to the previous Plot Plan. The conditions of approval for the Plot Plan will continue to remain in full force and effect, with the new conditions of approval.

Alcohol Sales and Public Convenience and Necessity

Currently there are seven (7) alcohol beverage control licenses permitted in Census Tract 438.13. Approval of this Conditional Use Permit would increase the number of existing alcohol beverage control licenses to eight (8). According to the California State Department of Alcohol Beverage Control (ABC), the maximum number of licenses for this census tract is two (2). In order to exceed the number of allowed licenses for a census tract, the ABC requires acknowledgement from the local jurisdiction that the jurisdiction agrees with the increase beyond the limit. The acknowledgement is the approval of finding of “Determination of Public Convenience and Necessity” in the recommendations.

The application was submitted to the County of Riverside on October 18, 2017.

ENVIRONMENTAL REVIEW / ENVIRONMENTAL FINDINGS

This proposed project has been determined to be categorically exempt from CEQA, as set forth per Sections 15061(b)3 (Common Sense exemption) and 15301 (Existing Facilities exemption) of the State CEQA Guidelines.

Section 15301 exempts permitting, licensing, or minor alteration of existing public or private structures, involving negligible or no expansion of use beyond that existing at the time of the lead agency’s determination. This is an existing retail store, similar to other existing facilities that include the sale of beer and wine for offsite consumption. The project will not increase the intensity of the use of the existing store and any expansion of use would be negligible given the commonality of the sale of beer and wine for offsite consumption from similar retail establishments in the area.
Section 15061(b)3 states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects, which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. The proposal is to allow the sale of beer and wine for off-site alcohol consumption for an existing Dollar General Store. Because the proposal is for permitting only, and will not create any physical changes to the exterior of the store, and would have no potential for causing a significant effect on the environment, the proposal qualifies as exempt based on Sections 15061(b)3 and 15301 of the State CEQA guidelines. Further, Alcohol Sales within the MU and R-VC designation were analyzed prior in the General Plan, whereby the revision to the ordinance would not create any potential impacts that were not already analyzed.

The environmental impacts for the approved Plot Plan No. 26096 were assessed under EA42950 and a Negative Declaration was determined.

**FINDINGS AND CONCLUSIONS**

**In order for the County to approve the proposed project, the following findings are required to be made:**

**Land Use Findings:**

1. The subject site has a General Plan Land Use Designation of Community Development: Mixed Use Area (MUA). The Commercial Retail land use designation states it encourages, “Local and regional serving retail and service uses” for the development of commercial retail uses at a neighborhood, community and regional level, as well as for professional office and tourist-oriented commercial uses. The proposed use is consistent with the Land Use Designation because the use is to permit beer and wine sales for an existing convenience store and other similar uses within the MU designation, which will provide local and regional retail and services.

2. The site is located within the Cabazon Policy Area and Community Center Overlay. The site was originally reviewed for compliance with the policy area, and the site was approved under Plot Plan 26096. The proposal is to add beer and wine sales for offsite consumption and make a revision to Ordinance No. 348. The Cabazon Policy Area does not address alcoholic beverage sales.

3. The site has a Zoning Classification of Mixed Use (MU) which is consistent with the Riverside County General Plan. With the adoption of Ordinance No. 348.4896, Section 18.48 of Ordinance No. 348 would permit the sale of alcoholic beverages for off-premises consumption within the MU zone with a Conditional Use Permit.

4. The purpose of Ordinance No. 348.4896 is to fix the existing inconsistency between the MU and R-VC zones with Section 18.48 of Ordinance No. 348.

**Public Convenience of Necessity Findings**

5. The number of alcoholic beverage licenses ABC is authorized to issue within a census tract is derived from population. The California State Business and Professions Code Section 23817.5 states, “The number of premises for which an off-sale beer and wine licenses is issued shall be limited to one for each 2,500 (residents), or fraction thereof.” Based on the 2010 census, ABC is authorized to issue two off-site sale licenses within Census Tract 427.20. Currently, there are seven off-site licenses
within Census Tract 427.20. When the licenses within a census tract exceeds the number of licenses that ABC is authorized to issue, the local jurisdiction (County of Riverside) is required to make findings that the issuance of an additional license serves as a Public Convenience or Necessity.

