**COUNTY OF RIVERSIDE PLANNING DEPARTMENT  
STAFF REPORT**

**PROJECT DESCRIPTION AND LOCATION:**

The project proposes a Conditional Use Permit (CUP) for a Type 20 ABC license for the sale of beer and wine for offsite consumption at the Country Farms Market in the community of Idyllwild. The market was originally approved in 1973 under Plot Plan No. 1380 and according to County records has been in operation continuously since the original approval.

A Type 20 license existed for the business since 1992, but was left to expire in 2006. Given the lapse of this license for more than a period of one (1) year, a CUP is now required for the new license. This CUP will provide the compliance measures necessary for the California Department of Alcohol Beverage Control (ABC) which requires local land use approval.

The project is located in the community of Idyllwild in the Riverside Extended Mountainous Area Plan (REMAP). More specifically, the project is located at the northeast corner of North Circle Drive and Pinetree Avenue.

**BACKGROUND:**

According to both the State ABC and County of Riverside records, a Type 20 ABC license for the sale of beer and wine for off-site consumption existed on the property, under the current market use, from 1992 to at least 2006. The previous owner allowed the license to lapse on or about 2006.

**ISSUES OF POTENTIAL CONCERN:**

The Community of Idyllwild contains a mixture of shops and eating establishments; many of which sell alcoholic beverages for both on-site and off-site consumption. The California State Department of Alcohol Beverage Control (ABC) classifies the census tract in which the project is located (444.05) as over concentrated for the sale of beer, wine, and distilled spirits.

In addition, as part of the development review process for ABC permits, Planning staff identifies the location of any churches, schools (private or public), parks, playgrounds, or day care centers within 1,000 feet of the proposed permit. According to the attached exhibit there are two (2) locations that are under church ownership, these are identified as sites C-16 and C-27 on the attached exhibit. Staff investigated the use of these facilities via site visits and interview of staff located at the facilities and the proposed project is not considered a concern for these facilities.

**SUMMARY OF FINDINGS:**

1. Existing General Plan Land Use (Ex. #5): Commercial Retail (CR) (0.20 - 0.35 FAR)
2. Surrounding General Plan Land Use (Ex. #5): Commercial Retail (CR) (0.20 - 0.35 FAR) to the west and south, Medium Density Residential (MDR) (2 - 5 D.U's/AC) to the east, and Open Space Conservation (OS-CH) to the north.
3. Existing Zoning (Ex. #2): Scenic Highway Commercial (C-P-S)

**RECOMMENDATIONS:**

**ADOPTION** of a **NOTICE OF EXEMPTION** based upon the findings incorporated in the staff report and the Notice of Exemption and the conclusion that the project will not have a significant effect on the environment; and,

**ADOPTION** of a **FINDING OF PUBLIC NECESSITY AND CONVENIENCE** regarding the sale of beer and wine from the subject site for off-site consumption, based upon the findings and conclusions incorporated in the staff report; and,

**APPROVAL** of **CONDITIONAL USE PERMIT (CUP) No. 3690**, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the staff report.

**CONCLUSIONS:**

1. The proposed project is in conformance with the Community Development: Commercial Retail (CR) (0.20 – 0.35 FAR) Land Use Designation, and with all other elements of the Riverside County General Plan.
2. The proposed project is consistent with the Scenic Highway Commercial (C-P-S) zoning classification of Ordinance No. 348, and with all other applicable provisions of Ordinance No. 348.
3. The public's health, safety, and general welfare are protected through project design.
4. The proposed project is clearly compatible with the present and future logical development of the area.
5. The proposed project is exempt from the provisions of the California Environmental Quality Act (CEQA).
6. The proposed project will not be situated in a manner that presents a potential hazard upon vehicle traffic to a school church, public park or playground.
7. The proposed project will not preclude reserve design for the Western Riverside County Multiple Species Habitat Conservation Plan (WRCMSHCP).

**FINDINGS:** The following findings are in addition to those incorporated in the summary of findings which is incorporated herein by reference.

