4.1 **PROJECT DESCRIPTION:** The Wine Country Community Plan has been initiated by the County Board of Supervisors to ensure that the region develops in an orderly manner that maximizes the area’s unique viniculture potential, while protecting the area’s equestrian and rural lifestyles.

The Temecula Valley Wine Country is currently experiencing an unprecedented level of development interest, with more than thirty new projects in process. To meet the challenge of integrating these types of new projects into the existing community, on October 21, 2008, the Riverside County Board of Supervisors, under the leadership of Sup. Stone has directed Planning Staff to initiate a comprehensive plan for the Temecula Valley Wine Country. General Plan Amendment 1077 (GPA 1077) is an amendment that the County has initiated to comprehensively reassess the needs of the Temecula Valley Wine Country. GPA 1077 anticipates land use and circulation element changes to the Citrus Vineyard and Valle de Los Caballos Policy Areas of the Southwest Area Plan in the General Plan document. Project Planner Mitra Mehta-Cooper at 951-955-8514 or e-mail mmehta@rctlma.org.

This is not a public hearing and NO DECISION on the proposal will be made at this time.