Based upon the information contained within the staff report and accompanying attachments, the Planning Commission is required to find the proposal to be in the interest of the Public Convenience of Necessity as follows:

a. The sale of alcohol at this Grocery Store will be a public convenience. The subject property proposes to sell beer and wine for the convenience of its patrons that shop for groceries and general merchandise. It is convenient for consumers to purchase all of their desired products in one location. This type of convenience store is unique and provides services not found nearby.

b. The approval of a new license for the off-sale of beer and wine is an ancillary use to a general merchandise store and will not have a disproportionate impact on adjacent residential neighborhoods or sensitive uses. Less than 2.5% of store area is devoted exclusively for beer and wine sales. The sale of beer and wine is an ancillary use to the sale of general merchandise and groceries and will not adversely affect the adjacent property or sensitive uses that may be nearby.

c. The approval of the sale of beer and wine will not result in an adverse impact on public health, safety, or welfare. The location or the use shall not result in adverse impacts on public health, safety or welfare in that the subject business is a convenience store within minimal area allocated to beer and wine sales. This proposal was routed to the Riverside County Sheriff’s Department for review and comment and a public hearing notice was mailed to adjacent property owners within 1000’ feet of the subject site. To date, staff has not received any comments from the public. Staff has included conditions of approval to address any potential adverse impacts to the surrounding area.

The revision to the ordinance would not affect the overconcentration of alcohol licenses as each proposal would need to be individually evaluated.

6. According to ABC, over concentrations of existing licenses above those allocated for Census Tracts are common occurrences.

7. The proposed project does provide the public necessity and convenience for the residents of the surrounding community. The Project provides additional local retail services for the surrounding community in line with the General Plan. In addition, the Project will provide a convenience to local residents, jobs, and overall economic growth in the community. By providing beer and wine as well as retail options, the site will reduce the number of vehicle trips in the area, and the residents would gain the resulting cumulative benefits of those reduced vehicle trips such as less traffic congestion and lower total emissions.

Each proposal within the MU and R-VC zone would still require a finding of public necessity and convenience. The revision to the ordinance would not impact the public necessity and convenience.

Approval Findings
8. The proposal is to add the sale of beer and wine for off premises consumption to an approved convenience store and make a revision to Ordinance No. 348. There will be no physical changes to the site or building plans, whereby the project will remain consistent with the development standards set forth in the Mixed Use (MU) zone.

   a. The overall development of the land shall be designed for the protection of the public health, safety and general welfare, through the project design. The processing of the Conditional Use Permit, with the conditions of approval and the conditions that further enforce the development standards, will give the jurisdiction the power to revoke the permit in the instance the store creates problems affecting the public health, safety and general welfare of the community.

9. The proposed use conforms to the logical development of the land and to be compatible with the present and future logical development of the surrounding property. The store is located adjacent to residential uses, providing a convenient and closer location for the residents to purchase beer and wine, the location is close enough that many of the residents would be able to easily walk, or bicycle to the store, whereby reducing the number of vehicle trips in the area, and the residents would gain the resulting cumulative benefits of those reduced vehicle trips such as less traffic congestion and lower total emissions.