1. The project site is designated Commercial Retail (CR) (0.20 – 0.35 FAR) on the Riverside Extended Mountainous Area Plan (REMAP).
2. The proposed use, a Type 20 ABC license on a 0.50 gross acre commercial parcel with a market (Country Farms), is permitted use in the CR Land Use Designation.
3. The project site is surrounded by properties which are designated Commercial Retail (CR) (0.20 – 0.35 FAR) to the west and south, Medium Density Residential (MDR) (2 – 5 D.U's/AC) to the east, and Open Space Conservation (OS-CH) to the north.
4. The zoning for the subject site is Scenic Highway Commercial (C-P-S).
5. The proposed use, the sale of beer and wine for off-site consumption, is a permitted [use, subject to approval of a conditional use permit, in the Scenic Highway Commercial (C-P-S) zoning classification.
6. The proposed use, the sale of beer and wine for off-site consumption, is conditionally consistent with the development standards set forth in the Scenic Highway Commercial (C-P-S) zone.
7. The project site is surrounded by properties which are zoned Scenic Highway Commercial (C-P-S) to the west, south, and east; Village Tourist Residential (R-3A) to the east.
8. Commercial and Village Tourist uses have been constructed and are operating in the project vicinity.
9. The proposed project is not within 100 feet of residences.
10. The proposed project has shown that the operation of the proposed premises will not interfere with the quiet enjoyment of the property by residents (Section 23789 and Rule 61.4). The existing market is situated within a primary commercial corridor of Idyllwild and is located at least 600 feet from the closest residence.
11. Three licenses are currently issued in Census tract 444.05 with only one license allowed. The proposed permit would provide ABC the local authority to issue a 4<sup>th</sup> license in this census tract.
12. A population of 3,784 persons (the estimated population for census tract 444.05) is over concentrated with the existing three (3) licenses and will be further over concentrated with the proposed Type 20 license.
13. Census tract 444.05 is over-concentrated with Type 20 and Type 21 combined liquor licenses.
14. The California Alcoholic Beverage Control Board requires the local jurisdiction to make a finding of Public Necessity of Convenience for the granting of a license when said granting would cause an over concentration of licenses within a census tract, or when an over concentration already exists.
15. The proposed project will sell boutique, micro-brew, and specialized beers and wine.

16. The proposed project provides specialized services and public necessity.
17. The proposed project is located within a well-known tourist hub of western Riverside County.
18. The project is located in such a way as to provide public convenience. The project will provide specialized beer and wine in combination with gourmet foods, a use that currently does not exist within the general vicinity.
19. The proposed use is permitted in the Scenic Highway Commercial (C-P-S) zone based on County Ordinance No. 348, Section 18.48, "Alcoholic Beverage Sales", which states, "The sale of alcoholic beverages for off-premises consumption shall only be allowed in the following zones provided a conditional use permit has been approved pursuant to Section 18.28 of Ordinance No. 348: R-R, C-1/C-P, C-P-S and C-R."
20. The Conditional Use Permit is only for the sale of alcoholic beverages for off-site consumption, and does not cover any other uses, modifications to the existing structure, or changes to the physical environment.
21. This project is exempt from CEQA under the exemptions for existing facilities, under licensing, sec. 15301 of CEQA guidelines: Class 1 consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination.
22. This project is not located within a Criteria Area of the Western Riverside County Multiple Species Habitat Conservation Plan. This project will fulfill the requirements of the WRCMSHCP upon the payment of Ordinance No. 810 mitigation fees.
23. This project is not within a City Sphere of Influence.

**INFORMATIONAL ITEMS:**

1. As of this writing, no letters, in support or opposition have been received.
2. The project site is not located within:

RIVERSIDE COUNTY  
PLANNING COMMISSION

Dear Sir;

We received you plot plan and it has been reviewed. The following are our comments and recommendations.

1. We could not tell by the plan, but according to owner, he states there will be a broiler located within the building. We do recommend a fixed dry chemical extinguishing system to be included in the duct work.
2. According to Sec. 1102 part #2 of the Uniform Building Code, there is a three-hour Occupancy separation between the Group F, Division 1 (Gas Station) and all portions of the Group F, Division 2 (Restaurant). The existing roof of the Gas Station has 5/8 drywall with no tape at joints. This is mounted from the inside.
3. According to Sec. 1102 (b) of the Uniform Building Code, Special Provisions; Motor vehicles service stations including canopies and supports over pumps shall be noncombustible or of one-hour fire-resistant construction.

EXCEPTION: Roofs of one-story service stations may be of heavy-timber construction.

The existing canopy has 1x8 t&g sheeting on the under side of canopy. The addition of fascade roof should be checked for fire retardance.

