6. **PLANNING AREA 6** — **Medium-High Density / Single Family Residential**

a. **Descriptive Summary**

Planning Area 6 is a neighborhood of single family detached and duplexes east of Planning Area 5. The area has extensive frontage on the golf course, that surrounds it on all sides.

No attempt will be made to keep all the large lots within a single block or neighborhood, so that each of the single family neighborhoods will contain a mix of housing lot sizes and types, intermingled as the market and conditions require. Four sizes of single family lots are initially envisioned: 7000 s.f. ("A" lots), 6000 s.f. ("SF-60" lots), and 5000 s.f. ("SF-50" lots) and 4000-4500 s.f. ("SF-45 lots). The smaller lots will allow zero lot line configurations and cluster design concepts. (Note: these lot designations are Del Webb's and pertain to this project only, and do not correspond to any Riverside County standards.)