Alcoholic Beverage Sales/Development Standards Findings:

10. The proposed use is consistent with the objectives and development standards of Section 18.48 (Alcoholic Beverage Sales) of Ordinance No. 348 based on the following:

   a. The sale of alcoholic beverages for off-premises consumption is allowed in the MU zone with an approved Conditional Use Permit, subject to the adoption of Ordinance No. 348.4896.

   b. A radius map buffering 1000 feet from the subject site was prepared by Riverside County Geographic Information Systems and has not identified any playgrounds, parks, schools or nonprofit youth facilities within 1000 feet the site.

   c. There are no schools, public parks, nonprofit youth facilities, or playgrounds located with 600 feet of the site. Therefore, vehicle traffic from the facility will not be a potential hazard to a school, public park, nonprofit youth facilities or playground.

   d. A notice of public hearing has been mailed to all property owners within 1,000 feet of the subject facility.

   e. This approval is for only beer and wine.

   f. It has been conditioned that the owner and the management of the store shall educate the public regarding driving under the influence of intoxicating beverages, minimum age for purchase and consumption of alcoholic beverages, driving with open containers and the penalty associated with violation of these laws. In addition, the owner and management shall provide health warnings about the consumption of alcoholic beverages. This educational requirement may be met by posting prominent signs, decals or brochures at
points of purchase. In addition, the owner and management shall provide adequate training for all employees at the location as to these matters.

g. It has been conditioned that no displays of beer, wine or other alcoholic beverages shall be located within five feet of any building entrance or checkout counter.

h. It has been conditioned that cold beer or wine shall be sold from, or displayed in, the main, permanently affixed electrical coolers only.

i. It has been conditioned that employees selling beer and wine between the hours of 10:00 p.m. and 2:00 a.m. shall be at least 21 years of age.

Other Findings:

11. The project site is located within Zone B of the Mount Palomar Observatory Lighting Zone boundary, as identified by Ordinance No. 655 (Mt. Palomar). Conditions of approval were placed on PP No. 26096 requiring compliance with Ordinance No. 655. CUP No. 3784 will allow the sale of alcoholic beverages for off-site consumption at the approved Dollar General store. As part of the approval for PP No. 26096, conditions of approval related to Mt Palomar lighting were placed in the approved PP No. 26096. These findings were tied to the original Plot Plan.

12. The site is located within a Low Paleontological Sensitivity area. This use is for the beer and wine sales for an approved convenience store. The Plot Plan been conditioned to mitigate any development impacts to paleontological sensitivity. CUP No. 3784 will allow the sale of alcoholic beverages for off-site consumption at the approved Dollar General store. As part of the approval for PP No. 26096, conditions of approval related to paleontological sensitivity were placed in the approved PP No. 26096. This Conditional Use Permit will supersede and encompass the Plot Plan, whereby all of the approved conditions of approval have been applied to this Conditional Use Permit.

13. The site is located within a Moderate Liquefaction area. This use is for the beer and wine sales for an approved convenience store. The Plot Plan been conditioned to mitigate any development impacts to liquefaction. CUP No. 3784 will allow the sale of alcoholic beverages for off-site consumption at the approved Dollar General store. As part of the approval for PP No. 26096, conditions of approval related to liquefaction were placed in the approved PP No. 26096. This Conditional Use Permit will supersede and encompass the Plot Plan, whereby all of the approved conditions of approval have been applied to this Conditional Use Permit.

14. This project is within the Coachella Valley Multiple Species Habitat Conservation Plan, but is not located within a Conservation Area of that plan. The revision to the Ordinance to make the Mixed Use zone consistent, and allowing alcohol sales would not affect any conservation areas.

Conclusion:

15. For the reasons discussed above, the proposed project conforms to all the requirements of the General Plan and with all applicable requirements of State law and the ordinances of Riverside County. Moreover, the proposed project would not be detrimental to the health, safety or general welfare of the community.
PUBLIC HEARING NOTIFICATION AND COMMUNITY OUTREACH

This project was advertised in the Press Enterprise Newspaper. Additionally, public hearing notices were mailed to property owners within 1000 feet of the project site. As of the writing of this report, Planning Staff has not received written communication/phone calls in regards to the proposed use permit.