4. According to Sec. 1103 of the Uniform Building Code (b) and (c).
  - (b) Swing. Exit doors shall swing in the direction of exit travel when serving any hazardous area or when serving an occupant load of 50 or more.
  - (c) Type of Lock or Latch. Exit doors shall be openable from the inside without the use of a key or any special knowledge or effort.

If we can be of any further assistance, please contact us.

Respectfully yours,

David E. Hunt Jr.

10. EVERY. 2 USE - 90 DAYS TO PROTEST

RECOMMND

The project developer has 90 days from the date of approval of these conditions to protest, in accordance with the procedures set forth in Government Code Section 66020, the imposition of any and all fees, dedications, reservations and/or other exactions imposed on this project as a result of this approval or conditional approval of this project.

PLANNING DEPARTMENT

10.PLANNING. 1 USE- PROJECT DESCRIPTION

RECOMMND

The project proposes a Conditional Use Permit (CUP) for a Type 20 ABC license for the sale of beer and wine for offsite consumption at the Country Farms Market in the community of Idyllwild. The market was originally approved in 1973 under Plot Plan No. 1380 and according to County records has been in operation continuously since the original approval.

A Type 20 license existed for the business since 1992, but was left to expire in 2006. Given the lapse of this license for more than a period of one (1) year, a CUP is now required for the new license. This CUP will provide the compliance measures necessary for the California Department of Alcohol Beverage Control (ABC) which requires local land use approval.

RECOMMND

The project is located in the community of Idyllwild in the Riverside Extended Mountainous Area Plan (REMAP). More specifically, the project is located at the northeast corner of North Circle Drive and Pinetree Avenue.

BACKGROUND:

According to both the State ABC and County of Riverside records, a Type 20 ABC license for the sale of beer and wine for off-site consumption existed on the property, under the current market use, from 1992 to at least 2006. The previous owner allowed the license to lapse on or about 2006.

Description of application/permit use:  
CUP for Type 20 ABC license — off-sale beer and wine

If your application is subject to Deposit-based Fee, the following applies

**Section 1. Deposit-based Fees**

**Purpose:** The Riverside County Board of Supervisors has adopted ordinances to collect "Deposit-based Fees" for the costs of reviewing certain applications for land use review and permits. The Applicant is required to deposit funds to initiate staff review of an application. The initial deposit may be supplemented by additional fees, based upon actual and projected labor costs for the permit. County departments draw against these deposited funds at the staff hourly rates adopted by the Board of Supervisors. The Applicant and Property Owner are responsible for any supplemental fees necessary to cover any costs which were not covered by the initial deposit.

**Section 2. Applicant and Property Owner Responsibilities for Deposit-based Fee Applications**

- A. Applicant agrees to make an initial deposit in the amount as indicated by County ordinance, at the time this Agreement is signed and submitted with a complete application to the County of Riverside. Applicant acknowledges that this is an initial deposit and additional funds may be needed to complete their case. The County of Riverside will not pay interest on deposits. Applicant understands that any delays in making a subsequent deposit from the date of written notice requesting such additional deposit by County of Riverside, may result in the stoppage of work.
- B. Within 15 days of the service by mail of the County of Riverside's written notice that the application permit deposit has been reduced to a balance of less than 20% of the initial deposit or that the deposit is otherwise insufficient to cover the expected costs to completion, the Applicant agrees to make an additional payment of an amount as determined by the County of Riverside to replenish the deposit. Please note that the processing of the application or permit may stop if the amount on deposit has been expended. The Applicant agrees to continue making such payments until the County of Riverside is reimbursed for all costs related to this application or permit. The County of Riverside is entitled to recover its costs, including attorney's fees, in collecting unpaid accounts that would have been drawn on the deposit were it not depleted.
- C. The Property Owner acknowledges that the Applicant is authorized to submit this agreement and related application(s) for land use review or permit on this property. The Property Owner also acknowledges that should the Applicant not reimburse the County of Riverside for all costs related to this application or permit, the Property Owner shall become immediately liable for these costs which shall be paid within 15 days of the service by mail of notice to said property Owner by the County.

- D. This Agreement shall only be executed by an authorized representative of the Applicant and the Property Owner. The person(s) executing this Agreement represents that he/she has the express authority to enter into this agreement on behalf of the Applicant and/or Property Owner.
- E. This Agreement is not assignable without written consent by the County of Riverside. The County of Riverside will not consent to assignment of this Agreement until all outstanding costs have been paid by Applicant.
- F. Deposit statements, requests for deposits or refunds shall be directed to Applicant at the address identified in Section 4.
