Footnotes:

(a) Per the County of Riverside Fiscal Year 2015-16 Recommended Budget.

(b) See Table 7.

(c) Based on (1) 2,308,441 total Riverside County residents and 368,823 residents in the unincorporated sections of Riverside County per the California Department of Finance, January 1, 2015, (2) 961,100 total Riverside County employees and 86,600 employees in the unincorporated sections of Riverside County per the California Employment Department, October 2015, and (3) for service population calculation, employment was reduced by 50% to account for the estimated less frequent use of county public services by employees than residents.
 (d) See Table 3.

(e) The County Department of Animal Services provides animal control field and shelter services to 11 cities with a combined population of 829, 126.

Footnotes: (a) Per the County of Riverside Fiscal Year 2015-16 Recommended Budget. (b) Based on (1) 2,308,441 total Riverside County residents and 368,823 residents in the unincorporated sections of Riverside County per the California Department of Finance, January 1, 2015, (2) 961,100 total Riverside County employees and 86,600 employees in the unincorporated sections of Riverside County per the California Employment Development Department, October 2015, and (3) for service population calculation, employment was reduced by 50% to account for the estimated less frequent use of county public services by employees than residents.

Fochotes: (a) Per the County of Riverside Fiscal Year 2015-16 Recommended Budget. (b) Based on (1) 2,308,441 total Riverside County residents and 368,823 residents in the unincorporated sections of Riverside County per the California Department of Finance, January 1, 2015, (2) 961,100 total Riverside County employees and 86,600 employees in the unincorporated sections of Riverside County per the California Employment Department, October 2015, and (3) for service population calculation, employment was reduced by 50% to account for the estimated less frequent use of county public services by employees than residents.

(c) See Table 3.

(d) All of the Measure A sales tax is earmarked for non-recurring capital projects per conversations with the Transportation Fund administrative office.
 (e) All of the Gas Tax is earmarked for recurring street maintenance costs per conversations with the Transportation Fund administrative office.

(f) Per email from Glorious Land Company and KWC Engineers, dated 3/22/2016.

(g) Per discussions on 3/29/2016 with Paul Rosell of the Riverside County Land Transportation and Land Management Agency, FY 2015-16 road maintenance cost was \$6,885 per lane mile. (h) Timing of lane miles to be allocated per residential unit per conference call discussions with client on 4/1/2016.