**Budget Adjustment:** No

**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

**Summary**

When the MU Zone was added to Ordinance No. 348 in 2016, it included language that allows liquor stores, pursuant to the provisions of Section 18.48, alcoholic beverage sales, with an approved conditional use permit (CUP). Section 18.48 of Ordinance No. 348 provides the regulations and standards for the sale of alcoholic beverages for off-premises consumption. Subsection B of Section 18.48 also includes the zoning classifications where the sale of alcoholic beverages for off-premises consumption is allowed with an approved CUP. In 2016, Subsection B of Section 18.48 was inadvertently not updated to include the MU Zone in the listed zones. This creates an inconsistency between the MU Zone and Section 18.48. Staff is requesting this amendment initiation in order to remove this inconsistency.

**Fiscal Information**

With support from County Counsel, Planning Department staff will conduct the necessary analysis, research, drafting of staff report documents, and presentation for the proposed Ordinance amendment.

Planning-GEO

Planning-GEO. 1 0015 - GEO002524 ACCEPTED

County Geologic Report GEO No. 2524, submitted for the project Plot Plan No. 26096 (PP26096), was prepared by Geoboden, Inc. The report is titled; “Geotechnical Investigation Report, Proposed Dollar General Building, Cabazon, N Fern Street & Main Street, Cabazon, California,” dated August 5, 2016. In addition, Geoboden submitted the following documents:
“Response to County of Riverside, Proposed Dollar General Building, Cabazon, N Fern Street & Main Street, Cabazon, California,” dated December 22, 2016.
“Second Response to County of Riverside, Proposed Dollar General Building, Cabazon, N Fern Street & Main Street, Cabazon, California,” dated February 28, 2017.
This document is hereby incorporated as a part of GEO No. 2524.
GEO No. 2524 concluded:
1. The subject site is not located within an Alquist-Priolo (AP) Special Study Zone and no faults were identified on the site during our site evaluation and aerial photograph review.
2. It is our opinion the potential for subsidence and liquefaction will not adversely impact the proposed building and associated site improvements.
3. It is our opinion that potential for seismic settlement at the site is minimal.
4. Total settlement of the shallow footings is anticipated to be less than one inch, and differential settlement is anticipated to be approximately half the total settlement.
5. The near surface soils are granular and exhibit very low expansion potential.
GEO No. 2524 recommended:
1. In general, all loose soils within the proposed building footprints should be overexcavated to competent native soils exhibiting an in-place relative compaction of at least 85 percent, and replaced with engineered fill.
2. The upper 3 feet of existing soils, at a minimum, should be removed and replaced with properly compacted fill.
3. Actual removal depths will have to be determined during grading on the basis of in-grading observations and testing by a representative of geotechnical consultants.
4. Shallow foundations may be supported on continuous spread footings and isolated

spread footings, and should bear entirely upon competent native soils or properly engineered fill.
GEO No. 2524 satisfies the requirement for a geologic/geotechnical study for Planning/CEQA purposes. GEO No. 2524 is hereby accepted for planning purposes. Engineering and other Building Code parameters were not included as a part of this review or approval. This approval is not intended and should not be misconstrued as approval for grading permit. Engineering and other building code parameters should be reviewed and additional comments and/or conditions may be imposed by the County upon application for grading and/or building permits.

