For further information regarding this project, please contact Project Planner Tim Wheeler at (951) 955-6060 or email at twheeler@rivco.org, or go to the County Planning Department's web page.

The Riverside County Planning Department has determined that the above project will not have a significant effect on the environment and has recommended adoption of a mitigated negative declaration. The Planning Commission will consider the proposed project and the proposed mitigated negative declaration, at the public hearing. The mitigated negative declaration for the proposed project is available for review online on the Planning Department website at <https://planning.rctlma.org/>, listed under Environmental Documents. The meeting documents for the proposed project can be viewed online under the hearing date on the Public Hearing page of the Planning Department website.

Public Review Period: The public review period to comment on the environmental document is from February 14, 2024, to March 4, 2024. Any person wishing to comment on the proposed project may submit their comments in writing by mail or email, or by phone between the date of this notice and the public hearing; or, you may appear and be heard at the time and place noted above. You may participate remotely by registering with the Planning Department. All comments received prior to the public hearing will be submitted to the Planning Commission for consideration, in addition to any oral testimony, before making a decision on the proposed project. All correspondence received before and during the meeting will be distributed to the Planning Commission and retained for the official record.

If this project is challenged in court, the issues may be limited to those raised at the public hearing, described in this notice, or in written correspondence delivered to the Planning Director at, or prior to, the public hearing. Be advised that as a result of public hearings and comment, the Planning Director may amend, in whole or in part, the proposed project. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the proposed project, may be changed in a way other than specifically proposed.