Planning-PAL

Planning-PAL. 1 LOW PALEO SENSITIVITY

According to the County's General Plan, this site has been mapped as having a “Low Potential” for paleontological resources. This category encompasses lands for which previous field surveys and documentation demonstrates a low potential for containing significant paleontological resources subject to adverse impacts. As such, this project is not anticipated to require any direct mitigation for paleontological resources. However, should fossil remains be encountered during site development:
1. All site earthmoving shall be ceased in the area of where the fossil remains are encountered. Earthmoving activities may be diverted to other areas of the site.
2. The owner of the property shall be immediately notified of the fossil discovery who will in turn immediately notify the County Geologist of the discovery.
3. The applicant shall retain a qualified paleontologist approved by the County of Riverside.
4. The paleontologist shall determine the significance of the encountered fossil remains.
5. Paleontological monitoring of earthmoving activities will continue thereafter on an as-needed basis by the paleontologist during all earthmoving activities that may expose sensitive strata. Earthmoving activities in areas of the project area where previously undisturbed strata will be buried but not otherwise disturbed will not be monitored. The supervising paleontologist will have the authority to reduce monitoring once he/she determines the probability of encountering any additional fossils has dropped below an acceptable level.
6. If fossil remains are encountered by earthmoving activities when the paleontologist is not onsite, these activities will be diverted around the fossil site and the paleontologist called to the site immediately to recover the remains.
7. Any recovered fossil remains will be prepared to the point of identification and identified to the lowest taxonomic level possible by knowledgeable paleontologists. The remains then will be curated (assigned and labeled with museum* repository fossil specimen numbers and corresponding fossil site numbers, as appropriate; places in specimen trays and, if necessary, vials with completed specimen data cards) and catalogued, an associated specimen data and corresponding geologic and geographic site data will be archived (specimen and site numbers and corresponding data entered into appropriate museum repository catalogs and computerized data bases) at the

museum repository by a laboratory technician. The remains will then be accessioned into the museum repository fossil collection, where they will be permanently stored, maintained, and, along with associated specimen and site data, made available for future study by qualified scientific investigators. * Per the County of Riverside “SABER Policy”, paleontological fossils found in the County of Riverside should, by preference, be directed to the Western Science Center in the City of Hemet.

8. The property owner and/or applicant on whose land the paleontological fossils are discovered shall provide appropriate funding for monitoring, reporting, delivery and curating the fossils at the institution where the fossils will be placed, and will provide confirmation to the County that such funding has been paid to the institution.

INDEMNIFICATION AGREEMENT

This INDEMNIFICATION AGREEMENT ("Agreement"), made by and between the COUNTY OF RIVERSIDE, a political subdivision of the State of California ("COUNTY"), Neal T. Baker Enterprises, a California Corporation, ("PROPERTY OWNER") and SimonCRE Lincoln, LLC, an Arizona Limited Liability Company authorized to transact business in California ("BUYER/INDEMNITOR"), relating to the BUYER/INDEMNITOR's indemnification of the COUNTY under the terms set forth herein:

WITNESSETH:

WHEREAS, the PROPERTY OWNER has a legal interest in the certain real property described as APNS 526-060-003 and 526-060-004 ("PROPERTY"); and,

WHEREAS, the PROPERTY OWNER has entered into a Real Property Purchase Agreement with BUYER for the purchase of the PROPERTY; and

WHEREAS, on September 8, 2016, BUYER filed an application for Plot Plan No. 26096 ("PROJECT"); and,

WHEREAS, BUYER acknowledges PROPERTY OWNER’S ownership interest in the PROPERTY and is willing to indemnify the COUNTY as set forth herein in the event a judicial challenge is commenced against the PROJECT; and

WHEREAS, BUYER acknowledges that BUYER will be the Indemnitor for this agreement and will hereinafter be identified as INDEMNITOR; and

WHEREAS, judicial challenges of projects requiring discretionary approvals, including, but not limited to, California Environmental Quality Act determinations, are costly and time consuming. Additionally, project opponents often seek an award of attorneys’ fees in such challenges; and,

WHEREAS, since property owners are the primary beneficiaries of such approvals, it is appropriate that such owners bear the expense of defending against any such judicial challenge, and bear the responsibility of any costs, attorneys’ fees and damages which may be awarded to a successful challenger; and,

WHEREAS, in the event a judicial challenge is commenced against the PROJECT, the COUNTY has requested and the INDEMNITOR has agreed to defend, indemnify and hold harmless the COUNTY, its agents, officers, or employees from any claim, action or proceeding against the COUNTY, its agents, officers, or employees to attack, set aside, void or annul any approval of the COUNTY, its advisory agencies, appeal boards, or legislative body concerning the PROJECT or its associated environmental documentation ("LITIGATION"); and,
WHEREAS, this Agreement is entered into by the COUNTY and INDEMNITOR to establish specific terms concerning INDEMNITOR'S indemnification obligation for the PROJECT.

NOW, THEREFORE, it is mutually agreed between COUNTY and INDEMNITOR as follows:

1. **Indemnification.** INDEMNITOR, at its own expense, shall defend, indemnify and hold harmless the COUNTY, its agents, officers, and employees from and against any claim, action or proceeding brought against the COUNTY, its agents, officers, and employees to attack, set aside, void or annul any approval of the PROJECT including any associated costs, damages, and expenses including, but not limited to, costs associated with Public Records Act requests submitted to the COUNTY related to the PROJECT and an award of attorneys' fees and costs incurred or arising out of the above-referenced claim, action or proceeding brought against the COUNTY (“Indemnification Obligation.”)

2. **Defense Cooperation.** INDEMNITOR and the COUNTY shall reasonably cooperate in all aspects of the LITIGATION. Nothing contained in this Agreement, however, shall be construed to limit the discretion of COUNTY, in the interest of the public welfare, to settle, defend, appeal or to decline to settle or to terminate or forego defense or appeal of the LITIGATION. It is also understood and agreed that all litigation pleadings are subject to review, revision and approval by COUNTY’s Office of County Counsel.

3. **Representation and Payment for Legal Services Rendered.** COUNTY shall have the absolute right to approve any and all counsel retained to defend COUNTY in the LITIGATION. INDEMNITOR shall pay the attorneys’ fees and costs of the legal firm retained by INDEMNITOR to represent the COUNTY in the LITIGATION. Failure by INDEMNITOR to pay such attorneys’ fees and costs may be treated as an abandonment of the PROJECT and as a default of INDEMNITOR’s obligations under this Agreement.

4. **Payment for COUNTY’s LITIGATION Costs.** Payment for COUNTY’s costs related to the LITIGATION shall be made on a deposit basis. LITIGATION costs include any associated costs, fees, damages, and expenses as further described in Section 1. herein as Indemnification Obligation. Within thirty (30) days of receipt of notice from COUNTY that LITIGATION has been initiated against the PROJECT, INDEMNITOR shall initially deposit with the COUNTY’s Planning Department the total amount of Twenty Thousand Dollars ($20,000). INDEMNITOR shall deposit with COUNTY such additional amounts as COUNTY reasonably and in good faith determines, from time to time, are necessary to cover costs and expenses incurred by the COUNTY, including but not limited to, the Office of County Counsel, Riverside County Planning Department and the Riverside County
Clerk of the Board associated with the LITIGATION. Within ten (10) days of written notice from COUNTY, INDEMNITOR shall make such additional deposits. Collectively, the initial deposit and additional deposits shall be referred to herein as the “Deposit.”

5. Return of Deposit. COUNTY shall return to INDEMNITOR any funds remaining on deposit after ninety (90) days have passed since final adjudication of the LITIGATION.

6. Notices. For all purposes herein, notices shall be effective when personally delivered, delivered by commercial overnight delivery service, or sent by certified or registered mail, return receipt requested, to the appropriate address set forth below:

7. Default and Termination. This Agreement is not subject to termination, except by mutual agreement or as otherwise provided herein. In the event of a default of INDEMNITOR’s obligations under this Agreement, COUNTY shall provide written notification to INDEMNITOR of such alleged default and INDEMNITOR shall have ten (10) days after receipt of written notification to cure any such alleged default. If INDEMNITOR fails to cure such alleged default within the specified time period or otherwise reach agreement with the COUNTY on a resolution of the alleged default, COUNTY may, in its sole discretion, do any of the following or combination thereof:
   a. Deem INDEMNITOR’s default of INDEMNITOR’s obligations as abandonment of the PROJECT and as a breach of this Agreement;
   b. Rescind any PROJECT approvals previously granted;
   c. Settle the LITIGATION.

In the event of a default, INDEMNITOR shall remain responsible for any costs and attorney’s fees awarded by the Court or as a result of settlement and other expenses incurred by the COUNTY related to the LITIGATION or settlement.
8. **COUNTY Review of the PROJECT.** Nothing in this Agreement shall be construed to limit, direct, impede or influence the COUNTY's review and consideration of the PROJECT.

9. **Complete Agreement/Governing Law.** This Agreement represents the complete understanding between the parties with respect to matters set forth herein. This Agreement shall be construed in accordance with the laws of the State of California.

10. **Successors and Assigns.** The obligations specific herein shall be made, and are binding on the successors in interest of the INDEMNITOR, whether the succession is by agreement, by operation of law or by any other means.

11. **Amendment and Waiver.** No modification, waiver, amendment or discharge of this Agreement shall be valid unless the same is in writing and signed by all parties.

12. **Severability.** If any term, provision, covenant or condition of this Agreement is held to be invalid, void or otherwise unenforceable, to any extent, by any court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby, and each term, provision, covenant or condition of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

13. **Survival of Indemnification.** The parties agree that this Agreement shall constitute a separate agreement from any PROJECT approval, and if the PROJECT, in part or in whole, is invalidated, rendered null or set aside by a court of competent jurisdiction, the parties agree to be bound by the terms of this Agreement, which shall survive such invalidation, nullification or setting aside.

14. **Interpretation.** The parties have been advised by their respective attorneys, or if not represented by an attorney, represent that they had an opportunity to be so represented in the review of this Agreement. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in interpreting this Agreement.

15. **Captions and Headings.** The captions and section headings used in this Agreement are inserted for convenience of reference only and are not intended to define, limit or affect the construction or interpretation of any term or provision hereof.

16. **Jurisdiction and Venue.** Any action at law or in equity arising under this Agreement or brought by a party hereto for the purpose of enforcing, construing or determining the validity of any provision of this Agreement shall be filed in the Courts of Riverside County, State of California, and the parties hereto waive all provisions of law providing for the filing, removal or change of venue to any other
court or jurisdiction.

17. **Counterparts; Facsimile & Electronic Execution.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document. To facilitate execution of this Agreement, the parties may execute and exchange facsimile or electronic counterparts, and facsimile or electronic counterparts shall serve as originals.

18. **Joint and Several Liability.** In the event there is more than one INDEMNITOR, the liability of INDEMNITOR shall be joint and several, and INDEMNITOR each of them shall be jointly and severally liable for performance of all of the obligations of INDEMNITOR under this Agreement.

19. **Effective Date.** The effective date of this Agreement is the date the parties sign the Agreement. If the parties sign the Agreement on more than one date, then the last date the Agreement is signed by a party shall be the effective date.

IN WITNESS WHEREOF, the parties hereto have duly caused this Agreement to be executed by their authorized representatives as of the date written.

Conditional Use Permit No. 3784 – Exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15061(b)(3) and 15301 – Applicant: Dolgen California LLC – Representative: Alcoholic Beverage Specialists – Fifth Supervisorial District – The Pass Area Plan – Cabazon Policy Area – General Plan: Community Development: Mixed Use Area (CD-MUA) – Zoning: Mixed Use (MU) – Location: Northeasterly corner of N Fern Street and Main Street, and southerly of Interstate 10 – 1.38 Acres – REQUEST: The project was originally approved under PP No. 26096 that permitted the operation of a Dollar General Store without the sale of alcohol. The current request is for a Conditional Use Permit to allow the Dollar General to sell beer and wine for off-site consumption (Type 20 License), and to approve Public Conveyance and Necessity Findings. The project also includes an amendment to Ordinance No. 348, Ordinance No. 348.4896, to modify Section 18.48 related to Alcoholic Beverage Sales. The amendment adds the Mixed Use Zone to the list of zone classifications where the sale of alcoholic beverages for off-site consumption is allowed with an approved conditional use permit. This amendment will make Section 18.48 consistent with the Mixed Use Zone which allows the sale of alcoholic beverages for off-site consumption with an approved conditional use permit.
